Welsh Government Talk

This week, one of our Year 11 students, Gwion Vaughan-Thomas, gave a talk to a delegation from the Welsh Government. They were conducting research into why and how pupils choose their post 16 options and the help they get in making that decision.

The members of the Tertiary Education Directorate were so impressed with him that they wrote a letter of praise.

“I wanted to write to say a huge thank you from me and the whole team for attending the Welsh Government Tertiary Education Directorate Away Day. Your contribution as part of our Learner Panel was invaluable and feedback from attendees has been universally positive. Many have commented that it was an extremely inspiring and engaging session so many thanks for sharing your experiences with us.”

Careers - KPMG

This week Year 10 pupils were invited to visit the offices of the tax company, KPMG, one of the companies involved in the building of our new school. The company ran several workshops designed to provide students with an important insight into the world of work and to help students develop core transferable skills including communicating effectively; problem solving; thinking creatively; positivity, confidence and resilience; and leadership and teamwork. The feedback from both the students and the staff at KPMG was superb. The pupils found the workshops really beneficial – and they enjoyed the free soft drinks and sweets! Many thanks to Adrian Cole for arranging the visits and to the staff at KPMG.

Black History Month

The Black History Month event sponsored by Vaughan Gething saw the launch of the the TUC Cymru “Anti-racism at work toolkit” to combat racism in the workplace.

Speaking at the event was Secretary General of TUC Cymru Shavanah Taj, Jane Hutt - Cabinet Secretary for Social Justice, Trefnydd and Chief Whip, Shirley Newbury - Neath and Port-Talbot Union, Rhianydd Williams - Equality & Policy Officer for Wales TUC and Vaughan Gething.

Once again, our pupils behaved impeccably and made us so proud.

Fearless Parents Session – 10th October 10am – 12.30pm

For young people, reporting crime can be a difficult decision. One way we can assist is to help the young person to detach themselves from the information – it's not about them but about the information they have. When someone reports something to keep others safe, whether to a trusted adult, the police or Fearless.org, they are being an active bystander. It is important to change the

narrative of crime reporting when talking to young people. They are not being a snitch; they are helping make their community, friends and family safe. They are creating a safer place for everyone to live. Willows High School is collaborating with Fearless.org to ensure that our pupils are ethical, informed citizens who are ready to be upstanding members of Wales and the world; pupils who use evidence in informing their views, engage with current issues based upon their own knowledge and values and consider the impact of their actions when making choices.

As always, we would welcome your support in this aim. Please come along to our Parent Session on the 10th October 10am – 12.30pm.

Violence Prevention Strategy Public Survey

As you are aware, Cardiff Community Safety Partnership, is currently developing a Violence Prevention Strategy called 'Cardiff Without Violence', to deliver an effective and collaborative response to tackling violence across the city.

We have now begun the Public Consultation phase of the Draft Violence Prevention Strategy and as part of the strategy development, the Partnership wants to hear from Cardiff residents and visitors to the city about their views on violence in Cardiff context, as well as thoughts on the guiding principles and key priorities which have been set out to focus the joint efforts in tackling the issue.

We would really appreciate it if you could complete the survey through the following links:

English: www.cardiff.gov.uk/seriousviolenceduty

Welsh: www.caerdydd.gov.uk/dyletswyddtraisdifrifol

The closing date for the survey is Wednesday 30th October. Let's work together to get as much feedback as possible from the public to create an effective strategy that works to make Cardiff a safer city for all.

School Essentials Grant

Registering as eligible for free school meals with your Local Authority unlocks access to the School Essentials Grant. It also means schools get more funding. With the introduction of free school meals for primary pupils, many parents/carers do not realise that schools will lose out unless they continue to register as eligible. Even if you don't need the grant, registering here: <https://www.gov.wales/get-help-school-costs> will mean schools get additional funding.

Measles

We are working in partnership with Cardiff and Vale Health Board, enabling children who have missed their scheduled appointments for MMR (measles, mumps and rubella) vaccines to access this in school.

Measles can be very serious for children, and is very easily passed between people who are not vaccinated. There are currently outbreaks of measles in Wales, so we would encourage families to take up the opportunity of their child getting their MMR vaccination if they are offered it by the Health Board. Please note that if your child is invited and you would like your child to have the MMR vaccine which does *not* contain gelatine (Halal), this will be an option you can choose.

For more information about the MMR vaccine please go to [Measles, Mumps and Rubella \(MMR\) - Public Health Wales \(nhs.wales\)](https://www.nhs.uk/conditions/measles-mumps-rubella/mmr/)

Measles

If you live in Cardiff and the Vale and are unsure if your child has had the MMR vaccine, you are encouraged to **check their personal child health record** (red book) in the first instance

If you remain unsure, other options include:
Contacting the Local Child Health Team on 02921 836926 or 02921 836929.
Contacting your GP Practice, avoiding peak times such as early mornings where possible.

Options for MMR vaccination include:
Your GP Practice
Your local Mass Vaccination Centre. Call 02921 841234
Phone lines are open Mon-Fri between 9am and 5pm

Having the MMR vaccine is the best way to prevent having measles and passing it on to others.
In some cases, measles can cause serious complications including pneumonia and meningitis.

Class Charts

What is Class Charts?

Class Charts is an app that can be downloaded to your phone. You can use it to:

- keep track of your child's behaviour
- view attendance records
- access your child's weekly timetable
- be informed of and track detentions
- award your child merits for completing their home reading tasks
- view announcements from school.

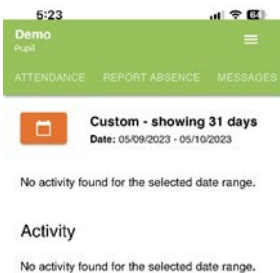

We would like all parents to sign up to Class Charts, as we are also going to be using this as the main way of sending all messages to you. Likewise, from after half term this will also be the main way that you can report your child's absence to us.

Thank you to all parents who have signed up to Class Charts this year and to those of you who continue to use it.

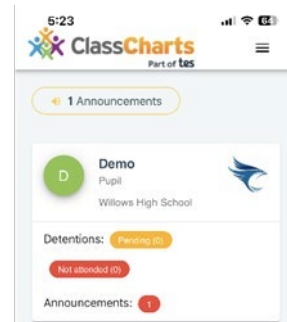

Please let your child's Head of Year know if you need a login code.

How to report an absence on Class Charts

1. Click on your Class Charts app and click on your child's name.

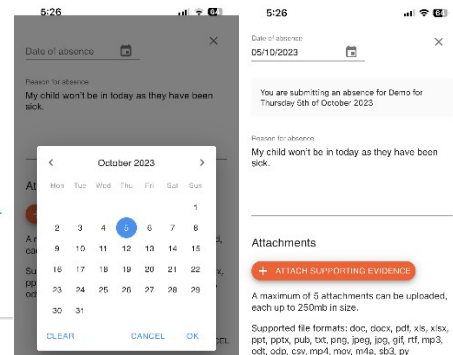

2. Scroll across the green band at the top and click 'report absence'.

3. Click on 'report new absence'

4. Tap the calendar for the date, type in the reason and attach any pictures of medical evidence, such as letters, emails or texts from the doctors, dentist or hospital

5. Click submit...it's as easy as that!

Please contact your child's Head of Year if you have any problems logging on and they will be happy to guide you through the process.

Important information about attendance to school

In an exam, if you got 90% of the questions correct, you would probably think that this is a very good result.

Number of lessons Missed

Unfortunately, this doesn't translate to your child's attendance.

90% attendance for the school year means that your child has **missed 98 lessons**. How are they going to make that time back?

Even **95% attendance** which is the Welsh Government's threshold for good attendance means your child would have **missed 49 lessons** over the school year. This is a lot of work for your child to miss.

The chart above shows how quickly the number of lessons your child misses increases as their attendance drops.

The greatest gift that we can give your child is an amazing set of examination results at the end of Year 11. To provide the best possible conditions for this to happen, your child needs to have as high an attendance percentage as possible.

Pupils are in school for 190 days of the year, **they are not in school for 175 days of the year.**

We believe that this is plenty of time for the majority of appointments to be made out of school hours.

Please consider your child's education before making appointments during the school day, and if you have no option, please consider how they are going to catch up on the work they have missed and report the absence every day through Classcharts.

Every pupil who is not in school is a potential safeguarding concern if we have not been notified by you.

We would be grateful if families would take the information above on board and we look forward to your support.

Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, then rising to **£120** and **£180** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again.

Please note these fines do not go away. Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

Lateness to School: Fixed Penalty Notices

Fixed Penalty Notices are already being requested for **poor attendance** and for **term-time holidays**.

After the Easter holidays we will be looking to request Fixed Penalty Notice fines for **lateness to school**. We ask that you speak to your child and discuss the importance of **arriving at school on-time for 9:00am line-up every day**. Your child is missing hours of education if they are consistently late to school.

If your child is regularly late to school then a request for a Fixed Penalty Notice fine will be actioned to the Education Welfare Service. The fine for this is £60, rising to £120, leading to a court summons & increased fines imposed. We **do not** want to have to request this – we would much rather your child be in school on time.

If your child is late to school because of an appointment then please provide evidence to the Attendance Team in the form of an appointment card or letter, etc.

Please help your child to arrive at school in good time. The main gates close at 9am – after this time your child is considered to be late and will need to sign in through Late Gates in the Learning Lounge, and then main reception.

Thank you for your support in this matter.

Uniform Reminder to Parents

We would appreciate the support of families to ensure that pupils come to school appropriately dressed. On the right is the information in our Parent Handbook which sets out clearly the expectation for our pupils at Willows.

We have uniform for a reason, it is to act as a leveller for pupils. Everyone wears the same, so no-one can feel disadvantaged by those who might want to come into school wearing the latest brands and expensive labels. It is also there to ensure that the clothes that are worn are appropriate to the age of your child, not too revealing and suitable for walking around in throughout the day.

Pupils will be sent home to change if they are wearing inappropriate clothing, this will be the school's decision.

We would appreciate if you would discuss this with your child and take steps to ensure that they are appropriately dressed for school when they leave your house in the morning.

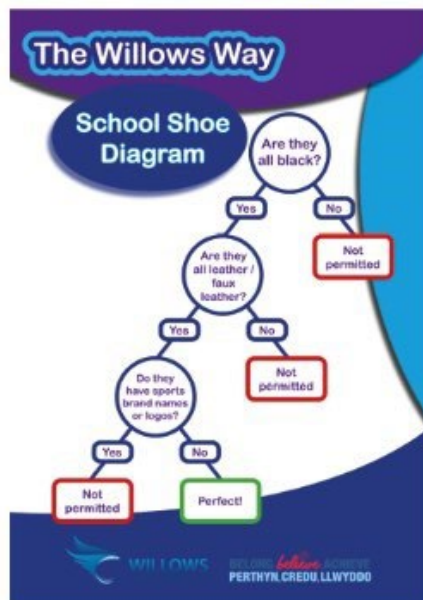

P.E. Kit:

School P.E. midlayer top, plain black sport shorts, plain black tracksuit trousers or plain black sports leggings.
No jeggings, tight fitting trousers, jeans, jean like trousers or low rise trousers.
No hoodies

Currently if your child has P.E. they should wear their P.E. kit to school for that day.

If you are concerned about the cold weather, pupils may wear their blazer as an extra layer of clothing.

Acceptable shoes flow diagram:

Uniform will be checked during the first line-up of the morning.

Pupils who are not wearing correct uniform will be sent home to either change or collect a part of their uniform that was missing

Hair:
No extreme styles / non natural colours.

Shoes:
Black leather or faux leather shoes or ankle boots only.
No canvas, no trainers, no logos.

Black to go with the uniform.
Leather to be weather resistant.

The school will make parents aware if there is any change to the school uniform due to increases in temperature, please do not send your child in P.E. kit if the weather is warm.

Crocs are definitely not part of the school uniform! Our Parent Handbook can be accessed on our website or by clicking the link below:

<https://indd.adobe.com/view/1dbf54a5-38cf-494f-9166-50b358b2e824>

If you are intending to buy new P.E. for next year, please remember that it is the Mid-Layer that is the compulsory item and must be worn. If you want to wear the old P.E. tops, they must be worn under the Mid-Layer

Mobile phone use in school FAQs

What will happen if my child is using their phone on the school premises or during the school day?

Staff will request that pupils hand their device(s) in, these will be stored in a secure place, in a padded envelope and will be clearly labelled ready for collection at the end of the same day. In an attempt to discourage use of electronic devices we will operate an escalated approach:

- Initial offences - Device handed-in, pupil can collect at the end of the same day, Parent/Carer informed.
- Repeated offences – Device handed-in, parent/carers must collect.
- Continued offences – Device handed-in, parent/carers must collect. Parent/carers to attend a meeting.

In the event of an exceptional circumstance, your child's Head of Year should be made aware and an individual solution will be applied.

Can my child bring their phone/electronic device to school?

Yes of course, we ask that they are switched off and out of sight during the school day and when on the school premises.

What if I can't collect my child's phone/electronic device?

That's ok, we will keep any devices secured at the school until it is convenient for you to collect.

What will happen if my child refuses to hand in their electronic device/mobile phone?

This is something we all want to avoid and as such we will also have an escalated approach to this:

Discussion with Head of Year / SLT > time in the APC until handed in > exclusion

Please encourage your child to not use their device in school to avoid the above escalation, we are giving plenty of advance warning to avoid this.

What happens if I need to speak to my child during the school day?

There are rare occasions whereby you may need to speak with your child for emergency reasons, if this is the case, please contact the school via the main number (02920 414243) and we will endeavour to pass on messages or collect your child to use a school phone. If we feel that your child needs to speak with you, we will provide a private space using a school phone to contact you.

Can devices be used during breaks/lunches?

No, we want pupils to communicate with their friends, develop their social skills and be present with each other.

I really find it hard to separate my child from their phone, can you help?

Yes, absolutely, we want our pupils to use their electronic devices responsibly and in moderation. We can work with you to put in place plans to avoid overuse and misuse and will support you in ensuring your child is meeting the school expectations. We will also be educating pupils on how to use devices responsibly and sharing further information on how parents/carers can monitor their child's use.

Tents Situation

Two years ago, Albany Arabic School took its grade 3 and grade 4 classes on a camping trip. There were 41 students going on the trip. They took 9 tents with them. Each tent slept either 3 campers or 5 campers. Every tent was completely filled and every camper was in a tent.

How many 5-person tents did they bring with them?

Solution

Since 41 is neither a multiple of 3 nor a multiple of 5, the students must have taken at least one of each type of tent. Now we can consider all combinations of 3-person tents and 5-person tents where there is a total of 9 tents, and where we have at least 1 and at most 8 tents that sleep 5 campers. We can create a table to keep track of the numbers:

Number of 5-person tents	Total campers in 5-person tents	Number of 3-person tents	Total campers in 3-person tents	Total campers (sum)
1	1 × 5 = 5	8	8 × 3 = 24	5 + 24 = 29
2	2 × 5 = 10	7	7 × 3 = 21	10 + 21 = 31
3	3 × 5 = 15	6	6 × 3 = 18	15 + 18 = 33
4	4 × 5 = 20	5	5 × 3 = 15	20 + 15 = 35
5	5 × 5 = 25	4	4 × 3 = 12	25 + 12 = 37
6	6 × 5 = 30	3	3 × 3 = 9	30 + 9 = 39
7	7 × 5 = 35	2	2 × 3 = 6	35 + 6 = 41
8	8 × 5 = 40	1	1 × 3 = 3	40 + 3 = 43

From the table, we can see that the only possible combination that meets the requirements is to **take 7 tents that sleep 5 campers and 2 tents that sleep 3 campers.**

Alternatively, if we only had tents that sleep 3 campers we could accommodate $3 \times 9 = 27$ people. However, we have 41 people, so we need space for $41 - 27 = 14$ more campers. The bigger tents sleep 2 more people each, so we need $14 \div 2 = 7$ tents that sleep 5 campers each.

With a total of 9 tents, we need 2 tents that sleep 3 campers.

Willows Garden

Our long-term aim as a school is to make our garden an inviting space not only to educate but to enjoy for pupils and staff with added first-hand experience of growing your own fruit and vegetables. We would love to grow and cook our home-grown ingredients to utilise in our school kitchen or the Willows Pantry. If you want to get involved, please look out for upcoming garden news.

Splo-down

[Splo-down](http://splo-down.org) is a member-run community food cooperative open to residents of Adamsdown, Splott, and Tremorfa. They buy food in bulk and use sliding-scale pricing so they can make good quality food accessible to everyone. They currently run a weekly stall 5-7pm every Wednesday where they sell veg boxes and run a zero-waste shop selling other food and household products such as rice, lentils, pasta, spices, and washing up liquid. They try to source our products from sustainable and ethical suppliers as much as possible. For any questions, please email them at: ask@splo-down.org

Social Media

Social media is increasingly playing a role in the lives of our pupils and for the majority of time, this is a positive thing. However, we are increasingly seeing how social media can have quite a negative impact on our pupils and in some cases, the impact has been quite significant.

We need to work together to harness all of the positive aspects of social media (and there are many) and to cancel out those aspects which can do harm. Whilst it is easy to focus on the fact that the age guideline for most sites is 13, it is also recognised how difficult it is to stop children from accessing these especially when all of their friends are using a certain platform.

Perhaps a more realistic place to start is to ensure that, if social media sites are to be used then they are set up in a way which helps to protect privacy. For example, most platforms allow you to:

- **set an account to private** (many of our pupils don't do this and some have been approached by people they don't know)
- **not allow friend requests** – again, some pupils have had friend requests from unknown users
- **hide the user's location** – worryingly, so many pupils share their location and with the development of ever more sophisticated software, it is becoming relatively easy to pinpoint exactly where the social media account is being used from (without sharing any address details).

Changing the settings to not allow the issues to happen takes a few minutes and can significantly improve the level of online safety when accessing social media. The NSPCC site 'Keeping children safe online' really is excellent and I would urge all families to access this: <https://www.nspcc.org.uk/keeping-childrensafe/online-safety/>

South Wales Police - Sextortion

We have been informed that South Wales Police are concerned about the rapidly growing number of 'sexortion' cases involving young people across Wales.

This is where individuals are targeted and threatened that inappropriate images of themselves that have been previously uploaded will be shared unless money is sent. This is obviously extremely worrying and the first action must be to ensure that no such photographs or videos exist – and, if they do so, they must be deleted immediately.

The advice to families from South Wales Police is as follows:

- Don't pay, do stop contact and block: you may be tempted to pay, but there is no guarantee that this will stop the threats. As the offender's motive is to get money, once you have shown you can pay, they will likely ask for more and blackmail may continue. If you have paid, don't panic but don't pay anything more. Help your child to stop all communication with the offender and block them on any accounts that they have been contacted on.
- Avoid deleting anything: try not to delete anything that could be used as evidence such as messages, images, telephone numbers, and bank account details.
- Report to the police or CEOP: call 101 or 999 if there is an immediate risk of harm to your child. Or you can use the [CEOP Safety Centre](#) to report any online blackmail attempts.

The NSPCC website is also a very good source of information and support should you require it.

Wellbeing in school

At Willows High School, we aim to promote positive mental health and wellbeing for our whole school community; pupils, staff and families, and recognise how important mental health and emotional wellbeing is to our lives in just the same way as physical health. We recognise that children's mental health is a crucial factor in their overall wellbeing and can affect their learning and achievement. All children go through ups and downs through their school career/life and some face significant life events.

Our aim is to help develop the protective factors which build resilience to mental health problems and be a school where:

- All pupils are valued
- Pupils have a sense of belonging and feel safe
- Pupils feel able to talk openly with trusted adults about their problems without feeling any stigma
- Positive mental health is promoted and valued
- Bullying is not tolerated

Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go: Staff in the Learning Lounge are here to look after your wellbeing so please come down for a confidential chat.

If you are a young carer and feel you need more support or would like to know about more opportunities out there for you, Ms. Mackintosh, our Safeguarding Officer, can provide information on what is available.

Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.

Allergies

At Willows, we are very conscious of pupil and staff sensitivity to the 14 food allergens. The food that our canteen produces is clearly labelled and the pupil information displayed at the tills identifies any allergies that the pupil in front of them has.

We do have a number of staff and pupils who have strong reactions to certain allergens, **particularly nuts**, so we ask for the support of all families to be aware of what your child is bringing into school and be sympathetic to the sensitivities of our school community.

We cannot 100% guarantee that the school is nut free, it is not possible to check what food is brought into school by every pupil, every day. We ask for your support in ensuring that the risks of allergic reactions are minimised.

For more information on allergies, please visit <https://www.allergyuk.org/>.

Chat Health:

A reminder that all secondary school pupils can text the school nurse service for any medical support and advice. This may be useful if your child is too anxious or embarrassed to talk to a doctor in the first instance. Please chat about this with your child and make them aware of the service and number (below):

The graphic features a hand holding a smartphone displaying a text message. The text on the phone reads: "Text anytime... Mon - Fri 9.30am until 4.30pm". To the right of the phone, it says "We help young people with all kinds of things like...". The background is teal with white text: "IF YOU'RE 11-19 YEARS OLD TEXT YOUR SCHOOL NURSE ON 07520 615718 FOR CONFIDENTIAL ADVICE AND SUPPORT". On the right side, there are logos for ChatHealth, CIG NHS, and Cardiff Health Board. Below the logos, there is a list of issues: BULLYING, SMOKING, EMOTIONAL WELLBEING, FEELING SAD OR ANGRY, STRESS, HEALTHY EATING, CHANGES TO YOUR BODY, DRUGS, ALCOHOL, and RELATIONSHIPS. At the bottom, there is a small disclaimer: "We do not usually inform your parents, teachers or anyone else if you contact the school nurse. We might inform someone if we were concerned about your safety, but we would usually advise to you first. Your messages and phone records can be seen by other teachers and staff who follow the same confidentiality rules as us. It may be possible for us to see your messages if you use our mobile app or website. We cannot see messages sent via text or email. Texts will not be sent to you outside of school working hours. If you need help before you have had school, contact a member of school staff or your doctor. Our text number does not require social calls or SMS charges. We support messages from all mobile numbers only (not all data or voice messages sent from services, international mobile numbers and some handset models are not supported). Please do not share your school nurse number with anyone. Please report your school mobile phone policy. Messages are charged at your usual rate."

As always, thank you for your support. If there are any problems, we would appreciate that you contact the relevant person in school straight away rather than using social media platforms.
