Weekly Newsletter – 06.12.2024

Hello! مرحباً! Ahoj! Ola! Dzień dobry! Salut! Hello!

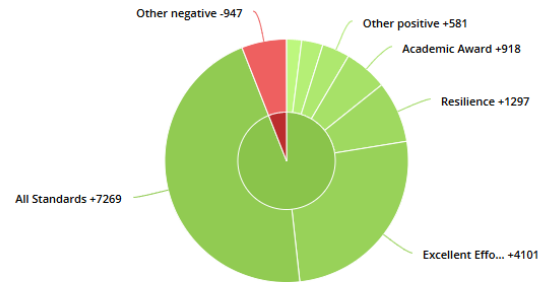

Belong, Believe, Achieve:

It's been a busy week with our pupils competing in sporting events, watching musicals, completing their catering and performance examinations, preparing their presentations for the Genius Hour final, attending career presentations and visiting local film studios. I'm constantly amazed how we fit it all in. Thank you to Mrs. Ait Brahim and Miss Santos for hosting the Numeracy competitions during Tutor Time this week.

Merits: 02.12.2024-06.12.2024

We respect the effort that our pupils are putting into their character and studies. A huge Willows well done to all of this week's merit winners.

School Council

We are looking for pupils from all of the diverse groups that make up our school community, from all year groups to join our School Council. We want to recruit pupils to help us continue to make Willows High School better and better. We want everyone to look forward to coming to Willows, we want everyone to have what they need to be successful in the future and we want everyone to maximise their achievements during their time here. If you think you've got what it takes to help make this a reality, fill in and return an application form which is available from your Head of Year. Bring your bright ideas to life!

Year 9 basketball

Last week, the Year 9 basketball team took part in the Cardiff Schools Basketball Tournament. This was their first ever event, having only played one competitive basketball match beforehand.

After two narrow defeats in their opening games, the boys then went on to beat both Glantaf and St Teilos to come away with two victories on the day. This is a tremendous effort as we faced schools that have a great deal more experience of playing basketball than Willows.

Our Valued Partners

Playing in a tournament against a variety of other schools, most of whom brought the majority of players from Year 10, is a challenge. Our boys coped really well, and more importantly, enjoyed the whole experience.

This week, the Year 9 basketball team played St Illtyds School. In their second competitive game this season, the boys played really well and came away with a resounding victory. Their defence, in particular, was superb and we completely limited the other teams scoring opportunities.

In a game of 4 x 12-minute quarters, Willows won all four. The game finished, with the score Willows 43 – St Illtyds 12.

Well done to all the boys who played and turn up every week too.

Genius Hour

This week Year 8 pupils took part in the Genius Hour mentoring session run by First Give. This session, led by Becky, from First Give, was designed to help the pupils prepare for next week's final presentations, where one of the groups will win £1000 for their chosen charity.

As always, the standard of the presentations is really high, and every group stands a real chance of winning the prize. Good luck to all the pupils taking part.

Hamilton Trip

Our pupils had an incredible time on Tuesday at the Wales Millennium Centre watching Hamilton the Musical. They got to see a world-class piece of theatre as well as hear from the cast and crew from the show. They saw exclusive demonstrations of the lighting, sound, set changes, automations, costume quick-changes, wigs, and how all these backstage departments come together to create the show.

Each student also got a free programme as a memento of the day and were lucky enough to meet a cast member after the show to get photos and autographs- it was an amazing experience.

Science Club

This week in Year 7 science club pupils made slime. Firstly, they made slime using PVA and Borax. Then, they attempted to use corn-starch and water which inevitably left both pupils and the classroom in a mess. Despite the mess all pupils had lots of fun.

GCSE Media Studies - BBC Studios Visit to School

On Tuesday, we were, once again, delighted to welcome Hannah from BBC Studios (Roath Lock) to our Year 10 Media Studies class. Hannah introduced us to the wide variety of job opportunities in the television industry in Cardiff. These included; the electrical team, camera and sound operators, make-up and costume designers, stunt co-ordinators, production staff and post-production editors and vision and sound mixers. Hannah played an official 'BBC Behind the Scenes' video from 'Eastenders' to show the pupils the amount of planning and preparation that can go into a single sequence. The pupils will be able to use this knowledge in their exam in Year 11. We look forward to working with Hannah and the BBC throughout this year.

One Million Mentors:

On Thursday, Year 10 had their third visit from their mentor as part of the 'One Million Mentors' scheme. Mentors helped complete CV's, helped with current tasks and activities in GCSE courses and suggested revision techniques. We are very grateful to Willmott Dixon, Princes, BBC Wales and other smaller businesses for allowing their staff the time to work with our pupils. We are sure that their valuable work is making a difference and pupil feedback so far has been resoundingly positive.

Visit to 'Great Seren Point Film Studios'

On Wednesday, the Year 11 GCSE Media Studies class visited 'Great Seren Point Film Studios.' It was fantastic to see the work in the film industry that is just on our doorstep. We had a tour of the set of an exciting new production and we were told about the variety of jobs in the industry. The tour gave us the opportunity to think about how the theory we have learnt in class can be put into practice in the real world. For example, how lighting, cameras and props are used on set.

After lunch, we visited the offices of SgilCymru and learnt about apprenticeships in the media industry starting at aged 16. Apprenticeships can be offered in gaming, advertising, television and film and many of our pupils left enthused about this opportunity.

Y8 Puberty and Periods Workshops by Brook Advisory Service

On Tuesday, each Year 8 class took part in a workshop for schools by delivered by Hattie from Brook Advisory Service. Hattie discussed the biological changes for both male and females. She answered any questions the pupils may have on periods and period products. The pupils were highly engaged and many thanked Hattie for the talk and reassurance.

A reminder that the school has period products available for all pupils and they can be obtained from any member of staff. If your child needs more of these over the upcoming holiday, please encourage them to ask or e-mail Kelly.bubbins@willows.cardiff.sch.uk

Seren Academy

Nine pupils from Year 10 attended a Seren Academy Workshop on Monday of this week. They spent the day working with an expert in either Forensic Science, Engineering or Business and Finance, learned about careers in these fields and what pathways they need to take in order to pursue them. Feedback from the organisers said that our pupils "...were immaculately turned out, impeccably mannered and fully involved in the workshops. They were, in short, an absolute credit to the school." Congratulations Year 10!

PACE Project

Thank you to all of the pupils in Years 9 and 11 that applied for the PACE Project this year. The number and standard of the applications was impressive and it was no mean feat choosing those to be involved. Pupils have been informed this week if they have been successful or not and those with a place will receive an email asking parents to complete consent forms for the organiser ready for the launch in January. For those who have not been successful we will be organising a separate 'Mini PACE Project' with the University of Wales, Hospital as we have been so impressed with the applicants and want them to be able to experience some of what the project is about.

E Platform Learning

We are pleased to confirm that our subscription for E-Platform is now live. All pupils have been provided with an account and login details. A letter confirming these details will also be sent out shortly.

E-Platform is an online library where our pupils can choose and read books of their choice in line with their reading age. It is a great addition to our school and allows pupils to read anytime and anywhere.

The E-books can be accessed via the E-platform app, which can be downloaded via the QR code below. Alternatively, use the following website: <https://willowshighschool.eplatform.co/> To use please use setup code 5452. Your username will be the same as your STAR test, password is *book*. All pupils have been provided with these details but please ask your English or J7 teacher will have these details if you are unsure.

STAR tests for this term have also been completed for KS3 and results will be shared shortly. As a reminder, we ask that all pupils read for a minimum of 20 minutes a day. This will have a huge impact on their literacy levels and ensure success in school and beyond. If you have any concerns about your child's reading, please do not hesitate to contact their English or Journey 7 teacher.

School Essentials Grant

Registering as eligible for free school meals with your Local Authority unlocks access to the School Essentials Grant. It also means schools get more funding. With the introduction of free school meals for primary pupils, many parents/carers do not realise that schools will lose out unless they continue to register as eligible. Even if you don't need the grant, registering here: <https://www.gov.wales/get-help-school-costs> will mean schools get additional funding.

Measles

We are working in partnership with Cardiff and Vale Health Board, enabling children who have missed their scheduled appointments for MMR (measles, mumps and rubella) vaccines to access this in school.

Measles can be very serious for children, and is very easily passed between people who are not vaccinated. There are currently outbreaks of measles in Wales, so we would encourage families to take up the opportunity of their child getting their MMR vaccination if they are offered it by the Health Board. Please note that if your child is invited and you would like your child to have the MMR vaccine which does *not* contain gelatine (Halal), this will be an option you can choose.

For more information about the MMR vaccine please go to [Measles, Mumps and Rubella \(MMR\) - Public Health Wales \(nhs.wales\)](https://www.nhs.uk/conditions/mmr/)

Class Charts

What is Class Charts?

Class Charts is an app that can be downloaded to your phone. You can use it to:

- keep track of your child's behaviour
- view attendance records
- access your child's weekly timetable
- be informed of and track detentions
- award your child merits for completing their home reading tasks
- view announcements from school.

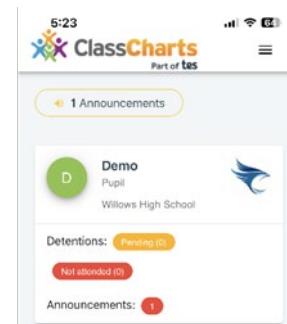

We would like all parents to sign up to Class Charts, as we are also going to be using this as the main way of sending all messages to you. Likewise, from after half term this will also be the main way that you can report your child's absence to us.

Thank you to all parents who have signed up to Class Charts this year and to those of you who continue to use it.

Please let your child's Head of Year know if you need a login code.

How to report an absence on Class Charts

1. Click on your Class Charts app and click on your child's name.

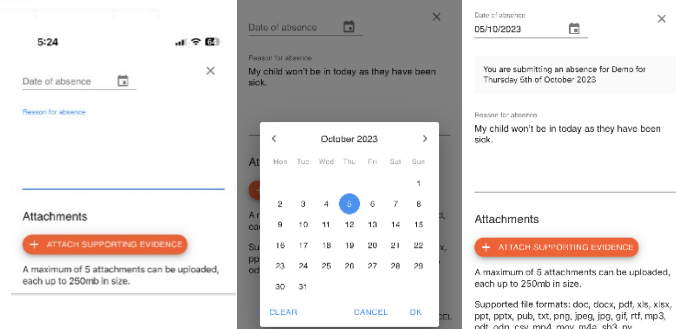

2. Scroll across the green band at the top and click 'report absence'.

3. Click on 'report new absence'

4. Tap the calendar for the date, type in the reason and attach any pictures of medical evidence, such as letters, emails or texts from the doctors, dentist or hospital

5. Click submit...it's as easy as that!

Please contact your child's Head of Year if you have any problems logging on and they will be happy to guide you through the process.

Important information about attendance to school

In an exam, if you got 90% of the questions correct, you would probably think that this is a very good result.

Number of lessons Missed

Unfortunately, this doesn't translate to your child's attendance.

90% attendance for the school year means that your child has **missed 98 lessons**. How are they going to make that time back?

Even **95% attendance** which is the Welsh Government's threshold for good attendance means your child would have **missed 49 lessons** over the school year. This is a lot of work for your child to miss.

The chart above shows how quickly the number of lessons your child misses increases as their attendance drops.

The greatest gift that we can give your child is an amazing set of examination results at the end of Year 11. To provide the best possible conditions for this to happen, your child needs to have as high an attendance percentage as possible.

Pupils are in school for 190 days of the year, **they are not in school for 175 days of the year.**

We believe that this is plenty of time for the majority of appointments to be made out of school hours.

Please consider your child's education before making appointments during the school day, and if you have no option, please consider how they are going to catch up on the work they have missed and report the absence every day through Classcharts.

Every pupil who is not in school is a potential safeguarding concern if we have not been notified by you.

We would be grateful if families would take the information above on board and we look forward to your support.

Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, then rising to **£120** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again. **Please note these fines do not go away.** Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

Lateness to School: Fixed Penalty Notices

Fixed Penalty Notices are already being requested for **poor attendance** and for **term-time holidays**.

After the Easter holidays we will be looking to request Fixed Penalty Notice fines for **lateness to school**. We ask that you speak to your child and discuss the importance of **arriving at school on-time for 9:00am line-up every day**. Your child is missing hours of education if they are consistently late to school.

If your child is regularly late to school then a request for a Fixed Penalty Notice fine will be actioned to the Education Welfare Service. The fine for this is £60, rising to £120, leading to a court summons & increased fines imposed. We **do not** want to have to request this – we would much rather your child be in school on time.

If your child is late to school because of an appointment then please provide evidence to the Attendance Team in the form of an appointment card or letter, etc.

Please help your child to arrive at school in good time. The main gates close at 9am – after this time your child is considered to be late and will need to sign in through Late Gates in the Learning Lounge, and then main reception.

Thank you for your support in this matter.

Uniform Reminder to Parents

Unfortunately, we are seeing a rise in the number of pupils who are attending school wearing the incorrect uniform, especially on days when they have P.E.

We would appreciate the support of families to ensure that pupils come to school appropriately dressed. On the right is the information in our Parent Handbook which sets out clearly the expectation for our pupils at Willows.

We have uniform for a reason, it is to act as a leveller for pupils. Everyone wears the same, so no-one can feel disadvantaged by those who might want to come into school wearing the latest brands and expensive labels. It is also there to ensure that the clothes that are worn are appropriate to the age of your child, not too revealing and suitable for walking around in throughout the day.

Pupils will be sent home to change if they are wearing inappropriate clothing, this will be the school's decision.

We would appreciate if you would discuss this with your child and take steps to ensure that they are appropriately dressed for school when they leave your house in the morning.

P.E. Kit:
 School P.E. midlayer top, plain black sport shorts, plain black tracksuit trousers or plain black sports leggings.
 No jeggings, tight fitting trousers, jeans, jean like trousers or low rise trousers.
 No hoodies

Currently if your child has P.E. they should wear their P.E. kit to school for that day.
 If you are concerned about the cold weather, pupils may wear their blazer as an extra layer of clothing.

Acceptable shoes flow diagram:

Hair:
 No extreme styles / non natural colours.

Shoes:
 Black leather or faux leather shoes or ankle boots only.
 No canvas, no trainers, no logos.

Black to go with the uniform.
 Leather to be weather resistant.

Uniform will be checked during the first line-up of the morning.

Pupils who are not wearing correct uniform will be sent home to either change or collect a part of their uniform that was missing

The school will make parents aware if there is any change to the school uniform due to increases in temperature, please do not send your child in P.E. kit if the weather is warm.

Crocs are definitely not part of the school uniform! Our Parent Handbook can be accessed on our website or by clicking the link below:

<https://indd.adobe.com/view/1dbf54a5-38cf-494f-9166-50b358b2e824>

If you are intending to buy new P.E. for next year, please remember that it is the Mid-Layer that is the compulsory item and must be worn. If you want to wear the old P.E. tops, they must be worn under the Mid-Layer

Mobile phone use in school FAQs

What will happen if my child is using their phone on the school premises or during the school day?

Staff will request that pupils hand their device(s) in, these will be stored in a secure place, in a padded envelope and will be clearly labelled ready for collection at the end of the same day. In an attempt to discourage use of electronic devices we will operate an escalated approach:

- Initial offences - Device handed-in, pupil can collect at the end of the same day, Parent/Carer informed.
- Repeated offences – Device handed-in, parent/carers must collect.
- Continued offences – Device handed-in, parent/carers must collect. Parent/carers to attend a meeting.

In the event of an exceptional circumstance, your child's Head of Year should be made aware and an individual solution will be applied.

Can my child bring their phone/electronic device to school?

Yes of course, we ask that they are switched off and out of sight during the school day and when on the school premises.

What if I can't collect my child's phone/electronic device?

That's ok, we will keep any devices secured at the school until it is convenient for you to collect.

What will happen if my child refuses to hand in their electronic device/mobile phone?

This is something we all want to avoid and as such we will also have an escalated approach to this:

Discussion with Head of Year / SLT > time in the APC until handed in > exclusion

Please encourage your child to not use their device in school to avoid the above escalation, we are giving plenty of advance warning to avoid this.

What happens if I need to speak to my child during the school day?

There are rare occasions whereby you may need to speak with your child for emergency reasons, if this is the case, please contact the school via the main number (02920 414243) and we will endeavour to pass on messages or collect your child to use a school phone. If we feel that your child needs to speak with you, we will provide a private space using a school phone to contact you.

Can devices be used during breaks/lunches?

No, we want pupils to communicate with their friends, develop their social skills and be present with each other.

I really find it hard to separate my child from their phone, can you help?

Yes, absolutely, we want our pupils to use their electronic devices responsibly and in moderation. We can work with you to put in place plans to avoid overuse and misuse and will support you in ensuring your child is meeting the school expectations. We will also be educating pupils on how to use devices responsibly and sharing further information on how parents/carers can monitor their child's use.

Numeracy Terms and Question of Week 14, starting 09/12/24:

To help our pupils boost their mathematical vocabulary and Numeracy skills, The "Terms & Question of the week" will be emailed to them in a weekly basis.
 Any questions, please email: Halima.Ait-Brahim@willows.cardiff.sch.uk
 The solution to the actual weekly question will be emailed to pupils on **Monday** with the new question.

Numeracy Answer of the week 12

The Wandering Cow

A) From the time Mimi left the farm until the time she started eating grass, $35 + 18 + 26 = 79$ minutes have passed. Note that Mme Kennedy left at the time that Mimi starts eating the grass.

So, the 8 minutes are included in the 17 minutes of Mme Kennedy travelling. Since it was 17 minutes later that Mme Kennedy returned home with Mimi, then the total time Mimi was gone is $79 + 17 = 96$ minutes or 1 hour and 36 minutes.

B) We will look at two different solutions. So, Mimi returns home at 4:56 p.m.

1) We can add the 1 hour and 36 minutes to 3:20. Adding one hour to 3:20 gives 4:20. Adding another 36 minutes gives 4:56. So, Mimi returns home at 4:56 p.m.

2) We can make a timeline to track Mimi's travels:

Storage containers:

Jillian has two plastic containers that are the same height. The dimensions of these containers are shown below:

She always seals her containers with a lid when she stores things.

A) If Jillian filled each container with water, which container would hold more water? Justify your answer.

B) Jillian has many wooden blocks that are cubes with side lengths of 4 cm. Which container would hold more blocks if the blocks had to lie flat in the container? Justify your answer.

Numeracy Terms of the week 13

Prime and Composite numbers:

Prime Numbers: Prime numbers are integers greater than 1 that are only divisible by themselves and 1.

Composite Number: A positive integer with at least one factor aside from its own. Composite numbers cannot be prime because they can be divided exactly.

Prime and composite numbers are opposite of each other. Prime numbers are the type of integers with no factors other than themselves and 1, for example, 2, 3, 5, 7, and so on. The number 4 is not a prime number because it is divisible by 2. Similarly, 12 is also not a prime number because it is divisible by 2, 3, and 4. Therefore, 4 and 12 are the examples of composite numbers.

TimesTable Rockstars

Single numeracy boost sessions are provided to all our Year 7, 8 & 9 pupils on a fortnightly basis to enrich their Mathematical Skills, specifically with a focus on times tables. Pupils will be accessing their TTRS accounts and improving their knowledge of the times tables.

At home, pupils should log on to TTRS via their technological devices at home. There is also a phone app that they can download via Apple or Android, free of charge.

All the pupils have 5-10minutes daily tasks on there to help consolidate their times tables. It will also earn them coins to use for customising their own individual avatars. Similarly to MathsWatch, there will be a leaderboard and certificates to reward their efforts.

Please congratulate the **"Top 3 TTRS"**, who have improved their speed time in answering times tables questions! Keep practicing everyone!

For any login issues, please email Miss Santos at dana.santos@willows.cardiff.sch.uk

Splo-down

Splo-down is a member-run community food cooperative open to residents of Adamsdown, SploTT, and Tremorfa. They buy food in bulk and use sliding-scale pricing so they can make good quality food accessible to everyone. They currently run a weekly stall 5-7pm every Wednesday where they sell veg boxes and run a zero-waste shop selling other food and household products such as rice, lentils, pasta, spices, and washing up liquid.

They try to source our products from sustainable and ethical suppliers as much as possible. For any questions, please email them at:

Social Media

Social media is increasingly playing a role in the lives of our pupils and for the majority of time, this is a positive thing. However, we are increasingly seeing how social media can have quite a negative impact on our pupils and in some cases, the impact has been quite significant.

We need to work together to harness all of the positive aspects of social media (and there are many) and to cancel out those aspects which can do harm. Whilst it is easy to focus on the fact that the age guideline for most sites is 13, it is also recognised how difficult it is to stop children from accessing these especially when all of their friends are using a certain platform.

Perhaps a more realistic place to start is to ensure that, if social media sites are to be used then they are set up in a way which helps to protect privacy. For example, most platforms allow you to:

- **set an account to private** (many of our pupils don't do this and some have been approached by people they don't know)
- **not allow friend requests** – again, some pupils have had friend requests from unknown users
- **hide the user's location** – worryingly, so many pupils share their location and with the development of ever more sophisticated software, it is becoming relatively easy to pinpoint exactly where the social media account is being used from (without sharing any address details).

Changing the settings to not allow the issues to happen takes a few minutes and can significantly improve the level of online safety when accessing social media. The NSPCC site 'Keeping children safe online' really is excellent and I would urge all families to access this: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

South Wales Police - Sextortion

We have been informed that South Wales Police are concerned about the rapidly growing number of 'sextortion' cases involving young people across Wales.

This is where individuals are targeted and threatened that inappropriate images of themselves that have been previously uploaded will be shared unless money is sent. This is obviously extremely worrying and the first action must be to ensure that no such photographs or videos exist – and, if they do so, they must be deleted immediately.

The advice to families from South Wales Police is as follows:

- Don't pay, do stop contact and block: you may be tempted to pay, but there is no guarantee that this will stop the threats. As the offender's motive is to get money, once you have shown you can pay, they will likely ask for more and blackmail may continue. If you have paid, don't panic but don't pay anything more. Help your child to stop all communication with the offender and block them on any accounts that they have been contacted on.
- Avoid deleting anything: try not to delete anything that could be used as evidence such as messages, images, telephone numbers, and bank account details.
- Report to the police or CEOP: call 101 or 999 if there is an immediate risk of harm to your child. Or you can use the [CEOP Safety Centre](#) to report any online blackmail attempts.

The NSPCC website is also a very good source of information and support should you require it.

Wellbeing in school

At Willows High School, we aim to promote positive mental health and wellbeing for our whole school community; pupils, staff and families, and recognise how important mental health and emotional wellbeing is to our lives in just the same way as physical health. We recognise that children's mental health is a crucial factor in their overall wellbeing and can affect their learning and achievement. All children go through ups and downs through their school career/life and some face significant life events.

Our aim is to help develop the protective factors which build resilience to mental health problems and be a school where:

- All pupils are valued
- Pupils have a sense of belonging and feel safe
- Pupils feel able to talk openly with trusted adults about their problems without feeling any stigma
- Positive mental health is promoted and valued
- Bullying is not tolerated

Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go: Staff in the Learning Lounge are here to look after your wellbeing so please come down for a confidential chat.

If you are a young carer and feel you need more support or would like to know about more opportunities out there for you, Ms. Mackintosh, our Safeguarding Officer, can provide information on what is available.

Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.

A member of staff you trust. All members of staff will be there for you. If you want to confide in someone please do and they will help get you the support you need.

Are you a parent who has had depression or struggled with low mood?
Do you have a child aged 13-19?

Allergies

At Willows, we are very conscious of pupil and staff sensitivity to the 14 food allergens. The food that our canteen produces is clearly labelled and the pupil information displayed at the tills identifies any allergies that the pupil in front of them has.

We do have a number of staff and pupils who have strong reactions to certain allergens, **particularly nuts**, so we ask for the support of all families to be aware of what your child is bringing into school and be sympathetic to the sensitivities of our school community.

We cannot 100% guarantee that the school is nut free, it is not possible to check what food is brought into school by every pupil, every day. We ask for your support in ensuring that the risks of allergic reactions are minimised.

For more information on allergies, please visit <https://www.allergyuk.org/>.

Safeguarding

A reminder that the school safeguarding lead is Danielle MacKintosh. If you are worried or concerned about a child and any time (including over the holidays) then please e-mail her on Danielle.MacKintosh@willows.cardiff.sch.uk If you are a pupil that needs help, please also contact Danielle via this e-mail address.

Chat Health

A reminder that all secondary school pupils can text the school nurse service for any medical support and advice. This may be useful if your child is too anxious or embarrassed to talk to a doctor in the first instance. Please chat about this with your child and make them aware of the service and number (below):

**IF YOU'RE 11-19 YEARS OLD

We help young people with all kinds of things like...

BULLYING **HEALTHY EATING**
SMOKING **CHANGES TO YOUR BODY**
EMOTIONAL WELLBEING **DRUGS**
FEELING SAD OR ANGRY
EXAM ALCOHOL
STRESS RELATIONSHIPS

We do not usually inform your parents, teachers or anyone else if you contact the school nurse. We might inform someone if we were concerned about your safety, but we would usually speak to you first. Your message and details can be seen by other healthcare staff who follow the same confidentiality rules. We aim to reply to your text on one working day and you should get an immediate bounce back to confirm we received your text. Texts will not be sent on nights or weekend working hours. If you need help before you have back to school, contact a member of school staff or your doctor. Our text number does not receive messages on weekends or bank holidays. Period Dignity

We have been working hard to reduce the stigma over periods for the last two years in line with all Wales objectives. We are hoping to achieve the 'Period Standard' award soon. Please take a few moments to familiarise yourself with the document featured in the link below:

<https://www.gov.wales/sites/default/files/publications/2023-02/period-dignity-strategic-action-plan-young-people%27s-version.pdf>

Just a reminder that school can provide tampons, pads, menstrual cups and period pants for pupils which are provided by the LA. Please direct pupils to form tutors, the Welfare Office, the Main Office or to Mrs. Bubbins if you think they may need help with this.

All Year 8 pupils received a 'Period Dignity' workshop from qualified advisors from Brook.

We would like to hear your views on improving period provision. We have implemented many of your ideas from our last survey and value your opinions. The link to the Parent Questionnaire is here:

<https://forms.office.com/e/RBkJKggA1Z>

Likewise, we would like more feedback from our pupils in this area. The link to the Pupil Questionnaire is here:

<https://forms.office.com/e/i2wscPQX7s>

Please take time to help us, help you have a dignified period.

A reminder that pupils can collect free period products from school at any time. Pupils can ask any trusted adult for these or can access them in the school office, from Mrs. Bubbins or from the Welfare Office.

Cardiff Youth Service

Cardiff Youth Service can support young people on a variety of topics such as emotional health, housing, finance and help lines. More information can be found on their website:

Key Services

Here is a reminder of some of the key services available for young people and their families:

- **School nurse** – pupils can text 07520615718 or 'chat' on 'Chathealth.NHS.UK' for confidential advice and support.
- **Family Gateway** – 03000133133 – provides advice for families no matter how big or small the problem.
- **Food Bank** - our nearest food bank can be found at St. Saviours Church on Splott Road. For dates and times, go to <https://cardiff.foodbank.org.uk/>
- **Period Poverty** – Please e-mail Mrs. Bubbins at Kelly.Bubbins@willows.cardiff.sch.uk if you need feminine hygiene products and we'll do our best to help.
