Weekly Newsletter – 31.01.2025

Hello! مرحباً! Ahoj! Ola! Dzień dobry! Salut! Hello!

Belong, Believe, Achieve:

This week our pupils have competed in basketball, football & debate tournaments, participated in Cardiff University's PACE Project and the final group of Year 7 pupils engaged with the 'I want to' Cowshed project. Our assemblies have been presented by our amazing pupils from 9Hepworth, raising awareness of Holocaust Memorial Day.

Merits: 27.01.2025-31.01.2025

We respect the effort that our pupils are putting into their character and studies. A huge Willows well done to all of this week's merit winners.

School News:

Basketball Tournament

This week pupils in Years 7 and 8 represented Willows at the Cardiff Schools Basketball tournament. The event was held in Cardiff University at the Talybont Campus. Schools and colleges from all over Cardiff were in attendance.

This was the first time that the boys had played in a competitive match, and initially it showed. Willows faced a tough group of games, and despite the results, did themselves proud against a school that have previously been Welsh Champions and also against the team that became the overall tournament winners.

With different players getting on the scoresheet, the team showed a tremendous attitude and unwillingness to quit. More importantly, the players represented the school impeccably and displayed a really positive attitude throughout.

Progress was made in every game, and we look forward to them having more matches in the future.

Fire Service Talk

This week, Year 11 pupils were given a talk by Sarah Griffiths, from the South Wales Fire and Rescue Service. The talk covered the numerous roles within the service and the working conditions of a fire office.

There was a lot of interest from the pupils and they asked some probing questions.

Many thanks to Sarah to Adrian Cole, from Careers Wales for organising the talk.

Geography Revision

Mr. Gill will be running a Year 10 and Year 11 Geography revision session every Thursday from 15.10pm-16.10pm until the end of the school year.

Year 8 Accelerate Debate Group

Another great week for our Year 8 Accelerate group. This week they learned all about the importance of eye contact, hand gestures and projecting their voices. Lots more pupils getting involved and we can see their confidence growing already!

Kings' Trust

As part of the Kings' Trust, Mrs. David and Miss Maidment were extremely proud of our Year 10 pupils this week watching them make Spaghetti Bolognese. It was such a fun and rewarding activity. It was great watching them work together so well, especially in the kitchen. Mrs. David, Head of Year 10, felt so proud seeing them not only learn a skill but also enjoying the process.

Special Resource Base

The SRB held a themed week, celebrating the Chinese New Year. 2025 is the Year of the Snake! We read The Great Race story and learnt how the 12 animals were named after each year. We created story maps, sequenced the story in the correct order and our final piece was a recount. We had so much fun making red lanterns, dancing dragons, fans, and spiral snakes. We practised picking up noodles and pasta with chopsticks and Miss Ward made Spring Rolls with us.

Football news

Another victory for our fantastic Year 8 boys football team. Playing away at Fitzalan, they were given a stern test and had to be at their absolute best to secure a 4:3 victory. Fantastic performances all round but in particular Ollly Williams, Daniil Osipovs and Jayden Morris in goal were exceptional. This victory sees the team rise to the top the CVSFA league, which is awesome! A big week next week for them when they host Bro Morgannwg in the quarter final of the Cardiff Cup

Fantastic performance from our Year 7 boys football team on Wednesday. Great win at home Vs Cathays. Both teams were fantastic! Our boys are getting better every week. Goals from Harrison and Malakai secured the victory and a great performance from Jamie.

E Platform Learning

We are pleased to confirm that our subscription for E-Platform is now live. All pupils have been provided with an account and login details. A letter confirming these details will also be sent out shortly.

E-Platform is an online library where our pupils can choose and read books of their choice in line with their reading age. It is a great addition to our school and allows pupils to read anytime and anywhere.

The E-books can be accessed via the E-platform app, which can be downloaded via the QR code below. Alternatively, use the following website: <https://willowshighschool.eplatform.co/> To use please use setup code 5452. Your username will be the same as your STAR test, password is *book*. All pupils have been provided with these details but please ask your English or J7 teacher will have these details if you are unsure.

STAR tests for this term have also been completed for KS3 and results will be shared shortly. As a reminder, we ask that all pupils read for a minimum of 20 minutes a day. This will have a huge impact on their literacy levels and ensure success in school and beyond. If you have any concerns about your child's reading, please do not hesitate to contact their English or Journey 7 teacher.

Readers of the Term

A massive well done to our KS3 STAR Readers of the term! These are pupils who have been consistently reading on our e-book platform as well as making the most of our school library! Please come and see Ms Nelms for your golden tickets!

1. 7PL - Ania Shanahan
2. 7AT – Amy Warren
3. 8MO – Davina Alexander-Nnamoka
4. 8HT – Amrutha Kesav
5. 9CO – Lola Hale
6. 9HP – Auwal Abubakar

It is really important that you continue to read at home. We ask that all pupils read for a minimum of 20 minutes a night (please give them a reading merit when they do so!). These 20 minutes can make a huge difference in terms of progressing in all areas. Pupils have access to the library after school as well as every two weeks as part of their English lessons as well as the E-platform which can be used 24/7, information above.

School Essentials Grant

Registering as eligible for free school meals with your Local Authority unlocks access to the School Essentials Grant. It also means schools get more funding. With the introduction of free school meals for primary pupils, many parents/carers do not realise that schools will lose out unless they continue to register as eligible. Even if you don't need the grant, registering here: <https://www.gov.wales/get-help-school-costs> will mean schools get additional funding.

Financial Wellbeing Grants opened for Unpaid Carers in Cardiff ONLY!

The TuVida Carers Financial Wellbeing Service provides financial support and education to unpaid carers living in Cardiff and the Vale of Glamorgan.

They have made the decision to reopen the Financial Wellbeing Grants for those caring for someone in Cardiff, please encourage carers to go through our website to access the application and guidance which have been updated to reflect this.

Measles

We are working in partnership with Cardiff and Vale Health Board, enabling children who have missed their scheduled appointments for MMR (measles, mumps and rubella) vaccines to access this in school.

Measles can be very serious for children, and is very easily passed between people who are not vaccinated. There are currently outbreaks of measles in Wales, so we would encourage families to take up the opportunity of their child getting their MMR vaccination if they are offered it by the Health Board. Please note that if your child is invited and you would like your child to have the MMR vaccine which does *not* contain gelatine (Halal), this will be an option you can choose.

For more information about the MMR vaccine please go to [Measles, Mumps and Rubella \(MMR\) - Public Health Wales \(nhs.wales\)](https://www.nhs.uk/conditions/mmr-vaccine/)¹

Measles

If you live in Cardiff and the Vale and are unsure if your child has had the MMR vaccine, you are encouraged to [check their personal child health record](#) (red book) in the first instance

If you remain unsure, other options include:
 Contacting the Local Child Health Team on 02921 836926 or 02921 836929.
 Contacting your GP Practice, avoiding peak times such as early mornings where possible.

Options for MMR vaccination include:
 Your GP Practice
 Your local Mass Vaccination Centre. Call 02921 841234
 Phone lines are open Mon-Fri between 9am and 5pm

Having the MMR vaccine is the best way to prevent having measles and passing it on to others.
 In some cases, measles can cause serious complications including pneumonia and meningitis.

HPV Vaccinations

The Human papillomavirus (HPV) vaccination protects against HPV infection to help reduce your child's risk of some cancers

Dear parent or guardian, The School Nursing Immunisation Team will visit Willows on 03/04/2025 to offer all pupils in Year 8 the HPV vaccine. The NHS recommends that your child gets the HPV vaccine to protect against cancers caused by HPV.

Please complete the electronic consent form by the end of the day 30/03/2025 by using the QR code or clicking on the link.

<https://forms.office.com/Pages/ResponsePage.aspx?id=uChWuyjjgkCoVkM8ntyProwc0tRo7SIfoDpDo7y1M5RUOTEyTEdKT0ozOERWSEVXSU1aNTdIREo2NS4u>

The HPV vaccine is highly effective in protecting boys and girls from certain types of cancer caused by HPV infection, including cervical cancer and head and neck cancers (that are most common in males). The HPV vaccine is also effective in protecting boys and girls from certain types of genital warts. Once your child has received one dose, they will be fully vaccinated and will not require any further doses of the HPV vaccine.

Girls who are vaccinated against HPV will still need to have routine cervical screenings (smear tests) from the age of 25. The best possible defence against cervical cancer is a combination of HPV vaccination and routine cervical screening.

You can find more information on the HPV vaccine at: <https://phw.nhs.wales/topics/immunisation-and-vaccines/vaccination-information1/hpv/> Please keep this letter as it contains the date of the Human Papillomavirus (HPV) vaccination session and contact details.

Class Charts

What is Class Charts?

Class Charts is an app that can be downloaded to your phone. You can use it to:

- keep track of your child's behaviour
- view attendance records
- access your child's weekly timetable
- be informed of and track detentions
- award your child merits for completing their home reading tasks
- view announcements from school.

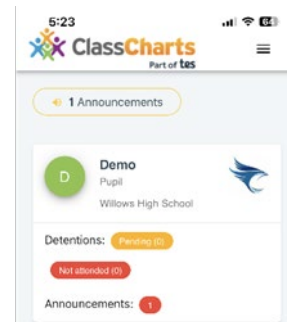

We would like all parents to sign up to Class Charts, as we are also going to be using this as the main way of sending all messages to you. Likewise, from after half term this will also be the main way that you can report your child's absence to us.

Thank you to all parents who have signed up to Class Charts this year and to those of you who continue to use it.

Please let your child's Head of Year know if you need a login code.

How to report an absence on Class Charts

1. Click on your Class Charts app and click on your child's name.

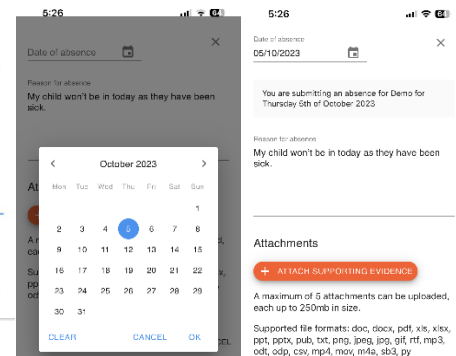

2. Scroll across the green band at the top and click 'report absence'.

3. Click on 'report new absence'

4. Tap the calendar for the date, type in the reason and attach any pictures of medical evidence, such as letters, emails or texts from the doctors, dentist or hospital

5. Click submit...it's as easy as that!

Please contact your child's Head of Year if you have any problems logging on and they will be happy to guide you through the process.

Important information about attendance to school

In an exam, if you got 90% of the questions correct, you would probably think that this is a very good result.

Number of lessons Missed

Unfortunately, this doesn't translate to your child's attendance.

90% attendance for the school year means that your child has **missed 98 lessons**. How are they going to make that time back?

Even **95% attendance** which is the Welsh Government's threshold for good attendance means your child would have **missed 49 lessons** over the school year. This is a lot of work for your child to miss.

The chart above shows how quickly the number of lessons your child misses increases as their attendance drops.

The greatest gift that we can give your child is an amazing set of examination results at the end of Year 11. To provide the best possible conditions for this to happen, your child needs to have as high an attendance percentage as possible.

Pupils are in school for 190 days of the year, **they are not in school for 175 days of the year.**

We believe that this is plenty of time for the majority of appointments to be made out of school hours.

Please consider your child's education before making appointments during the school day, and if you have no option, please consider how they are going to catch up on the work they have missed and report the absence every day through Classcharts.

Every pupil who is not in school is a potential safeguarding concern if we have not been notified by you.

We would be grateful if families would take the information above on board and we look forward to your support.

Days in School / Not in School

Our Valued Partners

Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, then rising to **£120** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again. **Please note these fines do not go away.** Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

Lateness to School: Fixed Penalty Notices

Fixed Penalty Notices are already being requested for **poor attendance** and for **term-time holidays**.

After the Easter holidays we will be looking to request Fixed Penalty Notice fines for **lateness to school**. We ask that you speak to your child and discuss the importance of **arriving at school on-time for 9:00am line-up every day**. Your child is missing hours of education if they are consistently late to school.

If your child is regularly late to school then a request for a Fixed Penalty Notice fine will be actioned to the Education Welfare Service. The fine for this is £60, rising to £120, leading to a court summons & increased fines imposed. We **do not** want to have to request this – we would much rather your child be in school on time.

If your child is late to school because of an appointment then please provide evidence to the Attendance Team in the form of an appointment card or letter, etc.

Please help your child to arrive at school in good time. The main gates close at 9am – after this time your child is considered to be late and will need to sign in through Late Gates in the Learning Lounge, and then main reception.

Thank you for your support in this matter.

Uniform Reminder to Parents

Unfortunately, we are seeing a rise in the number of pupils who are attending school wearing the incorrect uniform, especially on days when they have P.E.

We would appreciate the support of families to ensure that pupils come to school appropriately dressed. On the right is the information in our Parent Handbook which sets out clearly the expectation for our pupils at Willows.

We have uniform for a reason, it is to act as a leveller for pupils. Everyone wears the same, so no-one can feel disadvantaged by those who might want to come into school wearing the latest brands and expensive labels. It is also there to ensure that the clothes that are worn are appropriate to the age of your child, not too revealing and suitable for walking around in throughout the day.

Pupils will be sent home to change if they are wearing inappropriate clothing, this will be the school's decision.

We would appreciate if you would discuss this with your child and take steps to ensure that they are appropriately dressed for school when they leave your house in the morning.

The school will make parents aware if there is any change to the school uniform due to increases in temperature, please do not send your child in P.E. kit if the weather is warm.

Crocs are definitely not part of the school uniform! Our Parent Handbook can be accessed on our website or by clicking the link below:

<https://indd.adobe.com/view/1dbf54a5-38cf-494f-9166-50b358b2e824>

If you are intending to buy new P.E. for next year, please remember that it is the Mid-Layer that is the compulsory item and must be worn. If you want to wear the old P.E. tops, they must be worn under the Mid-Layer.

P.E. Kit:

School P.E. midlayer top, plain black sport shorts, plain black tracksuit trousers or plain black sports leggings.
No jeggings, tight fitting trousers, jeans, jean like trousers or low rise trousers.
No hoodies

Currently if your child has P.E. they should wear their P.E. kit to school for that day.
If you are concerned about the cold weather, pupils may wear their blazer as an extra layer of clothing.

Acceptable shoes flow diagram:

Hair:
No extreme styles / non natural colours.

Shoes:
Black leather or faux leather shoes or ankle boots only.
No canvas, no trainers, no logos.

Black to go with the uniform.
Leather to be weather resistant.

Uniform will be checked during the first line-up of the morning.

Pupils who are not wearing correct uniform will be sent home to either change or collect a part of their uniform that was missing

Mobile phone use in school FAQs

What will happen if my child is using their phone on the school premises or during the school day?

Staff will request that pupils hand their device(s) in, these will be stored in a secure place, in a padded envelope and will be clearly labelled ready for collection at the end of the same day. In an attempt to discourage use of electronic devices we will operate an escalated approach:

- Initial offences - Device handed-in, pupil can collect at the end of the same day, Parent/Carer informed.
- Repeated offences – Device handed-in, parent/carers must collect.
- Continued offences – Device handed-in, parent/carers must collect. Parent/carers to attend a meeting.

In the event of an exceptional circumstance, your child's Head of Year should be made aware and an individual solution will be applied.

Can my child bring their phone/electronic device to school?

Yes of course, we ask that they are switched off and out of sight during the school day and when on the school premises.

What if I can't collect my child's phone/electronic device?

That's ok, we will keep any devices secured at the school until it is convenient for you to collect.

What will happen if my child refuses to hand in their electronic device/mobile phone?

This is something we all want to avoid and as such we will also have an escalated approach to this:

Discussion with Head of Year / SLT > time in the APC until handed in > exclusion

Please encourage your child to not use their device in school to avoid the above escalation, we are giving plenty of advance warning to avoid this.

What happens if I need to speak to my child during the school day?

There are rare occasions whereby you may need to speak with your child for emergency reasons, if this is the case, please contact the school via the main number (02920 414243) and we will endeavour to pass on messages or collect your child to use a school phone. If we feel that your child needs to speak with you, we will provide a private space using a school phone to contact you.

Can devices be used during breaks/lunches?

No, we want pupils to communicate with their friends, develop their social skills and be present with each other.

I really find it hard to separate my child from their phone, can you help?

Yes, absolutely, we want our pupils to use their electronic devices responsibly and in moderation. We can work with you to put in place plans to avoid overuse and misuse and will support you in ensuring your child is meeting the school expectations. We will also be educating pupils on how to use devices responsibly and sharing further information on how parents/carers can monitor their child's use.

Numeracy Terms and Question of Week 19, starting 27/01/2025:

To help our pupils boost their mathematical vocabulary and Numeracy skills, The "Terms & Question of the week" will be emailed to them in a weekly basis.

Any questions, please email: Halima.Ait-Brahim@willows.cardiff.sch.uk

The solution to the actual weekly question will be emailed to pupils on **Monday** with the new question.

Answer of the week 18

Counting Collections

The students in Riverside Community School love to play a game called "Counting Collections". In this game, the students collect objects, and the student who has collected the most objects wins. Ahmed has collected 262 erasers, 451 buttons and 173 pencils. Alyssa has collected 489 straws and 446 rocks.

To estimate who collected the most objects, they round the total number of each type of object, and then use the rounded numbers to calculate the total for each player. Ahmed rounds all the numbers to the nearest 100. Alyssa rounds all the numbers to the nearest 10.

Solution:

(a) Rounding to the nearest 100, Ahmed collected approximately $300 + 500 + 200 = 1000$ objects and Alyssa collected approximately $500 + 400 = 900$ objects. So, Ahmed thinks that he is the winner.

(b) Rounding to the nearest 10, Ahmed collected approximately $260 + 450 + 170 = 880$ objects and Alyssa collected approximately $490 + 450 = 940$ objects. So, Alyssa thinks that she is the winner.

(c) The actual totals are $262 + 451 + 173 = 886$ for Santosh and $489 + 446 = 935$ for Alyssa. So, Alyssa collected more objects and is therefore the winner. The estimation when rounding to the nearest 10 is more accurate than when rounding to the nearest 100.

Numeracy Question for week 19

Question of the Week 19

Better Value?

Salwa wants to buy a new outfit. She wants new jeans, a t-shirt, a coat, and a hat. She searches the store flyers and finds the exact same clothing options at three different stores:

- **M&S** has the jeans for £59, the t-shirt on sale for £15, the coat for £82, and the hat for £16.
- **Debenhams** has the exact same jeans for £42, the t-shirt for £27, the coat for £76, and the hat for £19.
- **John Lewis** has the jeans for £51, the t-shirt for £23, the coat for £94, and the hat on sale for £14.

Salwa's grandparents want to send her a store gift card for her birthday to cover the exact cost of her outfit.

Which store's gift card would you recommend for Salwa's grandparents to purchase?

Numeracy Terms of the Week 19

Evaluate: This word means "to calculate the numerical value".

Evaluate a numerical expression:

Evaluate a numerical expression means to find its value by using BIDMAS or a mathematical rule.

Example 1: Evaluate: $\sqrt[3]{8} = ?$
 $2^3 = 8$ so, $\sqrt[3]{8} = 2$

Example 2: Evaluate: $16 \div (2 + 6)$
 $= 16 \div 8$
 $= 2$

Evaluate an algebraic expression:

Evaluate an algebraic expression means to find its value by using BIDMAS or a mathematical rule.

Examples:

<p>evaluating expressions ... given a = 2</p> <p>$4(a + 4)$ If $a = 2$: $4(2 + 4)$ $= 4(2 + 4)$ $= 8 + 16$ $= 24$</p>	<p>Evaluate $2y + 3$ for $y = 4$</p> <p>Step 1: Substitute 4 for y: $2(4) + 3$</p> <p>Step 2: Multiply: $8 + 3$</p> <p>Step 3: Add: 11</p>
<p>$a^2 + 2ab + b^2$ If $a = 1, b = 2$: $a^2 + 2ab + b^2$ $= 1^2 + (2 \times 1 \times 2) + 2^2$ $= 1 + 4 + 4$ $= 9$</p>

MathsWatch

All of our pupils' weekly Mathematics homework is accessible on MathsWatch, which can be found at <https://www.mathswatchvle.com/>. They must be completed by their given deadlines. Each set homework is open for a month, so that pupils can keep improving their scores. This will also help your child to revise and to practice the mathematics and numeracy skills, knowledge and understanding that they have been learning in class. There are videos available for each topic and interactive questions that they can try. Please ensure your child completes and submits their homework on time. Any outstanding homework must still be completed, and they should all aim to achieve 100% on them.

TimesTable Rockstars

Single numeracy boost sessions are provided to all our Year 7, 8 & 9 pupils on a fortnightly basis to enrich their Mathematical Skills, specifically with a focus on times tables. Pupils will be accessing their TTRS accounts and improving their knowledge of the times tables.

At home, pupils should log on to TTRS via their technological devices at home. There is also a phone app that they can download via Apple or Android, free of charge.

All the pupils have 5-10minutes daily tasks on there to help consolidate their times tables. It will also earn them coins to use for customising their own individual avatars. Similarly to MathsWatch, there will be a leaderboard and certificates to reward their efforts.

Please congratulate the **"Top 3 TTRS"**, who have improved their speed time in answering times tables questions! Keep practicing everyone!

For any login issues, please email Miss Santos at dana.santos@willows.cardiff.sch.uk

Social Media

Social media is increasingly playing a role in the lives of our pupils and for the majority of time, this is a positive thing. However, we are increasingly seeing how social media can have quite a negative impact on our pupils and in some cases, the impact has been quite significant.

We need to work together to harness all of the positive aspects of social media (and there are many) and to cancel out those aspects which can do harm. Whilst it is easy to focus on the fact that the age guideline for most sites is 13, it is also recognised how difficult it is to stop children from accessing these especially when all of their friends are using a certain platform.

Perhaps a more realistic place to start is to ensure that, if social media sites are to be used then they are set up in a way which helps to protect privacy. For example, most platforms allow you to:

- **set an account to private** (many of our pupils don't do this and some have been approached by people they don't know)
- **not allow friend requests** – again, some pupils have had friend requests from unknown users
- **hide the user's location** – worryingly, so many pupils share their location and with the development of ever more sophisticated software, it is becoming relatively easy to pinpoint exactly where the social media account is being used from (without sharing any address details).

Changing the settings to not allow the issues to happen takes a few minutes and can significantly improve the level of online safety when accessing social media. The NSPCC site 'Keeping children safe online' really is excellent and I would urge all families to access this: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

South Wales Police - Sextortion

We have been informed that South Wales Police are concerned about the rapidly growing number of 'sexortion' cases involving young people across Wales.

This is where individuals are targeted and threatened that inappropriate images of themselves that have been previously uploaded will be shared unless money is sent. This is obviously extremely worrying and the first action must be to ensure that no such photographs or videos exist – and, if they do so, they must be deleted immediately.

The advice to families from South Wales Police is as follows:

- **Don't pay, do stop contact and block:** you may be tempted to pay, but there is no guarantee that this will stop the threats. As the offender's motive is to get money, once you have shown you can pay, they will likely ask for more and blackmail may continue. If you have paid, don't panic but don't pay anything more. Help your child to stop all communication with the offender and block them on any accounts that they have been contacted on.
- **Avoid deleting anything:** try not to delete anything that could be used as evidence such as messages, images, telephone numbers, and bank account details.
- **Report to the police or CEOP:** call 101 or 999 if there is an immediate risk of harm to your child. Or you can use the [CEOP Safety Centre](#) to report any online blackmail attempts.

The NSPCC website is also a very good source of information and support should you require it.

Wellbeing in school

At Willows High School, we aim to promote positive mental health and wellbeing for our whole school community; pupils, staff and families, and recognise how important mental health and emotional wellbeing is to our lives in just the same way as physical health. We recognise that children's mental health is a crucial factor in their overall wellbeing and can affect their learning and achievement. All children go through ups and downs through their school career/life and some face significant life events.

Our aim is to help develop the protective factors which build resilience to mental health problems and be a school where:

- All pupils are valued
- Pupils have a sense of belonging and feel safe
- Pupils feel able to talk openly with trusted adults about their problems without feeling any stigma
- Positive mental health is promoted and valued
- Bullying is not tolerated

Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go: Staff in the Learning Lounge are here to look after your wellbeing so please come down for a confidential chat.

If you are a young carer and feel you need more support or would like to know about more opportunities out there for you, Ms. Mackintosh, our Safeguarding Officer, can provide information on what is available.

Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.

A member of staff you trust. All members of staff will be there for you. If you want to confide in someone please do and they will help get you the support you need.

Parents and Families

We want to help you as best we can and there is a lot of support out there for parents and families.

Please contact the school using karen.hunt@willows.cardiff.sch.uk or by phone using 07733889062 if you need any information on who you can turn to.

Your child's Head of Year and the Welfare Team can also help. Please do not suffer alone. Reach out to us.

Allergies

At Willows, we are very conscious of pupil and staff sensitivity to the 14 food allergens. The food that our canteen produces is clearly labelled and the pupil information displayed at the tills identifies any allergies that the pupil in front of them has.

We do have a number of staff and pupils who have strong reactions to certain allergens, **particularly nuts**, so we ask for the support of all families to be aware of what your child is bringing into school and be sympathetic to the sensitivities of our school community.

We cannot 100% guarantee that the school is nut free, it is not possible to check what food is brought into school by every pupil, every day. We ask for your support in ensuring that the risks of allergic reactions are minimised.

For more information on allergies, please visit <https://www.allergyuk.org/>.

Safeguarding

A reminder that the school safeguarding lead is Danielle MacKintosh. If you are worried or concerned about a child and any time (including over the holidays) then please e-mail her on Danielle.MacKintosh@willows.cardiff.sch.uk If you are a pupil that needs help, please also contact Danielle via this e-mail address.

Chat Health

A reminder that all secondary school pupils can text the school nurse service for any medical support and advice. This may be useful if your child is too anxious or embarrassed to talk to a doctor in the first instance. Please chat about this with your child and make them aware of the service and number (below):

**IF YOU'RE 11-19 YEARS OLD
TEXT YOUR SCHOOL NURSE ON

We help young people with all kinds of things like...

- BULLYING
- SMOKING
- EMOTIONAL WELLBEING
- FEELING SAD OR ANGRY
- STRESS
- HEALTHY EATING
- CHANGES TO YOUR BODY
- DRUGS
- ALCOHOL
- RELATIONSHIPS

We do not usually inform your parents, teachers or anyone else if you contact the school nurse. We might inform someone if we were concerned about your safety, but we would usually speak to you first. Your message and details can be seen by other teachers staff who follow the same confidentiality rules. We aim to reply to your messages over working day and you should get an immediate answer back to confirm we received your text. Texts will not be sent outside of normal working hours. If you need help before you have back to school, contact a member of school staff or your doctor. Our text number does not receive messages on weekends or holidays. The support message team do not have a number only contact with our health messages that from services, international mobile numbers and some 'national roaming' mobile apps. Forward the school nurse from sending messages to you by texting 111 to our number. Please respect your school mobile phone policy. Texts are charged at your usual rate.

As always, thank you for your support. If there are any problems, we would appreciate that you contact the relevant person in school straight away rather than using social media platforms. We will always try our best to reach a solution and this will ensure your concern is seen and avoid any misinformation and miscommunication.

Recently, there has been an increase in family members arriving at the school to collect their children early, without letting us know in advance.

To ensure all of our pupils are safeguarded, we will not be able to release a pupil from our care until 3.10pm unless we are notified of a necessary appointment in advance. These can be communicated through the Report Absence tab on the Classcharts Parent app. Instructions on how to do this can be found in this Newsletter. We are grateful for your understanding and would appreciate your cooperation with this

Please could parents refrain from turning up at the school reception without an appointment. Heads of Year, Teachers and Support Staff are incredibly busy during the school day looking after our pupils.
