Weekly Newsletter – 18.10.2024

Hello! مرحباً! Ahoj! Ola! Dzień dobry! Salut! Helo!

Belong, Believe, Achieve:

This week our pupils have been getting hands on with an engineering project and learning about all of the career possibilities that are linked to industry. We have celebrated Diwrnod Shwmae Day (thank you to Mrs. Rees and Mr. Grainger for the virtual assembly), organised a bake sale, engaged in various sporting competitions and appeared on the Good Morning Britain as well as the BBC, ITV and S4C news!

Willows High School Conduct Overview 14/10/2024 - 18/10/2024

Enrichment

Miss Wrenall, Miss Crawshaw and the BBC with the Enrichment Group

This week has seen our pupils and school broadcast on ITV and BBC news (QR codes / links available) regarding the successful Enrichment Programme that we provide for the pupils fortnightly.

By developing our enrichment programme, we have given our pupils an opportunity to become less sedentary and lead a more active lifestyle. The range of activities that we offer has given them a chance to try a variety of different ways of exercising and incorporating physical activity into their daily lives, and this has established new passions and interests as well as having physical and mental health benefits.

Miss Wrenall, Miss Crawshaw and the BBC with the Enrichment Group

We provide sessions such as Rock climbing, MMA and self-defence, swimming, boxing, gully cricket and cycling, among many other types of activities. The enrichment sessions are also enjoyed by staff, who have found that they have built better relationships with pupils which has also made a positive difference throughout the school.

Football

Four football games this week for our boys across Years 7, 8 & 9 competing in Welsh Cup fixtures. Some tough matches but our boys gave their all and were a credit to the school throughout. Year 7 played Whitchurch on Monday and Radyr on Wednesday. Their first opportunity to represent the school, not the results we wanted but an encouraging start and plenty to work on. Year 8 played against a very strong St Cyres team on Thursday coming out second best but battled right to the end. Year 9 started slowly against St Teilo's on Thursday which ultimately cost them. They battled back well in the second half but it wasn't enough.

The last football fixture of this half term is on Tuesday 22nd October, where Year 7 will take on Plasmawr at home.

Careers - Year 9 Engineering Day

This week, Year 9 pupils were involved in an engineering project. People from both engineering companies, Arup and Viridor came into school to work with the pupils on the projects.

The pupils were set two different challenges. Each one designed to give the pupils a taste of what a real engineer does.

The pupils with Viridor were set the challenge of making a turbine that would be able to lift a weight. The pupils with ARUP were given the task of making a car from items such as wooden sticks and elastic bands. Each group then had to see how far the car would travel. It was really great to see the pupils fully engaged in the projects and diving into the tasks.

Many thanks to Matt and the team from Arup, to Eamonn from Viridor and to Adrian Cole for setting this up.

English – Reading at Willows

This week ITV came into Willows to film a segment all about the reading crisis in Wales. Miss Nelms along with students from 7AT were all involved. At Willows we are doing everything we can to improve the reading ages of our students.

The National Literacy Trust estimates there are currently over six million adults who are functionally illiterate, meaning they may have difficulty reading things like medicine instructions and completing their driving theory test. There are also shocking statistics circulating that not only directly link poor literacy and reading levels to poor academic progress but also to increased risk of mental illness particularly in women later in life. People with low literacy skills are statistically more likely to have lower earnings, poorer health, worse housing, and shorter life expectancy. At Willows we are striving to eradicate illiteracy to ensure that students leave secondary school with the best life chances.

We have implemented several strategies as a school to help improve the reading ages of pupils, from a Tutor

Time reading programme to whole school approaches to reading in class. Added to this, in the English department, further reading lessons have been incorporated into the curriculum which allow us to monitor individual pupils and keep track of any reading issues. We also have a department, Journey 7, which acts like a bridge between primary and secondary school and has a huge literacy focus, covering not only a lot of reading content but also working on vocabulary and word pronunciation. If you have any concerns about your child's reading, please contact their English teacher.

If you missed the segment, please scan the QR code or follow the link below. 7AT were superstars!

Basketball

This week Year 11 pupils represented Willows at the Cardiff Schools Basketball tournament. The event was held in Cardiff University at the Talybont Campus. Schools and colleges from all over Cardiff were in attendance.

This is only the second year that Willows has entered a team in the event, and hopefully this will continue as the popularity of the sport continues to grow in the school.

Careers -Engineering Talk

This week, Year 11 pupils were given a talk by Eamonn Scullion, from the engineering firm, Viridor. The talk covered the numerous types of engineers that exist and the work that Viridor undertake. There is also some potential for pupils to undertake some work experience and an apprenticeship when they leave school.

As always, there was a lot of interest from the pupils and a lot asked some really interesting questions.

Many thanks to Eamonn and to Adrian Cole, from Careers Wales for organising the talk.

Bake Sale

Bobby is physically disabled and a wheelchair user. His current self-propelled wheelchair is causing him a multitude of issues as; due to his hypermobility, he is regularly having several dislocations in his shoulders. This is causing him a huge amount of pain and trauma.

Our Pupil Leadership Team organised and held a bake sale on Friday to raise funds. It was a great success!

Bobby has a Go fund me page with more information. So, if you are able, please consider supporting him by clicking this link: <https://gofund.me/9dbb8c4a>

Careers Wales Quality Award Pilot

Willows High School has been selected, by Careers Wales, to take part in the second phase of the pilot scheme for the new Careers Wales Quality Award.

The new award which is aligned with the Curriculum for Wales will support schools to create high quality careers and work-related experiences (CWRE). It will replace the existing Careers Wales Mark, which Willows High gained in 2020.

The Careers Wales Quality Award aims to support schools with learners aged 3 to 16. It will support the development of purposeful and relevant CWRE across the curriculum. The award has 3 stages, each with a different focus.

Stage 1 – Leadership - This stage is about formulating and maintaining the commitment to lead the development of CWRE.

Stage 2 – Development - This stage is about realising CWRE in the curriculum through professional learning, stakeholder engagement and effective teaching and learning.

Stage 3 – Impact - This stage is about demonstrating impact in CWRE.

Willows High is one of only 21 secondary schools throughout Wales to be offered a place on the pilot scheme for the new award.

Curriculum Coordinators from Careers Wales will work closely with the school to develop the best model for the Careers Wales Quality Award. Together we will develop and refine:

- Assessment methods
- Evidence
- Documentation
- Professional learning requirements

The offer to be part of the pilot scheme shows how well Willows High School are doing in terms of career opportunities and employer provision to the pupils. This is a real “feather in our cap” and the award will show the continued high standards that we expect at Willows.

School Essentials Grant

Registering as eligible for free school meals with your Local Authority unlocks access to the School Essentials Grant. It also means schools get more funding. With the introduction of free school meals for primary pupils, many parents/carers do not realise that schools will lose out unless they continue to register as eligible. Even if you don't need the grant, registering here: <https://www.gov.wales/get-help-school-costs> will mean schools get additional funding.

Willows New School

As part of the New Willows Build, Morgan Sindall will be creating employment opportunities for local individuals. We will be working closely with partners and existing networks such as Into Work Cardiff, Onsite Construction Academy and Job Centre Plus who understand the needs of the local area and help to identify local people suitable for roles. We hope that by working collaboratively with these partners, we can provide some positive long term employment outcomes. You will see us at many employment and job fairs over the duration of the project.

Measles

If you live in Cardiff and the Vale and are unsure if your child has had the MMR vaccine, you are encouraged to [check their personal child health record](#) (red book) in the first instance

If you remain unsure, other options include:
Contacting the Local Child Health Team on 02921 836926 or 02921 836929.
Contacting your GP Practice, avoiding peak times such as early mornings where possible.

Options for MMR vaccination include:
Your GP Practice
Your local Mass Vaccination Centre. Call 02921 841234
Phone lines are open Mon-Fri between 9am and 5pm

Having the MMR vaccine is the best way to prevent having measles and passing it on to others.
In some cases, measles can cause serious complications including pneumonia and meningitis.

Vaccination saves lives

Measles

We are working in partnership with Cardiff and Vale Health Board, enabling children who have missed their scheduled appointments for MMR (measles, mumps and rubella) vaccines to access this in school.

Measles can be very serious for children, and is very easily passed between people who are not vaccinated. There are currently outbreaks of measles in Wales, so we would encourage families to take up the opportunity of their child getting their MMR vaccination if they are offered it by the Health Board. Please note that if your child is invited and you would like your child to have the MMR vaccine which does *not* contain gelatine (Halal), this will be an option you can choose.

Class Charts

What is Class Charts?

Class Charts is an app that can be downloaded to your phone. You can use it to:

- keep track of your child's behaviour
- view attendance records
- access your child's weekly timetable
- be informed of and track detentions
- award your child merits for completing their home reading tasks
- view announcements from school.

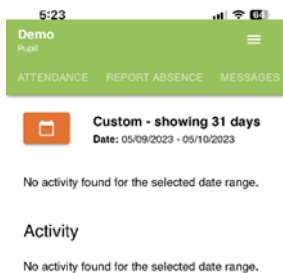

We would like all parents to sign up to Class Charts, as we are also going to be using this as the main way of sending all messages to you. Likewise, from after half term this will also be the main way that you can report your child's absence to us.

Thank you to all parents who have signed up to Class Charts this year and to those of you who continue to use it.

Please let your child's Head of Year know if you need a login code.

How to report an absence on Class Charts

1. Click on your Class Charts app and click on your child's name.

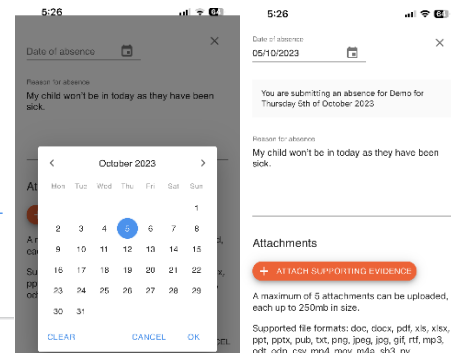

2. Scroll across the green band at the top and click 'report absence'.

3. Click on 'report new absence'

4. Tap the calendar for the date, type in the reason and attach any pictures of medical evidence, such as letters, emails or texts from the doctors, dentist or hospital

5. Click submit...it's as easy as that!

Please contact your child's Head of Year if you have any problems logging on and they will be happy to guide you through the process.

Important information about attendance to school

In an exam, if you got 90% of the questions correct, you would probably think that this is a very good result.

Number of lessons Missed

Unfortunately, this doesn't translate to your child's attendance.

90% attendance for the school year means that your child has **missed 98 lessons**. How are they going to make that time back?

Even **95% attendance** which is the Welsh Government's threshold for good attendance means your child would have **missed 49 lessons** over the school year. This is a lot of work for your child to miss.

The chart above shows how quickly the number of lessons your child misses increases as their attendance drops.

The greatest gift that we can give your child is an amazing set of examination results at the end of Year 11. To provide the best possible conditions for this to happen, your child needs to have as high an attendance percentage as possible.

Pupils are in school for 190 days of the year, **they are not in school for 175 days of the year.**

We believe that this is plenty of time for the majority of appointments to be made out of school hours.

Please consider your child's education before making appointments during the school day, and if you have no option, please consider how they are going to catch up on the work they have missed and report the absence every day through Classcharts.

Every pupil who is not in school is a potential safeguarding concern if we have not been notified by you.

We would be grateful if families would take the information above on board and we look forward to your support.

Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, then rising to **£120** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again. **Please note these fines do not go away.** Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

Lateness to School: Fixed Penalty Notices

Fixed Penalty Notices are already being requested for **poor attendance** and for **term-time holidays**.

After the Easter holidays we will be looking to request Fixed Penalty Notice fines for **lateness to school**. We ask that you speak to your child and discuss the importance of **arriving at school on-time for 9:00am line-up every day**. Your child is missing hours of education if they are consistently late to school.

If your child is regularly late to school then a request for a Fixed Penalty Notice fine will be actioned to the Education Welfare Service. The fine for this is £60, rising to £120, leading to a court summons & increased fines imposed. We **do not** want to have to request this – we would much rather your child be in school on time.

If your child is late to school because of an appointment then please provide evidence to the Attendance Team in the form of an appointment card or letter, etc.

Please help your child to arrive at school in good time. The main gates close at 9am – after this time your child is considered to be late and will need to sign in through Late Gates in the Learning Lounge, and then main reception.

Thank you for your support in this matter.

Uniform Reminder to Parents

Unfortunately, we are seeing a rise in the number of pupils who are attending school wearing the incorrect uniform, especially on days when they have P.E.

We would appreciate the support of families to ensure that pupils come to school appropriately dressed. On the right is the information in our Parent Handbook which sets out clearly the expectation for our pupils at Willows.

We have uniform for a reason, it is to act as a leveller for pupils. Everyone wears the same, so no-one can feel disadvantaged by those who might want to come into school wearing the latest brands and expensive labels. It is also there to ensure that the clothes that are worn are appropriate to the age of your child, not too revealing and suitable for walking around in throughout the day.

Pupils will be sent home to change if they are wearing inappropriate clothing, this will be the school's decision.

We would appreciate if you would discuss this with your child and take steps to ensure that they are appropriately dressed for school when they leave your house in the morning.

The school will make parents aware if there is any change to the school uniform due to increases in temperature, please do not send your child in P.E. kit if the weather is warm.

Crocs are definitely not part of the school uniform! Our Parent Handbook can be accessed on our website or by clicking the link below:

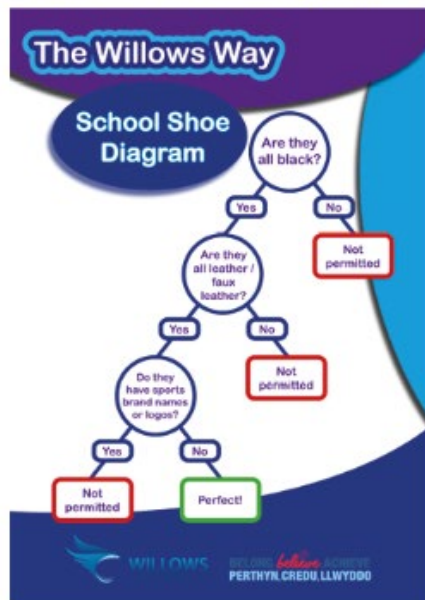

<https://indd.adobe.com/view/1dbf54a5-38cf-494f-9166-50b358b2e824>

If you are intending to buy new P.E. for next year, please remember that it is the Mid-Layer that is the compulsory item and must be worn. If you want to wear the old P.E. tops, they must be worn under the Mid-Layer

P.E. Kit:
 School P.E. midlayer top, plain black sport shorts, plain black tracksuit trousers or plain black sports leggings.
 No jeggings, tight fitting trousers, jeans, jean like trousers or low rise trousers.
 No hoodies

Currently if your child has P.E. they should wear their P.E. kit to school for that day.
 If you are concerned about the cold weather, pupils may wear their blazer as an extra layer of clothing.

Acceptable shoes flow diagram:

Uniform will be checked during the first line-up of the morning.

Pupils who are not wearing correct uniform will be sent home to either change or collect a part of their uniform that was missing

Hair:
 No extreme styles / non natural colours.

Shoes:
 Black leather or faux leather shoes or ankle boots only.
 No canvas, no trainers, no logos.

Black to go with the uniform.
 Leather to be weather resistant.

Mobile phone use in school FAQs

What will happen if my child is using their phone on the school premises or during the school day?

Staff will request that pupils hand their device(s) in, these will be stored in a secure place, in a padded envelope and will be clearly labelled ready for collection at the end of the same day. In an attempt to discourage use of electronic devices we will operate an escalated approach:

- Initial offences - Device handed-in, pupil can collect at the end of the same day, Parent/Carer informed.
- Repeated offences – Device handed-in, parent/carer must collect.
- Continued offences – Device handed-in, parent/carer must collect. Parent/carer to attend a meeting.

In the event of an exceptional circumstance, your child's Head of Year should be made aware and an individual solution will be applied.

Can my child bring their phone/electronic device to school?

Yes of course, we ask that they are switched off and out of sight during the school day and when on the school premises.

What if I can't collect my child's phone/electronic device?

That's ok, we will keep any devices secured at the school until it is convenient for you to collect.

What will happen if my child refuses to hand in their electronic device/mobile phone?

This is something we all want to avoid and as such we will also have an escalated approach to this:

Discussion with Head of Year / SLT > time in the APC until handed in > exclusion

Please encourage your child to not use their device in school to avoid the above escalation, we are giving plenty of advance warning to avoid this.

What happens if I need to speak to my child during the school day?

There are rare occasions whereby you may need to speak with your child for emergency reasons, if this is the case, please contact the school via the main number (02920 414243) and we will endeavour to pass on messages or collect your child to use a school phone. If we feel that your child needs to speak with you, we will provide a private space using a school phone to contact you.

Can devices be used during breaks/lunches?

No, we want pupils to communicate with their friends, develop their social skills and be present with each other.

I really find it hard to separate my child from their phone, can you help?

Yes, absolutely, we want our pupils to use their electronic devices responsibly and in moderation. We can work with you to put in place plans to avoid overuse and misuse and will support you in ensuring your child is meeting the school expectations. We will also be educating pupils on how to use devices responsibly and sharing further information on how parents/carers can monitor their child's use.

The solution to the actual weekly question will be emailed to pupils on **Monday** with the new question.

Answer of the Week

Week 6 – Starting 07.10.24

Pizza Party

A) Since $\frac{1}{3}$ of the students were in Group A, and there were 36 people, that means that there were $36 \div 3 = 12$ students in this group.

B) Group B had $\frac{1}{2}$ of the students in the class, which is equal to $36 \div 2 = 18$ people. Each of these people ate 2 slices, for a total of $18 \times 2 = 36$ slices. Each of these 18 people also split 1 slice. This means that $18 \div 2 = 9$ pairs of students shared a single slice of pizza.

In total the people in Group B ate: $36 + 9 = 45$ slices of pizza.

C) Between Group A and Group B we have accounted for a total of $12 + 18 = 30$ people. The remaining $36 - 30 = 6$ people were in Group C, and they ate 4 slices of pizza each.

D) Since each student in Group A ate half the number of slices Miss Santos predicted, this means each one ate $4 \div 2 = 2$ slices. Therefore, the students in Group A ate a total of $12 \times 2 = 24$ slices of pizza. Students in Group C ate a total of $6 \times 4 = 24$ slices of pizza.

We calculated that students in Group B ate a total of 45 slices of pizza.

So, the people at the party ate a total of $24 + 24 + 45 = 93$ slices. Since a large pizza has 12 slices, we can skip count to see how many pizzas Miss Santos would have needed to have at least 93 slices. Counting by 12 we get: 12, 24, 36, 48, 60, 72, 84, 96.

This means Miss Santos should have ordered 8 pizzas to feed the people at the party.

Numeracy Question of week 7

Question of the week 7

Shape Sums

Each symbol in the grid below represents a numerical value. We know the sum of symbols for the first, second, and bottom rows and the leftmost and rightmost columns.

				16
				19
				?
				20
22	?	?	18	

For example, we know from the grid:

$$\triangle + \triangle + \triangle + \triangle = 16$$

What are the missing sums?

Terms of the week 7

Terms, like terms:

Terms:

A **term** is a piece of an algebraic equation; a number in a sequence or series; a product of real numbers and/or variables.

Example: in the expression $3x + 2y - 7$,

$3x$, $2y$, and -7 are terms.

Like Terms:

Like terms are terms with the same variable and same powers.

Example: in the expression $3x^2 + 2y + 5x + 4x^2 - y - 7$,

$3x^2$ and $4x^2$ are like terms

$2y$ and $-y$ are like terms

MathsWatch

All of our pupils' weekly Mathematics homework is accessible on MathsWatch, which can be found at <https://www.mathswatchvle.com/>. They must be completed by their given deadlines. Each set homework is open for a month, so that pupils can keep improving their scores. This will also help your child to revise and to practice the mathematics and numeracy skills, knowledge and understanding that they have been learning in class. There are videos available for each topic and interactive questions that they can try. Please ensure your child completes and submits their homework on time. Any outstanding homework must still be completed, and they should all aim to achieve 100% on them.

TimesTable Rockstars

Single numeracy boost sessions are provided to all our Year 7, 8 & 9 pupils on a fortnightly basis to enrich their Mathematical Skills, specifically with a focus on times tables. Pupils will be accessing their TTRS accounts and improving their knowledge of the times tables.

At home, pupils should log on to TTRS via their technological devices at home. There is also a phone app that they can download via Apple or Android, free of charge.

All the pupils have 5-10minutes daily tasks on there to help consolidate their times tables. It will also earn them coins to use for customising their own individual avatars. Similarly to MathsWatch, there will be a leaderboard and certificates to reward their efforts.

1	Animesh Joshi	8SC/Ma
2	Ethan Smith	7CA/Ma
3	Azeem Ololde-Ankirun	8SC/Ma

Please congratulate the "Top 3 TTRS", who have improved their speed time in answering times tables questions! Keep practicing everyone!

Cardiff Salad Garden Community Research 2024

Cardiff Salad Garden has two community garden sites in Bute Park and Riverside Community Garden in Pontcanna Allotments.

They work to help people access good quality, locally-grown food, develop their physical and mental wellbeing and feel part of a supportive community.

Please could you take a few minutes to complete the survey below to share your views about how the project could develop.

<https://docs.google.com/forms/d/e/1FAIpQLSdZM9dPoRZh5gIEUV7BLYmFSa2l1Zb4mrMR-smLsIKWPwzvnA/viewform>

The Splott Community Volunteers run a community breakfast on Thursday Mornings 8am – 10am in The STAR Centre, Splott Road, Splott CF24 2BZ.

If you have any of the following spare, please drop them off at the school reception so that we can help Splott Community Volunteers provide food for those in need:

- **Tins:** rice pudding, custard, tuna, chopped or plum tomatoes, soup, any meals in tins
- **Cereals:** corn flakes, bran flakes, rice crispies, shreddie, weatabix
- **Dried items:** pasta, rice, noodles

Willows Garden

Our long-term aim as a school is to make our garden an inviting space not only to educate but to enjoy for pupils and staff with added first-hand experience of growing your own fruit and vegetables. We would love to grow and cook our home-grown ingredients to utilise in our school kitchen or the Willows Pantry. If you want to get involved, please look out for upcoming garden news.

Splo-down

[Splo-down](#) is a member-run community food cooperative open to residents of Adamsdown, Splott, and Tremorfa. They buy food in bulk and use sliding-scale pricing so they can make good quality food accessible to everyone. They currently run a weekly stall 5-7pm every Wednesday where they sell veg boxes and run a zero-waste shop selling other food and household products such as rice, lentils, pasta, spices, and washing up liquid.

They try to source our products from sustainable and ethical suppliers as much as possible. For any questions, please email them at: ask@splo-down.org

Keep Splott Tidy

The annual spooktacular litter pick is almost upon us. Please consider joining Keep Splott Tidy with or without your witched hat to cast a spell and make Splott clean. They will be meeting at 10am on Sunday 27th October at Splott Park behind the Hyb. All equipment will be provided and feel free to dress up! (Remember that the clocks go back so you'll get an extra hour in bed!)

Social Media

Social media is increasingly playing a role in the lives of our pupils and for the majority of time, this is a positive thing. However, we are increasingly seeing how social media can have quite a negative impact on our pupils and in some cases, the impact has been quite significant.

We need to work together to harness all of the positive aspects of social media (and there are many) and to cancel out those aspects which can do harm. Whilst it is easy to focus on the fact that the age guideline for most sites is 13, it is also recognised how difficult it is to stop children from accessing these especially when all of their friends are using a certain platform.

Perhaps a more realistic place to start is to ensure that, if social media sites are to be used then they are set up in a way which helps to protect privacy. For example, most platforms allow you to:

- **set an account to private** (many of our pupils don't do this and some have been approached by people they don't know)
- **not allow friend requests** – again, some pupils have had friend requests from unknown users
- **hide the user's location** – worryingly, so many pupils share their location and with the development of ever more sophisticated software, it is becoming relatively easy to pinpoint exactly where the social media account is being used from (without sharing any address details).

Changing the settings to not allow the issues to happen takes a few minutes and can significantly improve the level of online safety when accessing social media. The NSPCC site 'Keeping children safe online' really is excellent and I would urge all families to access this: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

South Wales Police - Sextortion

We have been informed that South Wales Police are concerned about the rapidly growing number of 'sextortion' cases involving young people across Wales.

This is where individuals are targeted and threatened that inappropriate images of themselves that have been previously uploaded will be shared unless money is sent. This is obviously extremely worrying and the first action must be to ensure that no such photographs or videos exist – and, if they do so, they must be deleted immediately.

The advice to families from South Wales Police is as follows:

- Don't pay, do stop contact and block: you may be tempted to pay, but there is no guarantee that this will stop the threats. As the offender's motive is to get money, once you have shown you can pay, they will likely ask for more and blackmail may continue. If you have paid, don't panic but don't pay anything more. Help your child to stop all communication with the offender and block them on any accounts that they have been contacted on.
- Avoid deleting anything: try not to delete anything that could be used as evidence such as messages, images, telephone numbers, and bank account details.
- Report to the police or CEOP: call 101 or 999 if there is an immediate risk of harm to your child. Or you can use the [CEOP Safety Centre](#) to report any online blackmail attempts.

The NSPCC website is also a very good source of information and support should you require it.

Wellbeing in school

At Willows High School, we aim to promote positive mental health and wellbeing for our whole school community; pupils, staff and families, and recognise how important mental health and emotional wellbeing is to our lives in just the same way as physical health. We recognise that children's mental health is a crucial factor in their overall wellbeing and can affect their learning and achievement. All children go through ups and downs through their school career/life and some face significant life events.

Our aim is to help develop the protective factors which build resilience to mental health problems and be a school where:

- All pupils are valued
- Pupils have a sense of belonging and feel safe
- Pupils feel able to talk openly with trusted adults about their problems without feeling any stigma
- Positive mental health is promoted and valued
- Bullying is not tolerated

Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go: Staff in the Learning Lounge are here to look after your wellbeing so please come down for a confidential chat.

If you are a young carer and feel you need more support or would like to know about more opportunities out there for you, Ms. Mackintosh, our Safeguarding Officer, can provide information on what is available.

Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.

A member of staff you trust. All members of staff will be there for you. If you want to confide in someone please do and they will help get you the support you need.

Allergies

At Willows, we are very conscious of pupil and staff sensitivity to the 14 food allergens. The food that our canteen produces is clearly labelled and the pupil information displayed at the tills identifies any allergies that the pupil in front of them has.

We do have a number of staff and pupils who have strong reactions to certain allergens, **particularly nuts**, so we ask for the support of all families to be aware of what your child is bringing into school and be sympathetic to the sensitivities of our school community.

We cannot 100% guarantee that the school is nut free, it is not possible to check what food is brought into school by every pupil, every day. We ask for your support in ensuring that the risks of allergic reactions are minimised.

For more information on allergies, please visit <https://www.allergyuk.org/>.

Period Dignity

We have been working hard to reduce the stigma over periods for the last two years in line with all Wales objectives. We are hoping to achieve the 'Period Standard' award soon. Please take a few moments to familiarise yourself with the document featured in the link below:

<https://www.gov.wales/sites/default/files/publications/2023-02/period-dignity-strategic-action-plan-young-people%27s-version.pdf>

Just a reminder that school can provide tampons, pads, menstrual cups and period pants for pupils which are provided by the LA. Please direct pupils to form tutors, the Welfare Office, the Main Office or to Mrs. Bubbins if you think they may need help with this.

All Year 8 pupils will be receiving a 'Period Dignity' workshop from qualified advisors from Brook on Wednesday 8th December. Please e-mail Mrs. Bubbins, in advance, Kelly.bubbins@willows.cardiff.sch.uk if you have any questions about this.

We would like to hear your views on improving period provision. We have implemented many of your ideas from our last survey and value your opinions. The link to the Parent Questionnaire is here:

<https://forms.office.com/e/RBkJKggA1Z>

Likewise, we would like more feedback from our pupils in this area. The link to the Pupil Questionnaire is here:

<https://forms.office.com/e/i2wscPQX7s>

Please take time to help us, help you have a dignified period.

A reminder that pupils can collect free period products from school at any time. Pupils can ask any trusted adult for these or can access them in the school office, from Mrs. Bubbins or from the Welfare Office.

Safeguarding:

A reminder that the school safeguarding lead is Danielle MacKintosh. If you are worried or concerned about a child and any time (including over the holidays) then please e-mail her on Danielle.Mackintosh@willows.cardiff.sch.uk If you are a pupil that needs help, please also contact Danielle via this e-mail address.

Chat Health:

A reminder that all secondary school pupils can text the school nurse service for any medical support and advice. This may be useful if your child is too anxious or embarrassed to talk to a doctor in the first instance. Please chat about this with your child and make them aware of the service and number (below):

The graphic is split into two main sections. The left section is a teal box with white text that reads: 'IF YOU'RE 11-19 YEARS OLD TEXT YOUR SCHOOL NURSE ON 07520 615718 FOR CONFIDENTIAL ADVICE AND SUPPORT'. Below this is an illustration of a hand holding a smartphone displaying a text message conversation. The right section is a white box with a teal border, featuring the 'ChatHealth' logo and 'CIG 2019' logo. It lists various health issues: 'BULLYING', 'SMOKING', 'EMOTIONAL WELLBEING', 'FEELING SAD OR ANGRY', 'STRESS', 'HEALTHY EATING CHANGES YOUR BODY', 'DRUGS', 'ALCOHOL', and 'RELATIONSHIPS'. At the bottom, there is a small disclaimer: 'We do not usually inform your parents, teachers or anyone else if you contact the school nurse. We might inform someone if we are concerned about your safety, but we would usually discuss it with you first. Your messages are stored and can be seen by other staff from the school who follow the same confidentiality rules. We aim to reply to you within your working day and you should get an automatic response back to confirm we received your text. There is not a charge for sending text messages. If you have any queries, please contact your school. There is not a charge for sending text messages. Our text number does not accept voice calls or text messages. We cannot message back or make numbers only text or video. We do not include messages sent from landlines, international mobile numbers and some number ranging mobile apps. Please let the school know how sending messages to you by texting 07520 615718. Please respect your school's mobile phone policy. Messages are charged at your usual rate.'
