## Year 10 Careers Carousel

This week the whole of Year 10 took part in a Careers Carousel, which involved talks from a variety of industries. Our visitors were from

- Principality Building Society
- Morgan Sindall Construction
- Network Rail
- Cardiff & Vale University Health Board
- Home Office
- Gallen, our allocated careers advisor from Careers Wales

The aim of the carousel was to give pupils an insight into these different industries and make them aware of the range of jobs that they encompass. Gael spoke to the pupils about their options when they leave school – including college, apprenticeships and jobs.

As always, the vast majority of pupils were excellent and interacted with the visitors really well. Hopefully, it gave them an insight into some of the jobs that exist and the entry routes within those industries.

A huge thank you to all our visitors and to Adrian Cole from Careers Wales who organised the employer visits.

## Careers Wales

Careers Wales is committed to ensuring that parents are empowered and suitably prepared to support their child in their career planning.

In addition to the information and tools available on our website, we create a newsletter for parents every term.

We are pleased to share our autumn newsletter with you. Please click on the links below, One version is written for parents and carers of children in mainstream education. The second version is for parents and carers of children with additional learning needs.

## Basketball

This week, the Year 11 basketball team played St Illtyds School. In their 3rd competitive game this season, the boys played really well. Their defence, in particular, was superb and we limited the other teams scoring opportunities.

In a game of 4 x 12-minute quarters, Willows won all 4 of quarters. The game finished, with the score Willows 39 – St Illtyds 10.

A tremendous effort considering that we are not used to playing on such a large court,

which was also very slippery underfoot. That makes it 2 wins out of 3 games this season.

This was also the first full game that the boys got to wear their brand-new basketball kit. Many thanks to our Valued Partners at Arup for their sponsorship. The kit is superb and the boys are really proud to wear it.

## Estyn

This week the school has hosted eight Inspectors from Estyn who have been visiting lessons, walking the corridors & yards, taking part in Enrichment sessions and talking to staff, pupils, Governors and parents. Thank you to all of the parents who completed questionnaires and attended the meeting with the Inspectors on Monday. We look forward to their report which will be published on January 16<sup>th</sup> 2025.

## Special Resource Base

This week SRBKW have been reading *The Gruffalo* and doing lots of exciting work including, drawing story maps, sequencing pictures in the correct order and writing sentences to describe them. The pupils designed their very own Gruffalo which Mrs Nurmohamed sent to Julia Donaldson (the author). We are all waiting patiently for her response. They even had a surprise visit from the Fox!!!!

The SRBKW have also been busy reading *Charlie and the Chocolate Factory* by Roald Dahl. We kicked off the week with some chocolate tasting. Dark chocolate was not popular! Then we designed our own chocolate bars which we are going to make today.

We also made some bird feeders for our garden space using apples. As the weather gets colder it is important to look after our feathered friends as they have less food available to them. We spotted some crows tucking in yesterday afternoon.

Dear parent or guardian,

The School Nursing Immunisation Team will visit school on 29/11/2024 to offer children a nasal spray flu vaccine.

The NHS recommends that your child has a flu vaccination every year.

Please read the information enclosed and complete the consent form as soon as possible and no later than 5 days before the day of the session. Any late forms may result in your child not receiving the nasal spray at school and an offer of a catch-up clinic will be made. To access the consent form, please use the link below or scan the QR code with the camera on your mobile phone to access the E-Consent Form.

<https://forms.office.com/Pages/ResponsePage.aspx?id=uChWuyjjgkCoVkM8ntyProwc0tRo7SIfoDpDo7y1M5RUQ1BFV0hZQkcwV0c4UzNWQjMzS01SVFI1Ri4u>

It's very important to protect your child from flu this winter to make sure they stay as healthy as possible. The best flu vaccine for most children is a nasal spray. This is the vaccine that will be given on the day.

If you want more information about flu vaccination for children, please contact the School nursing Immunisation

team, or visit [phw.nhs.wales/flu vaccine](http://phw.nhs.wales/flu vaccine)

An animated video for primary school aged children about flu and the flu vaccine is available at: [phw.nhs.wales/AboutTheFluVaccine](http://phw.nhs.wales/AboutTheFluVaccine)

Please keep this letter, as it contains the date of the vaccination session and contact details.

Yours sincerely,

School Nursing Immunisation Team

After you have returned the consent form, please contact the immunisation team on 02920 907661/664 before the vaccination session if: there are any changes to your child's health, or, their asthma medication is increased, or they are prescribed oral steroids they become wheezy, or, your child has already received the vaccine elsewhere Note: There are a very small number of children who should not have the nasal flu vaccine. Please see the information enclosed for more detail, or look at [phw.nhs.wales/flu vaccine](http://phw.nhs.wales/flu vaccine)

## Careers Wales Quality Award Pilot

Willows High School has been selected, by Careers Wales, to take part in the second phase of the pilot scheme for the new Careers Wales Quality Award.

The new award which is aligned with the Curriculum for Wales will support schools to create high quality careers and work-related experiences (CWRE). It will replace the existing Careers Wales Mark, which Willows High gained in 2020.

The Careers Wales Quality Award aims to support schools with learners aged 3 to 16. It will support the development of purposeful and relevant CWRE across the curriculum. The award has 3 stages, each with a different focus.

**Stage 1 – Leadership** - This stage is about formulating and maintaining the commitment to lead the development of CWRE.

**Stage 2 – Development** - This stage is about realising CWRE in the curriculum through professional learning, stakeholder engagement and effective teaching and learning.

**Stage 3 – Impact** - This stage is about demonstrating impact in CWRE.

Willows High is one of only 21 secondary schools throughout Wales to be offered a place on the pilot scheme for the new award.

Curriculum Coordinators from Careers Wales will work closely with the school to develop the best model for the Careers Wales Quality Award. Together we will develop and refine:

- Assessment methods
- Evidence
- Documentation
- Professional learning requirements

The offer to be part of the pilot scheme shows how well Willows High School are doing in terms of career opportunities and employer provision to the pupils. This is a real “feather in our cap” and the award will show the continued high standards that we expect at Willows.

## School Essentials Grant

Registering as eligible for free school meals with your Local Authority unlocks access to the School Essentials Grant. It also means schools get more funding. With the introduction of free school meals for primary pupils, many parents/carers do not realise that schools will lose out unless they continue to register as eligible. Even if you don't need the grant, registering here: <https://www.gov.wales/get-help-school-costs> will mean schools get additional funding.

## Know the law on e-bikes and e-scooters

Road Safety Wales shared information to highlight the law surrounding e-bikes and e-scooters with secondary schools, colleges and organisations working with young people.

Some people may have innocently purchased an e-bike or e-scooter, unaware that they could be breaking the law when riding it and putting members of the public at risk of being injured if they are involved in a collision.

The Road Safety Wales partnership developed a bilingual information sheet and short educational films, with the assistance of the road safety team at Carmarthenshire County Council.

The films are available to view on the Road Safety Wales YouTube channel in [Welsh](#) and [English](#) and a bilingual information sheet can be downloaded [here](#).

We would like to see as many people as possible travelling actively, particularly as the health benefits far outweigh travelling in a vehicle, but we want everyone to ensure that they are staying safe and legal.

If you have any questions, please don't hesitate to contact us by e-mailing: [communication@roadsafetymwales.org.uk](mailto:communication@roadsafetymwales.org.uk). You can also find contact details for your local road safety team [here](#).

## Bingo & Curry Night

On Thursday night, the Year 11 team hosted their first fundraiser for the 2025 Willows High School Prom. The evening was full of laughs, good food and great entertainment, courtesy of Mrs Watkins with her incredible bingo puns and Karen Hunt, who secured us some fabulous prizes. Thank you to everyone who attended and congratulations to all of our winners.

## Nigerian Cultural Breakfast

We would like to invite all our pupils of Nigerian heritage to a cultural breakfast on Friday 22<sup>nd</sup> November 2024, in the lower canteen from 8.45 am to 9.30 am. Pupils are invited to bring sample of their favourite Nigerian food to entice and share with others.

## French and History Trip

In our assemblies this week Mr Henwood explained the significance of Remembrance Day and spoke about the people from Wales, the UK and the Commonwealth who gave their lives in conflict. We remember and commemorate their sacrifice by wearing poppies and taking part in Remembrance services.

Mrs Brace then introduced the French and History Trip which will take place from 9th-12th December 2025. The trip will include visits to the Somme and several sites of Remembrance, as well as the Arras Christmas Market, Cite Europe and Nausicaa – the largest aquarium in Europe.

The cost of the trip is £439.99 and includes all of the travel, accommodation, insurance, entrance fees and all food apart from one lunch.

Letters with more information will be available on ClassCharts and from Mr Henwood and Mrs Brace from Monday 18th November.

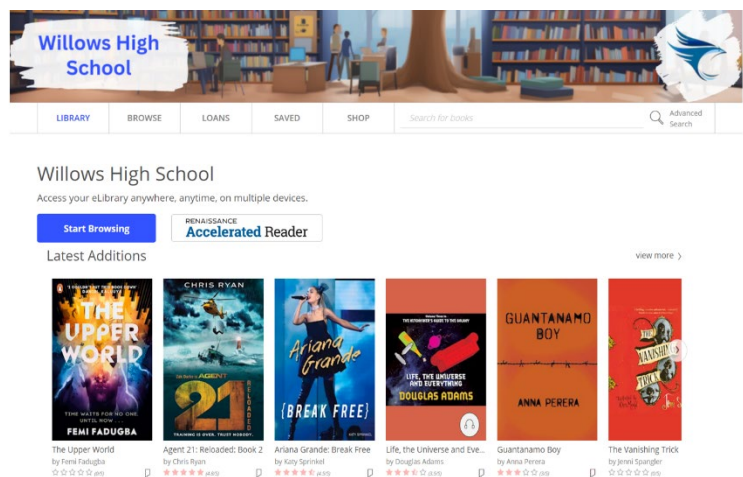

## E Platform Learning

We are pleased to confirm that our subscription for E-Platform is now live. All pupils have been provided with an account and login details. A letter confirming these details will also be sent out shortly.

E-Platform is an online library where our pupils can choose and read books of their choice in line with their reading age. It is a great addition to our school and allows pupils to read anytime and anywhere.

The E-books can be accessed via the E-platform app, which can be downloaded via the QR code below. Alternatively, use the following website: <https://willowshighschool.eplatform.co/> To use please use setup code 5452. Your username will be the same as your STAR test, password is *book*. All pupils have been provided with these details but please ask your English or J7 teacher will have these details if you are unsure.

STAR tests for this term have also been completed for KS3 and results will be shared shortly. As a reminder, we ask that all pupils read for a minimum of 20 minutes a day. This will have a huge impact on their literacy levels and ensure success in school and beyond. If you have any concerns about your child's reading, please do not hesitate to contact their English or J7 teacher.

## Class Charts

### What is Class Charts?

Class Charts is an app that can be downloaded to your phone. You can use it to:

- keep track of your child's behaviour
- view attendance records
- access your child's weekly timetable
- be informed of and track detentions
- award your child merits for completing their home reading tasks
- view announcements from school.

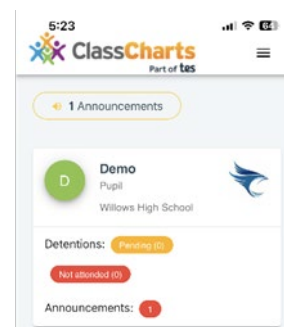

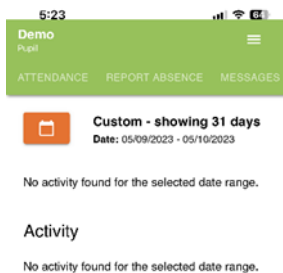

We would like all parents to sign up to Class Charts, as we are also going to be using this as the main way of sending all messages to you. Likewise, from after half term this will also be the main way that you can report your child's absence to us.

Thank you to all parents who have signed up to Class Charts this year and to those of you who continue to use it.

**Please let your child's Head of Year know if you need a login code.**

### How to report an absence on Class Charts

1. Click on your Class Charts app and click on your child's name.

2. Scroll across the green band at the top and click 'report absence'.

3. Click on 'report new absence'

4. Tap the calendar for the date, type in the reason and attach any pictures of medical evidence, such as letters, emails or texts from the doctors, dentist or hospital

5. Click submit...it's as easy as that!

**Please contact your child's Head of Year if you have any problems logging on and they will be happy to guide you through the process.**

## Important information about attendance to school

In an exam, if you got 90% of the questions correct, you would probably think that this is a very good result.

### Number of lessons Missed

Unfortunately, this doesn't translate to your child's attendance.

**90% attendance** for the school year means that your child has **missed 98 lessons**. How are they going to make that time back?

Even **95% attendance** which is the Welsh Government's threshold for good attendance means your child would have **missed 49 lessons** over the school year. This is a lot of work for your child to miss.

The chart above shows how quickly the number of lessons your child misses increases as their attendance drops.

The greatest gift that we can give your child is an amazing set of examination results at the end of Year 11. To provide the best possible conditions for this to happen, your child needs to have as high an attendance percentage as possible.

Pupils are in school for 190 days of the year, **they are not in school for 175 days of the year.**

We believe that this is plenty of time for the majority of appointments to be made out of school hours.

Please consider your child's education before making appointments during the school day, and if you have no option, please consider how they are going to catch up on the work they have missed and report the absence every day through Classcharts.

**Every pupil who is not in school is a potential safeguarding concern if we have not been notified by you.**

We would be grateful if families would take the information above on board and we look forward to your support.

## Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, then rising to **£120** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again. **Please note these fines do not go away.** Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

## Lateness to School: Fixed Penalty Notices

Fixed Penalty Notices are already being requested for **poor attendance** and for **term-time holidays**.

After the Easter holidays we will be looking to request Fixed Penalty Notice fines for **lateness to school**. We ask that you speak to your child and discuss the importance of **arriving at school on-time for 9:00am line-up every day**. Your child is missing hours of education if they are consistently late to school.

If your child is regularly late to school then a request for a Fixed Penalty Notice fine will be actioned to the Education Welfare Service. The fine for this is £60, rising to £120, leading to a court summons & increased fines imposed. We **do not** want to have to request this – we would much rather your child be in school on time.

If your child is late to school because of an appointment then please provide evidence to the Attendance Team in the form of an appointment card or letter, etc.

Please help your child to arrive at school in good time. The main gates close at 9am – after this time your child is considered to be late and will need to sign in through Late Gates in the Learning Lounge, and then main reception.

Thank you for your support in this matter.

**Uniform Reminder to Parents**

Unfortunately, we are seeing a rise in the number of pupils who are attending school wearing the incorrect uniform, especially on days when they have P.E.

We would appreciate the support of families to ensure that pupils come to school appropriately dressed. On the right is the information in our Parent Handbook which sets out clearly the expectation for our pupils at Willows.

We have uniform for a reason, it is to act as a leveller for pupils. Everyone wears the same, so no-one can feel disadvantaged by those who might want to come into school wearing the latest brands and expensive labels. It is also there to ensure that the clothes that are worn are appropriate to the age of your child, not too revealing and suitable for walking around in throughout the day.

Pupils will be sent home to change if they are wearing inappropriate clothing, this will be the school's decision.

We would appreciate if you would discuss this with your child and take steps to ensure that they are appropriately dressed for school when they leave your house in the morning.

The school will make parents aware if there is any change to the school uniform due to increases in temperature, please do not send your child in P.E. kit if the weather is warm.

Crocs are definitely not part of the school uniform! Our Parent Handbook can be accessed on our website or by clicking the link below:

<https://indd.adobe.com/view/1dbf54a5-38cf-494f-9166-50b358b2e824>

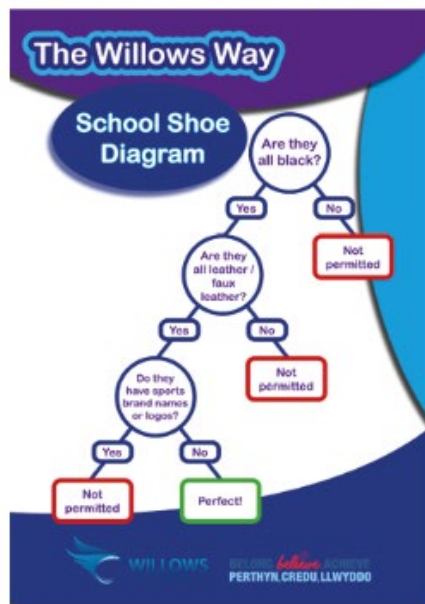

**If you are intending to buy new P.E. for next year, please remember that it is the Mid-Layer that is the compulsory item and must be worn. If you want to wear the old P.E. tops, they must be worn under the Mid-Layer**

**P.E. Kit:**  
 School P.E. midlayer top, plain black sport shorts, plain black tracksuit trousers or plain black sports leggings.  
 No jeggings, tight fitting trousers, jeans, jean like trousers or low rise trousers.  
 No hoodies

Currently if your child has P.E. they should wear their P.E. kit to school for that day.  
 If you are concerned about the cold weather, pupils may wear their blazer as an extra layer of clothing.

**Acceptable shoes flow diagram:**

**Hair:**  
 No extreme styles / non natural colours.

**Shoes:**  
 Black leather or faux leather shoes or ankle boots only.  
 No canvas, no trainers, no logos.

**Black to go with the uniform.**  
 Leather to be weather resistant.

Uniform will be checked during the first line-up of the morning.

Pupils who are not wearing correct uniform will be sent home to either change or collect a part of their uniform that was missing

## Mobile phone use in school FAQs

### What will happen if my child is using their phone on the school premises or during the school day?

Staff will request that pupils hand their device(s) in, these will be stored in a secure place, in a padded envelope and will be clearly labelled ready for collection at the end of the same day. In an attempt to discourage use of electronic devices we will operate an escalated approach:

- Initial offences - Device handed-in, pupil can collect at the end of the same day, Parent/Carer informed.
- Repeated offences – Device handed-in, parent/carer must collect.
- Continued offences – Device handed-in, parent/carer must collect. Parent/carer to attend a meeting.

In the event of an exceptional circumstance, your child's Head of Year should be made aware and an individual solution will be applied.

### Can my child bring their phone/electronic device to school?

Yes of course, we ask that they are switched off and out of sight during the school day and when on the school premises.

### What if I can't collect my child's phone/electronic device?

That's ok, we will keep any devices secured at the school until it is convenient for you to collect.

### What will happen if my child refuses to hand in their electronic device/mobile phone?

This is something we all want to avoid and as such we will also have an escalated approach to this:

Discussion with Head of Year / SLT > time in the APC until handed in > exclusion

Please encourage your child to not use their device in school to avoid the above escalation, we are giving plenty of advance warning to avoid this.

### What happens if I need to speak to my child during the school day?

There are rare occasions whereby you may need to speak with your child for emergency reasons, if this is the case, please contact the school via the main number (02920 414243) and we will endeavour to pass on messages or collect your child to use a school phone. If we feel that your child needs to speak with you, we will provide a private space using a school phone to contact you.

### Can devices be used during breaks/lunches?

No, we want pupils to communicate with their friends, develop their social skills and be present with each other.

### I really find it hard to separate my child from their phone, can you help?

Yes, absolutely, we want our pupils to use their electronic devices responsibly and in moderation. We can work with you to put in place plans to avoid overuse and misuse and will support you in ensuring your child is meeting the school expectations. We will also be educating pupils on how to use devices responsibly and sharing further information on how parents/carers can monitor their child's use.

## Numeracy Terms and Question of Week 10, starting 11/11/2024

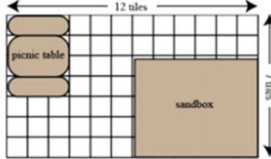

To help our pupils boost their mathematical vocabulary and Numeracy skills, The "Terms & Question of the week" will be emailed to them in a weekly basis.

Any questions, please email: [Halima.Ait-Brahim@willows.cardiff.sch.uk](mailto:Halima.Ait-Brahim@willows.cardiff.sch.uk)

The solution to the actual weekly question will be emailed to pupils on **Monday** with the new question.

**Answer of the week 9**

**Making Plans:**  
A) How many foam tiles do the students need to complete this job?  
There are 12 groups of 7 tiles or  $12 \times 7$  tiles. Simply counting the small squares of a  $12 \times 7$  grid determines that there are 84 small squares in the grid.  
Rather than counting, the number of tiles in the play area can be calculated using multiplication.  
One way of calculating the product  $12 \times 7$  is by breaking 12 into  $10 + 2$ .  
We know that  $10 \times 7 = 70$ , and  $2 \times 7 = 14$ . We can add these together to determine the value of  $12 \times 7$ .  
That is,  $12 \times 7 = 70 + 14 = 84$ .  
Therefore, the answer is 84 tiles.

B) If each foam tile is 0.5 m by 0.5 m, how many metres of rubber trim is needed to surround the entire play area?  
If every tile is 0.5 m or 12 m or 50 cm, then 2 adjacent tiles would have a length of 1 m. Thus 12 tiles would have a length of 6 m, and 7 tiles would have a length of 3.5 m.  
Therefore, the play area has dimensions 6 m and 3.5 m.  
To find the amount of rubber trim for the play area, we need to determine its perimeter. This may be calculated by adding the lengths of all sides.  
 $3.5 \text{ m} + 6 \text{ m} + 3.5 \text{ m} + 6 \text{ m} = 19 \text{ m}$   
Thus, 19 m of rubber trim is required.

### Numeracy Answer for week 9

### Numeracy Question for week 10

**Question of the week 10**

**Fund Raising:**  
Year 10 Farah form is raising funds for a tree-planting charity by recycling electronics. They have found a local company that will give them £1 for each pound of computer e-waste and £2 for each pound of cell phone e-waste.  
The school only has metric measuring tools. Here is what they have gathered to recycle:

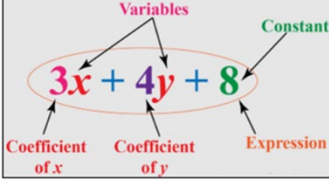

Computers	Cell Phones
<ul style="list-style-type: none"> <li>• 6 Bonobo laptops: 800 g each</li> <li>• 4 iPads: 600 g each</li> <li>• 2 HomeBooks: 1.2 kg each</li> </ul>	<ul style="list-style-type: none"> <li>• 2 iPhones: 375 g each</li> <li>• 4 Mixel phones: 100 g each</li> </ul>

Knowing that 1 pound is approximately 454 g, find an estimation of how much money Room 9 will make. Justify your answer.

**Term of the week 10**

**Coefficient:**  
A coefficient is a letter or number representing a numerical quantity attached to a term (usually at the beginning).  
For examples:

- x is the coefficient of the expression (a + b): x (a + b)
- 3 is the coefficient in the term: 3y
- Another example below:

## MathsWatch

All of our pupils' weekly Mathematics homework is accessible on MathsWatch, which can be found at <https://www.mathswatchvle.com/>. They must be completed by their given deadlines. Each set homework is open for a month, so that pupils can keep improving their scores. This will also help your child to revise and to practice the mathematics and numeracy skills, knowledge and understanding that they have been learning in class. There are videos available for each topic and interactive questions that they can try. Please ensure your child completes and submits their homework on time. Any outstanding homework must still be completed, and they should all aim to achieve 100% on them.

## TimesTable Rockstars

Single numeracy boost sessions are provided to all our Year 7, 8 & 9 pupils on a fortnightly basis to enrich their Mathematical Skills, specifically with a focus on times tables. Pupils will be accessing their TTRS accounts and improving their knowledge of the times tables.

At home, pupils should log on to TTRS via their technological devices at home. There is also a phone app that they can download via Apple or Android, free of charge.

**All the pupils have 5-10minutes daily tasks** on there to help consolidate their times tables. It will also earn them coins to use for customising their own individual avatars. Similarly to MathsWatch, there will be a leaderboard and certificates to reward their efforts.

**Willows Garden**

Our long-term aim as a school is to make our garden an inviting space not only to educate but to enjoy for pupils and staff with added first-hand experience of growing your own fruit and vegetables. We would love to grow and cook our home-grown ingredients to utilise in our school kitchen or the Willows Pantry. If you want to get involved, please look out for upcoming garden news.

**Splo-down**

Splo-down is a member-run community food cooperative open to residents of Adamsdown, Splott, and Tremorfa. They buy food in bulk and use sliding-scale pricing so they can make good quality food accessible to everyone. They currently run a weekly stall 5-7pm every Wednesday where they sell veg boxes and run a zero-waste shop selling other food and household products such as rice, lentils, pasta, spices, and washing up liquid. They try to source our products from sustainable and ethical suppliers as much as possible. For any questions, please email them at: [ask@splo-down.org](mailto:ask@splo-down.org)

**Social Media**

Social media is increasingly playing a role in the lives of our pupils and for the majority of time, this is a positive thing. However, we are increasingly seeing how social media can have quite a negative impact on our pupils and in some cases, the impact has been quite significant.

We need to work together to harness all of the positive aspects of social media (and there are many) and to cancel out those aspects which can do harm. Whilst it is easy to focus on the fact that the age guideline for most sites is 13, it is also recognised how difficult it is to stop children from accessing these especially when all of their friends are using a certain platform.

Perhaps a more realistic place to start is to ensure that, if social media sites are to be used then they are set up in a way which helps to protect privacy. For example, most platforms allow you to:

- **set an account to private** (many of our pupils don't do this and some have been approached by people they don't know)
- **not allow friend requests** – again, some pupils have had friend requests from unknown users
- **hide the user's location** – worryingly, so many pupils share their location and with the development of ever more sophisticated software, it is becoming relatively easy to pinpoint exactly where the social media account is being used from (without sharing any address details).

Changing the settings to not allow the issues to happen takes a few minutes and can significantly improve the level of online safety when accessing social media. The NSPCC site 'Keeping children safe online' really is excellent and I would urge all families to access this: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

## South Wales Police - Sextortion

We have been informed that South Wales Police are concerned about the rapidly growing number of 'sexortion' cases involving young people across Wales.

This is where individuals are targeted and threatened that inappropriate images of themselves that have been previously uploaded will be shared unless money is sent. This is obviously extremely worrying and the first action must be to ensure that no such photographs or videos exist – and, if they do so, they must be deleted immediately.

The advice to families from South Wales Police is as follows:

- Don't pay, do stop contact and block: you may be tempted to pay, but there is no guarantee that this will stop the threats. As the offender's motive is to get money, once you have shown you can pay, they will likely ask for more and blackmail may continue. If you have paid, don't panic but don't pay anything more. Help your child to stop all communication with the offender and block them on any accounts that they have been contacted on.
- Avoid deleting anything: try not to delete anything that could be used as evidence such as messages, images, telephone numbers, and bank account details.
- Report to the police or CEOP: call 101 or 999 if there is an immediate risk of harm to your child. Or you can use the [CEOP Safety Centre](#) to report any online blackmail attempts.

The NSPCC website is also a very good source of information and support should you require it.

## Wellbeing in school

At Willows High School, we aim to promote positive mental health and wellbeing for our whole school community; pupils, staff and families, and recognise how important mental health and emotional wellbeing is to our lives in just the same way as physical health. We recognise that children's mental health is a crucial factor in their overall wellbeing and can affect their learning and achievement. All children go through ups and downs through their school career/life and some face significant life events.

Our aim is to help develop the protective factors which build resilience to mental health problems and be a school where:

- All pupils are valued
- Pupils have a sense of belonging and feel safe
- Pupils feel able to talk openly with trusted adults about their problems without feeling any stigma
- Positive mental health is promoted and valued
- Bullying is not tolerated

## Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go: Staff in the Learning Lounge are here to look after your wellbeing so please come down for a confidential chat.

If you are a young carer and feel you need more support or would like to know about more opportunities out there for you, Ms. Mackintosh, our Safeguarding Officer, can provide information on what is available.

Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.

A member of staff you trust. All members of staff will be there for you. If you want to confide in someone please do and they will help get you the support you need.

**Allergies**

At Willows, we are very conscious of pupil and staff sensitivity to the 14 food allergens. The food that our canteen produces is clearly labelled and the pupil information displayed at the tills identifies any allergies that the pupil in front of them has.

We do have a number of staff and pupils who have strong reactions to certain allergens, **particularly nuts**, so we ask for the support of all families to be aware of what your child is bringing into school and be sympathetic to the sensitivities of our school community.

We cannot 100% guarantee that the school is nut free, it is not possible to check what food is brought into school by every pupil, every day. We ask for your support in ensuring that the risks of allergic reactions are minimised.

For more information on allergies, please visit <https://www.allergyuk.org/>.

Just a reminder that school can provide tampons, pads, menstrual cups and period pants for pupils which are provided by the LA. Please direct pupils to form tutors, the Welfare Office, the Main Office or to Mrs. Bubbins if you think they may need help with this.

All Year 8 pupils will be receiving a 'Period Dignity' workshop from qualified advisors from Brook on Wednesday 8<sup>th</sup> December. Please e-mail Mrs. Bubbins, in advance, [Kelly.bubbins@willows.cardiff.sch.uk](mailto:Kelly.bubbins@willows.cardiff.sch.uk) if you have any questions about this.

We would like to hear your views on improving period provision. We have implemented many of your ideas from our last survey and value your opinions. The link to the Parent Questionnaire is here:

<https://forms.office.com/e/RBkJKggA1Z>

Likewise, we would like more feedback from our pupils in this area. The link to the Pupil Questionnaire is here:

<https://forms.office.com/e/i2wscPQX7s>

Please take time to help us, help you have a dignified period.

A reminder that pupils can collect free period products from school at any time. Pupils can ask any trusted adult for these or can access them in the school office, from Mrs. Bubbins or from the Welfare Office.

## Safeguarding:

A reminder that the school safeguarding lead is Danielle MacKintosh. If you are worried or concerned about a child and any time (including over the holidays) then please e-mail her on [Danielle.Mackintosh@willows.cardiff.sch.uk](mailto:Danielle.Mackintosh@willows.cardiff.sch.uk) If you are a pupil that needs help, please also contact Danielle via this e-mail address.

## Chat Health:

A reminder that all secondary school pupils can text the school nurse service for any medical support and advice. This may be useful if your child is too anxious or embarrassed to talk to a doctor in the first instance. Please chat about this with your child and make them aware of the service and number (below):

The graphic is split into two main sections. The left section is a teal box with white text that reads: 'IF YOU'RE 11-19 YEARS OLD TEXT YOUR SCHOOL NURSE ON 07520 615718 FOR CONFIDENTIAL ADVICE AND SUPPORT'. Below this is an illustration of a hand holding a smartphone displaying a text message conversation. The right section is a white box with a teal border, featuring the 'ChatHealth' logo and 'CIG CYS' logo. It lists various health issues: 'BULLYING', 'SMOKING', 'EMOTIONAL WELLBEING', 'FEELING SAD OR ANGRY', 'STRESS', 'HEALTHY EATING CHANGES YOUR BODY', 'DRUGS', 'ALCOHOL', and 'RELATIONSHIPS'. At the bottom, there is a small disclaimer: 'We do not usually inform your parents, teachers or anyone else if you contact the school nurse. We might inform someone if we are concerned about your safety, but we would usually discuss it with you first. Your messages are stored and can be seen by other staff from the school who follow the same confidentiality rules. We aim to reply to you within your working day and you should get an automatic response back to confirm we received your text. There is not an out of hours service. If you need help before you have back to school, contact a member of our staff or your doctor. Our text number does not accept voice calls or text in Welsh. We cannot message back on mobile numbers only text or email. We do not include messages sent from landlines, international mobile numbers and some number ranging mobile apps. Please let the school know how sending messages to you by texting 07520 615718. Please respect your school's mobile phone policy. Messages are charged at your usual rate.'
