Weekly Newsletter – 21.02.2025

Hello! مرحباً! Ahoj! Ola! Dzień dobry! Salut! Hello!

Belong, Believe, Achieve:

This week our pupils have completed their Iris Film Project, participated in football tournaments, Engineering days, Welsh Government Attendance Projects as well as Music and English GCSE NEAs. They have visited the New Theatre to watch a production of An Inspector Calls. We have also welcomed pupils from Adamsdown Primary for a Welsh culture based transition event. Our School Council members have met with staff from the Council and Morgan Sindall to discuss the new Willows High School building.

School News:

Careers – Year 8 Engineering Day

This week, Year 8 pupils were involved in an engineering project. People from both engineering companies, Arup and Viridor came into school to work with the pupils on the projects.

Both companies set the pupils the challenge of designing and building a wind turbine. Through the design, the pupils were given a taste of what a real engineer does.

It was really great to see the pupils fully engaged in both projects and diving fully into the tasks.

Many thanks to Matt and the team from Arup, to Eamonn from Viridor and to Adrian Cole for setting this up.

Geography Revision

Mr. Gill will be running a Year 10 and Year 11 Geography revision session every Thursday from 15.10pm-16.10pm until the end of the school year.

An Inspector Calls

61 of our Year 10 and Year 11 pupils enjoyed Steven Daldry's spectacular production of the English Literature GCSE text 'An Inspector Calls' by JB Priestly Thursday evening. There were resounding cheers at the incredible stage craft and dramatic plot twist at the end. All thoroughly enjoy the experience and it will have helped their understanding of the play for their exam immensely. A huge thanks to the staff who gave up their evening to accompany them.

Enrichment

We held another successful, fun packed Enrichment session this week. From Theatrical Makeup to First Aid. All pupils are thoroughly engaged and enjoying learning new things.

Our pupils also tried Samyang Buldak Ramen, Four Cheese flavour, with enoki mushrooms. Everyone had different spice tolerance but they all enjoyed it! They're looking forward to try a different flavour next time.

Year 11 Prom

We are delighted to announce the details of our Year 11 Prom for this Year, the pupils were very excited to hear the details which were top secret!

We hope that all will join on the 27th June, to celebrate their achievements at Willows! All pupils deserve the chance to feel special and appreciated

It will be an evening that truly lives up to its theme, allowing everyone to shine as brightly as the stars themselves!

School Council

Our School Council met with staff from Cardiff Council and Morgan Sindall this week to gather views and ideas related to areas of the new build. They discussed colour schemes, toilets, furniture, outdoor facilities and designs of a new school logo.

This is the start of a series of engagement sessions where our School Council will be able to bring the voices of our pupils to the architects, engineers and builders who will be delivering the new school to the community in the near future.

Iftar Celebrations

Iftar is the fast-breaking evening meal of Muslims in Ramadan at the time of adhan (call to prayer) of the Maghrib Prayer.

If you would like to join us for Iftar in the Theatre on Thursday 6th March 5.30 -7.30 pm please contact Ms Amos (Helen.Amos@willows.cardiff.sch.uk) or Mrs Parves (Suhala.Parves@willows.cardiff.sch.uk).

You are invited to bring food and water. We would love you to join us !

Football news

Congratulations to our Year 9 boys football team who squeezed through their semi-final against Fitzalan on penalties on Monday.

It was a true reflection of how far the team has come particularly with their character, resilience and team spirit. From captain Ellis Dugdale bravely taking responsibility for the first penalty and

burying it, to David Gabb who made two amazing saves in the shootout.

Finally, Josh Inganda, who showed huge guts to step up and smash that last penalty top bins to win it! No doubt all the boys will remember this for a long, long time, I know we will! We look forward to the final on the 13th May, more details to follow.

On Wednesday our Year 11 boys football team produced a very good performance against a strong Bro Edern team, not the result we wanted but certainly the attitude and commitment that we look for from our pupils. Similarly, our Year 8s suffered a defeat to a very strong Cardiff West team on Thursday.

The next half term will see the culmination of the league season for our Years 7, 8 & 9 teams so lots to play for!

Year 11 Enrichment Sessions – Revision Skills:

Since September, Year 11 have received Enrichment lessons to help build their revision skills. Pupils have been taught a variety of techniques such as:

- Mind Mapping
- Flash cards and the Leitner System
- Revision with Friends
- Carousel Homework
- Just a Minute
- Cornell Notes

There are links to videos explaining all of the above to parents on our school website. Pupils in Year 11 should now be considering upping the amount of revision they are completing to **two hours per evening**. All pupils have access to revision time-table templates and can ask for more whenever they need them.

The pupils are aware of the potential barriers to their concentration such as busy households or too much time on technology. Please discuss this with your child and support them so that they can revise effectively at this important time in their lives. Some ideas for parents may be:

- Locking the pupils' phone / gaming device for an agreed amount of time each night.
- Testing the pupils out loud after they have revised a topic
- Limiting the time that they go out with friends on week nights.
- Encouraging them to stay focused and show you their revision notes after each revision session

Pupils have also been informed of a variety of in school support such as our school library, after school revision sessions and the availability of free resources.

A number of pupils have admitted that their greatest barrier is themselves as they are easily distracted, lose motivation or don't persevere when the work is difficult. As well as the work we are doing in school on this, it would benefit our pupils if you could talk to your child about this and try to come up with motivational techniques to keep them focused.

We believe in our pupils and want everyone to succeed. If you need any help with this or have any questions, please e-mail Kelly.bubbins@willows.cardiff.sch.uk

E Platform Learning

We are pleased to confirm that our subscription for E-Platform is now live. All pupils have been provided with an account and login details. A letter confirming these details will also be sent out shortly.

E-Platform is an online library where our pupils can choose and read books of their choice in line with their reading age. It is a great addition to our school and allows pupils to read anytime and anywhere.

The E-books can be accessed via the E-platform app, which can be downloaded via the QR code below. Alternatively, use the following website: <https://willowshighschool.eplatform.co/> To use please use setup code 5452. Your username will be the same as your STAR test, password is *book*. All pupils have been provided with these details but please ask your English or J7 teacher will have these details if you are unsure.

STAR tests for this term have also been completed for KS3 and results will be shared shortly. As a reminder, we ask that all pupils read for a minimum of 20 minutes a day. This will have a huge impact on their literacy levels and ensure success in school and beyond. If you have any concerns about your child's reading, please do not hesitate to contact their English or Journey 7 teacher.

2. 7SOI – Onyi Asinobi
3. 8MO – Shamir Shah
4. 8BE – Safa Mahmoud
5. 9MA – Isham Candra
6. 9BA – Alaa Laksari

It is really important that you continue to read at home. We ask that all pupils read for a minimum of 20 minutes a night (please give them a reading merit when they do so!). These 20 minutes can make a huge difference in terms of progressing in all areas. Pupils have access to the library after school as well as every two weeks as part of their English lessons as well as the E-platform which can be used 24/7, information above.

Peer-to-Peer Reading Leadership Programme: “I can read, I can lead”

This half term 10CU have been working hard on their Welsh Bac project volunteering with a select group of Year 8 pupils to improve their reading.

The programme will run until the summer Term and will focus not only on developing Year 8 pupils’ reading skills, but will also enable Year 10 pupils to experience leadership and the ability to work in a team. By empowering pupils with the skills to plan, organise and lead in a constructive way, the peer-to-peer programme helps to give young people a sense of purpose as well as the skills required to gain a qualification.

The library has been a hive of activity and it has been wonderful to witness our older pupils mentoring the younger years and we know both year groups are going to be successful! Well done all!

Measles

We are working in partnership with Cardiff and Vale Health Board, enabling children who have missed their scheduled appointments for MMR (measles, mumps and rubella) vaccines to access this in school.

Measles can be very serious for children, and is very easily passed between people who are not vaccinated. There are currently outbreaks of measles in Wales, so we would encourage families to take up the opportunity of their child getting their MMR vaccination if they are offered it by the Health Board. Please note that if your child is invited and you would like your child to have the MMR vaccine which does *not* contain gelatine (Halal), this will be an option you can choose.

For more information about the MMR vaccine please go to [Measles, Mumps and Rubella \(MMR\) - Public Health Wales \(nhs.wales\)](https://www.nhs.uk/conditions/mmr-vaccine/)¹

Measles

If you live in Cardiff and the Vale and are unsure if your child has had the MMR vaccine, you are encouraged to [check their personal child health record](#) (red book) in the first instance

If you remain unsure, other options include:
Contacting the Local Child Health Team on 02921 836926 or 02921 836929.
Contacting your GP Practice, avoiding peak times such as early mornings where possible.

Options for MMR vaccination include:
Your GP Practice
Your local Mass Vaccination Centre. Call 02921 841234
Phone lines are open Mon-Fri between 9am and 5pm

Having the MMR vaccine is the best way to prevent having measles and passing it on to others.
In some cases, measles can cause serious complications including pneumonia and meningitis.

HPV Vaccinations

The Human papillomavirus (HPV) vaccination protects against HPV infection to help reduce your child's risk of some cancers

Dear parent or guardian, The School Nursing Immunisation Team will visit Willows on 03/04/2025 to offer all pupils in Year 8 the HPV vaccine. The NHS recommends that your child gets the HPV vaccine to protect against cancers caused by HPV.

Please complete the electronic consent form by the end of the day 30/03/2025 by using the QR code or clicking on the link.

<https://forms.office.com/Pages/ResponsePage.aspx?id=uChWuyjgkCoVkM8ntyProwc0tRo7SIfoDpDo7y1M5RUOTEyTEdKT0ozOERWSEVXSU1aNTdIREo2NS4u>

The HPV vaccine is highly effective in protecting boys and girls from certain types of cancer caused by HPV infection, including cervical cancer and head and neck cancers (that are most common in males). The HPV vaccine is also effective in protecting boys and girls from certain types of genital warts.

Once your child has received one dose, they will be fully vaccinated and will not require any further doses of the HPV vaccine.

Girls who are vaccinated against HPV will still need to have routine cervical screenings (smear tests) from the age of 25. The best possible defence against cervical cancer is a combination of HPV vaccination and routine cervical screening.

You can find more information on the HPV vaccine at: <https://phw.nhs.wales/topics/immunisation-and-vaccines/vaccination-information1/hpv/> Please keep this letter as it contains the date of the Human Papillomavirus (HPV) vaccination session and contact details.

Class Charts

What is Class Charts?

Class Charts is an app that can be downloaded to your phone. You can use it to:

- keep track of your child's behaviour
- view attendance records
- access your child's weekly timetable
- be informed of and track detentions
- award your child merits for completing their home reading tasks
- view announcements from school.

We would like all parents to sign up to Class Charts, as we are also going to be using this as the main way of sending all messages to you. Likewise, from after half term this will also be the main way that you can report your child's absence to us.

Thank you to all parents who have signed up to Class Charts this year and to those of you who continue to use it.

Please let your child's Head of Year know if you need a login code.

How to report an absence on Class Charts

1. Click on your Class Charts app and click on your child's name.

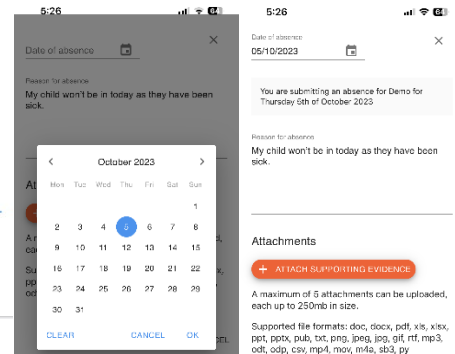

2. Scroll across the green band at the top and click 'report absence'.

3. Click on 'report new absence'

4. Tap the calendar for the date, type in the reason and attach any pictures of medical evidence, such as letters, emails or texts from the doctors, dentist or hospital

5. Click submit...it's as easy as that!

Please contact your child's Head of Year if you have any problems logging on and they will be happy to guide you through the process.

Important information about attendance to school

In an exam, if you got 90% of the questions correct, you would probably think that this is a very good result.

Number of lessons Missed

Unfortunately, this doesn't translate to your child's attendance.

90% attendance for the school year means that your child has **missed 98 lessons**. How are they going to make that time back?

Even **95% attendance** which is the Welsh Government's threshold for good attendance means your child would have **missed 49 lessons** over the school year. This is a lot of work for your child to miss.

The chart above shows how quickly the number of lessons your child misses increases as their attendance drops.

The greatest gift that we can give your child is an amazing set of examination results at the end of Year 11. To provide the best possible conditions for this to happen, your child needs to have as high an attendance percentage as possible.

Pupils are in school for 190 days of the year, **they are not in school for 175 days of the year.**

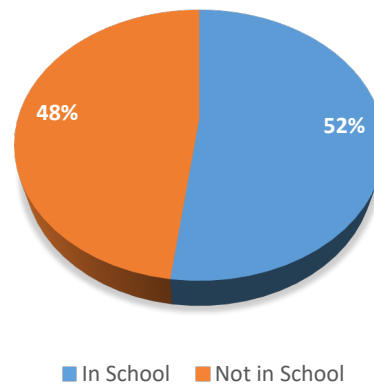

We believe that this is plenty of time for the majority of appointments to be made out of school hours.

Please consider your child's education before making appointments during the school day, and if you have no option, please consider how they are going to catch up on the work they have missed and report the absence every day through Classcharts.

Every pupil who is not in school is a potential safeguarding concern if we have not been notified by you.

We would be grateful if families would take the information above on board and we look forward to your support.

Days in School / Not in School

Our Valued Partners

Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, then rising to **£120** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again. **Please note these fines do not go away.** Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

Lateness to School: Fixed Penalty Notices

Fixed Penalty Notices are already being requested for **poor attendance** and for **term-time holidays**.

After the Easter holidays we will be looking to request Fixed Penalty Notice fines for **lateness to school**. We ask that you speak to your child and discuss the importance of **arriving at school on-time for 9:00am line-up every day**. Your child is missing hours of education if they are consistently late to school.

If your child is regularly late to school then a request for a Fixed Penalty Notice fine will be actioned to the Education Welfare Service. The fine for this is £60, rising to £120, leading to a court summons & increased fines imposed. We **do not** want to have to request this – we would much rather your child be in school on time.

If your child is late to school because of an appointment then please provide evidence to the Attendance Team in the form of an appointment card or letter, etc.

Please help your child to arrive at school in good time. The main gates close at 9am – after this time your child is considered to be late and will need to sign in through Late Gates in the Learning Lounge, and then main reception.

Thank you for your support in this matter.

Willows Words

Did you know that accuracy with writing is worth 50% of the marks on the GCSE English writing tasks? It's also written into the marking schemes for most subjects. You can help your child by quizzing them on the spelling of our Willows Words; these are words that have been found to be commonly misspelled at GCSE. Every week, we'll publish a selection for you to quiz and repeat them in a loop to ensure that the learning is embedded.

Uniform Reminder to Parents

Unfortunately, we are seeing a rise in the number of pupils who are attending school wearing the incorrect uniform, especially on days when they have P.E.

We would appreciate the support of families to ensure that pupils come to school appropriately dressed. On the right is the information in our Parent Handbook which sets out clearly the expectation for our pupils at Willows.

We have uniform for a reason, it is to act as a leveller for pupils. Everyone wears the same, so no-one can feel disadvantaged by those who might want to come into school wearing the latest brands and expensive labels. It is also there to ensure that the clothes that are worn are appropriate to the age of your child, not too revealing and suitable for walking around in throughout the day.

Pupils will be sent home to change if they are wearing inappropriate clothing, this will be the school's decision.

We would appreciate if you would discuss this with your child and take steps to ensure that they are appropriately dressed for school when they leave your house in the morning.

The school will make parents aware if there is any change to the school uniform due to increases in temperature, please do not send your child in P.E. kit if the weather is warm.

Crocs are definitely not part of the school uniform! Our Parent Handbook can be accessed on our website or by clicking the link below:

<https://indd.adobe.com/view/1dbf54a5-38cf-494f-9166-50b358b2e824>

If you are intending to buy new P.E. for next year, please remember that it is the Mid-Layer that is the compulsory item and must be worn. If you want to wear the old P.E. tops, they must be worn under the Mid-Layer.

P.E. Kit:
 School P.E. midlayer top, plain black sport shorts, plain black tracksuit trousers or plain black sports leggings.
 No jeggings, tight fitting trousers, jeans, jean like trousers or low rise trousers.
 No hoodies

Currently if your child has P.E. they should wear their P.E. kit to school for that day.
 If you are concerned about the cold weather, pupils may wear their blazer as an extra layer of clothing.

Acceptable shoes flow diagram:

Hair:
 No extreme styles / non natural colours.

Shoes:
 Black leather or faux leather shoes or ankle boots only.
 No canvas, no trainers, no logos.

Black to go with the uniform.
 Leather to be weather resistant.

Uniform will be checked during the first line-up of the morning.

Pupils who are not wearing correct uniform will be sent home to either change or collect a part of their uniform that was missing

Mobile phone use in school FAQs

What will happen if my child is using their phone on the school premises or during the school day?

Staff will request that pupils hand their device(s) in, these will be stored in a secure place, in a padded envelope and will be clearly labelled ready for collection at the end of the same day. In an attempt to discourage use of electronic devices we will operate an escalated approach:

- Initial offences - Device handed-in, pupil can collect at the end of the same day, Parent/Carer informed.
- Repeated offences – Device handed-in, parent/carers must collect.
- Continued offences – Device handed-in, parent/carers must collect. Parent/carers to attend a meeting.

In the event of an exceptional circumstance, your child's Head of Year should be made aware and an individual solution will be applied.

Can my child bring their phone/electronic device to school?

Yes of course, we ask that they are switched off and out of sight during the school day and when on the school premises.

What if I can't collect my child's phone/electronic device?

That's ok, we will keep any devices secured at the school until it is convenient for you to collect.

What will happen if my child refuses to hand in their electronic device/mobile phone?

This is something we all want to avoid and as such we will also have an escalated approach to this:

Discussion with Head of Year / SLT > time in the APC until handed in > exclusion

Please encourage your child to not use their device in school to avoid the above escalation, we are giving plenty of advance warning to avoid this.

What happens if I need to speak to my child during the school day?

There are rare occasions whereby you may need to speak with your child for emergency reasons, if this is the case, please contact the school via the main number (02920 414243) and we will endeavour to pass on messages or collect your child to use a school phone. If we feel that your child needs to speak with you, we will provide a private space using a school phone to contact you.

Can devices be used during breaks/lunches?

No, we want pupils to communicate with their friends, develop their social skills and be present with each other.

I really find it hard to separate my child from their phone, can you help?

Yes, absolutely, we want our pupils to use their electronic devices responsibly and in moderation. We can work with you to put in place plans to avoid overuse and misuse and will support you in ensuring your child is meeting the school expectations. We will also be educating pupils on how to use devices responsibly and sharing further information on how parents/carers can monitor their child's use.

Numeracy Boost Session (NBS):

Using a variety of digital (e.g. TT-Rock Stars) and non-digital resources, all KS3 pupils will benefit from using laptops in Numeracy Boost Session to enrich their Mathematics skills; they are delivered fortnightly by Mathematics teachers. It is a great opportunity to support low abilities further and stretch high potential pupils

Numeracy Competition Dates - KS3:

Year 9 - Wednesday 26th March 2025

Year 8 - Thursday 27th March 2025

Year 7 - Friday 28th March 2025

Junior UKMT Challenge – Year 7 and Year 8 MAT pupils:

Challenge date: 1st May 2025

UKMT Challenge is an external Mathematics competition giving Year 7 and Year 8 MAT pupils the opportunity to tackle a variety of mathematical activities which inspire their love to problem solving. Relevant emails have been sent to pupils.

Below is the link to the UKMT website where pupils can familiarise themselves with the challenge and can practise as much as they need to increase their confidence:

Numeracy Terms and Question of Week 20, starting 17/02/2025:

To help our pupils boost their mathematical vocabulary and Numeracy skills, The "Terms & Question of the week" will be emailed to them in a weekly basis.

Any questions, please email: Halima.Ait-Brahim@willows.cardiff.sch.uk

The solution to the actual weekly question will be emailed to pupils on **Monday** with the new question.

Answer of the Week 21

Breakfast Supplies

A carton of eggs costs £3:90 and a package of meat costs £7:10. If I went to the store and bought 2 cartons of eggs and 1 package of meat, how much change would I have left from £20:00?

Solution:

We can start by calculating the total spent on meat and eggs as $£3:90 + £3:90 + £7:10 = £14:90$. If we subtract that total from £20:00, we get $£20:00 - £14:90 = £5:10$. So, we would have £5:10 left over from our £20:00. If we wanted to avoid doing calculations with decimal places, we could change all the amounts to pence. In this case, we multiply all of the pound amounts by 100.

So, the total spent would be $390 + 390 + 710 = 1490$ pence. The amount left over would be $2000 - 1490 = 510$ pence. Then, we can divide the number of pence by 100 to get back to a pound amount of £5:10.

Numeracy Question for week 22

Question of the week 22

What number am I?

I am a 3-digit number.
 All of my digits are even numbers greater than 1.
 My hundreds' digit is greater than my tens digit.
 My tens' digit minus my units' digit is twice as much as my hundreds' digit minus my tens' digit.
 My tens' digit is a multiple of 3.
 What number am I?

Terms of the week 22

2D Shapes - Polygons:

A polygon is a 2D shape with at least three sides.

- Poly means Some
- Gon means angle

Types of polygon:

Polygons can be regular or irregular. If the angles are all equal and all the sides are equal length it is a regular polygon.

Shape	Interior Angle	Name
	60°	Equilateral Triangle
	90°	Square
	108°	Pentagon
	120°	Hexagon
	128.57°	Heptagon
	135°	Octagon

Interior angles of polygons:

All the interior angles in a regular polygon are equal. The formula for calculating the size of an interior angle is:

interior angle of a polygon = $\frac{\text{sum of interior angles} \rightarrow \text{number of sides}}{\text{number of sides}}$

Exterior angles of polygons:

If the side of a polygon is extended, the angle formed outside the polygon is the exterior angle.

Interior and exterior angles add up to 180°.

The sum of the exterior angles of a polygon is 360°.

MathsWatch

All of our pupils' weekly Mathematics homework is accessible on MathsWatch, which can be found at <https://www.mathswatchvle.com/>. They must be completed by their given deadlines. Each set homework is open for a month, so that pupils can keep improving their scores. This will also help your child to revise and to practice the mathematics and numeracy skills, knowledge and understanding that they have been learning in class. There are videos available for each topic and interactive questions that they can try. Please ensure your child completes and submits their homework on time. Any outstanding homework must still be completed, and they should all aim to achieve 100% on them.

TimesTable Rockstars

Single numeracy boost sessions are provided to all our Year 7, 8 & 9 pupils on a fortnightly basis to enrich their Mathematical Skills, specifically with a focus on times tables. Pupils will be accessing their TTRS accounts and improving their knowledge of the times tables.

At home, pupils should log on to TTRS via their technological devices at home. There is also a phone app that they can download via Apple or Android, free of charge.

All the pupils have 5-10minutes daily tasks on there to help consolidate their times tables. It will also earn them coins to use for customising their own individual avatars. Similarly to MathsWatch, there will be a leaderboard and certificates to reward their efforts.

Please congratulate the **"Top 3 TTRS"**, who have improved their speed time in answering times tables questions! Keep practicing everyone!

Social Media

Social media is increasingly playing a role in the lives of our pupils and for the majority of time, this is a positive thing. However, we are increasingly seeing how social media can have quite a negative impact on our pupils and in some cases, the impact has been quite significant.

We need to work together to harness all of the positive aspects of social media (and there are many) and to cancel out those aspects which can do harm. Whilst it is easy to focus on the fact that the age guideline for most sites is 13, it is also recognised how difficult it is to stop children from accessing these especially when all of their friends are using a certain platform.

Perhaps a more realistic place to start is to ensure that, if social media sites are to be used then they are set up in a way which helps to protect privacy. For example, most platforms allow you to:

- **set an account to private** (many of our pupils don't do this and some have been approached by people they don't know)
- **not allow friend requests** – again, some pupils have had friend requests from unknown users
- **hide the user's location** – worryingly, so many pupils share their location and with the development of ever more sophisticated software, it is becoming relatively easy to pinpoint exactly where the social media account is being used from (without sharing any address details).

Changing the settings to not allow the issues to happen takes a few minutes and can significantly improve the level of online safety when accessing social media. The NSPCC site 'Keeping children safe online' really is excellent and I would urge all families to access this: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

South Wales Police - Sextortion

We have been informed that South Wales Police are concerned about the rapidly growing number of 'sexortion' cases involving young people across Wales.

This is where individuals are targeted and threatened that inappropriate images of themselves that have been previously uploaded will be shared unless money is sent. This is obviously extremely worrying and the first action must be to ensure that no such photographs or videos exist – and, if they do so, they must be deleted immediately.

The advice to families from South Wales Police is as follows:

- Don't pay, do stop contact and block: you may be tempted to pay, but there is no guarantee that this will stop the threats. As the offender's motive is to get money, once you have shown you can pay, they will likely ask for more and blackmail may continue. If you have paid, don't panic but don't pay anything more. Help your child to stop all communication with the offender and block them on any accounts that they have been contacted on.
- Avoid deleting anything: try not to delete anything that could be used as evidence such as messages, images, telephone numbers, and bank account details.
- Report to the police or CEOP: call 101 or 999 if there is an immediate risk of harm to your child. Or you can use the [CEOP Safety Centre](#) to report any online blackmail attempts.

The NSPCC website is also a very good source of information and support should you require it.

TALKING TEENS

Talking Teens from Family Links acknowledges that the teenage years can be challenging both for parents and teenagers themselves. Talking Teens encourages an approach to relationships that supports young people to develop good emotional and mental health as they move towards adulthood and provide the basis for a calmer, happier family life. Talking Teens builds on the Parent Nurturing Programme. Talking Teens introduces a weekly theme, including some background and theory, provides opportunity to parents to discuss and share experiences linked to the themes, and brings in some practical strategies to use at home.

Cardiff Parenting are offering Talking Teens for families living in Cardiff

Over the 4 week course you will look at topics including:

- What teenagers need from parents & what parents need from teenagers.
- Recognising the feelings behind behaviours (ours and theirs).
- Understanding the teenage brain.
- Talking about difficult issues such as drugs & alcohol, social media, sex.
- Finding ways to develop co-operation.
- The importance of communication.

Wellbeing in school

At Willows High School, we aim to promote positive mental health and wellbeing for our whole school community; pupils, staff and families, and recognise how important mental health and emotional wellbeing is to our lives in just the same way as physical health. We recognise that children's mental health is a crucial factor in their overall wellbeing and can affect their learning and achievement. All children go through ups and downs through their school career/life and some face significant life events.

Our Valued Partners

Our aim is to help develop the protective factors which build resilience to mental health problems and be a school where:

- All pupils are valued
- Pupils have a sense of belonging and feel safe
- Pupils feel able to talk openly with trusted adults about their problems without feeling any stigma
- Positive mental health is promoted and valued
- Bullying is not tolerated

Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go: Staff in the Learning Lounge are here to look after your wellbeing so please come down for a confidential chat.

If you are a young carer and feel you need more support or would like to know about more opportunities out there for you, Ms. Mackintosh, our Safeguarding Officer, can provide information on what is available.

Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.

A member of staff you trust. All members of staff will be there for you. If you want to confide in someone please do and they will help get you the support you need.

Parents and Families

If your child is unwell at school

If your child becomes unwell at school, we will contact you if necessary. We request that you ask your child to not contact home requesting for parents to collect them. Pupils should follow the correct procedure by telling a member of staff, the situation will be assessed and contact home will be made if required. Pupils will not be allowed to leave the school site without being accompanied by a responsible adult.

Parent Governors

We currently have vacancies for parents to join our Governing Body to play their part in continuing to make Willows High School better and better. If it's something you are interested in, please contact the school using contact@willows.cardiff.sch.uk.

Support

A flyer with a yellow and white background. The top section has a yellow background with the text: 'Are you a parent who has had depression or struggled with low mood? Do you have a child aged 13-19?'. Below this is an illustration of a parent and a child sitting on a sofa. The middle section has two columns of text: 'Our study will... offer young people the opportunity to learn wellbeing skills through an online cognitive behavioural therapy (CBT) group program' and 'and... offer additional support to parents with depressive symptoms'. Below this is a blue box that says 'Receive up to £160 in vouchers'. The bottom section has a dark blue background with the text: 'WE WANT TO HEAR FROM YOU Scan the QR code to register your interest in taking part.' and a QR code. At the bottom, there are logos for NHS, Willows High School, and Cardiff Council.

We want to help you as best we can and there is a lot of support out there for parents and families.

Please contact the school using karen.hunt@willows.cardiff.sch.uk or by phone using 07733889062 if you need any information on who you can turn to.

Your child's Head of Year and the Welfare Team can also help. Please do not suffer alone. Reach out to us.

Allergies

At Willows, we are very conscious of pupil and staff sensitivity to the 14 food allergens. The food that our canteen produces is clearly labelled and the pupil information displayed at the tills identifies any allergies that the pupil in front of them has.

We do have a number of staff and pupils who have strong reactions to certain allergens, **particularly nuts**, so we ask for the support of all families to be aware of what your child is bringing into school and be sympathetic to the sensitivities of our school community.

We cannot 100% guarantee that the school is nut free, it is not possible to check what food is brought into school by every pupil, every day. We ask for your support in ensuring that the risks of allergic reactions are minimised.

For more information on allergies, please visit <https://www.allergyuk.org/>.

THE 14 FOOD ALLERGENS

- MOLUSCS**: Including land snails, whelks and squid.
- EGGS**: Can be found in cakes, sauces and pastries.
- FISH**: Found in pizza, dressings and Worcestershire sauce.
- LUPIN**: Lupin can be found in bread, pastries and pasta.
- SOYA**: Various beans including edamame and tofu.
- MILK**: Butter, cheese, cream and milk powders contain milk.
- PEANUTS**: Can be found in cakes, biscuits and sauces.
- GLUTEN**: In food made with flour such as pasta and bread.
- CRUSTACEANS**: Such as crab, lobster, prawns, shrimp and scampi.
- MUSTARD**: Can be in liquid or powder form as well as seeds.
- NUTS**: Including cashews, almonds and hazelnuts.
- SESAME**: Found on burgers, bread sticks and salads.
- CELERY**: Including stalks, leaves, seeds and celeriac.
- SULPHITES**: Found in dried fruit like raisins and some drinks.

Safeguarding

A reminder that the school safeguarding lead is Danielle MacKintosh. If you are worried or concerned about a child and any time (including over the holidays) then please e-mail her on Danielle.MacKintosh@willows.cardiff.sch.uk If you are a pupil that needs help, please also contact Danielle via this e-mail address.

Chat Health

A reminder that all secondary school pupils can text the school nurse service for any medical support and advice. This may be useful if your child is too anxious or embarrassed to talk to a doctor in the first instance. Please chat about this with your child and make them aware of the service and number (below):

**IF YOU'RE 11-19 YEARS OLD
TEXT YOUR SCHOOL NURSE ON
07520 615718
FOR CONFIDENTIAL ADVICE AND SUPPORT**

We help young people with all kinds of things like...

BULLYING SMOKING EMOTIONAL WELLBEING FEELING SAD OR ANGRY EXAM STRESS

HEALTHY EATING CHANGES TO YOUR BODY DRUGS ALCOHOL RELATIONSHIPS

We do not usually inform your parents, teachers or anyone else if you contact the school nurse. We might inform someone if we were concerned about your safety, but we would usually speak to you first. Your messages are stored and can be seen by other staff because they help us to help you better. We will not reply to you unless we are working on your behalf and you should get an immediate answer back to confirm we received your text. Texts will not be used as evidence of criminal wrongdoing. If you need help before you have back to school, contact a member of school staff or your doctor. Our text number does not receive messages on behalf of other people. The support messages from the mobile number only work on mobile phones. We do not receive messages from landlines, international mobile numbers and some 'number changing' mobile apps. Please let the school nurse know sending messages to you by text is OK in our number. Please respect your school mobile phone policy. Messages are charged at your usual rate.

Cardiff Foodbank

Willows High School is a partner agency for Cardiff Foodbank.

If you need a Foodbank Voucher please contact the school using karen.hunt@willows.cardiff.sch.uk or by phone using 07733889062. Where we can help, we will do so confidentially.

Period Dignity

We have been working hard to reduce the stigma over periods for the last two years in line with all Wales objectives. We are hoping to achieve the 'Period Standard' award soon. Please take a few moments to familiarise yourself with the document featured in the link below:

<https://www.gov.wales/sites/default/files/publications/2023-02/period-dignity-strategic-action-plan-young-people%27s-version.pdf>

Just a reminder that school can provide tampons, pads, menstrual cups and period pants for pupils which are provided by the LA. Please direct pupils to form tutors, the Welfare Office, the Main Office or to Mrs. Bubbins if you think they may need help with this.

All Year 8 pupils received a 'Period Dignity' workshop from qualified advisors from Brook.

We would like to hear your views on improving period provision. We have implemented many of your ideas from our last survey and value your opinions. The link to the Parent Questionnaire is here:

<https://forms.office.com/e/RBkJKggA1Z>

Likewise, we would like more feedback from our pupils in this area. The link to the Pupil Questionnaire is here:

<https://forms.office.com/e/i2wscPQX7s>

Please take time to help us, help you have a dignified period.

A reminder that pupils can collect free period products from school at any time. Pupils can ask any trusted adult for these or can access them in the school office, from Mrs. Bubbins or from the Welfare Office.

Cardiff Youth Service

Cardiff Youth Service can support young people on a variety of topics such as emotional health, housing, finance and help lines. More information can be found on their website:

<http://cardiffyouthservices.wales/>

Key Services

Here is a reminder of some of the key services available for young people and their families:

- **School nurse** – pupils can text 07520615718 or 'chat' on 'Chathealth.NHS.UK' for confidential advice and support.
- **Family Gateway** – 03000133133 – provides advice for families no matter how big or small the problem.
- **Food Bank** - our nearest food bank can be found at St. Saviours Church on Splott Road. For dates and times, go to <https://cardiff.foodbank.org.uk/>
- **Period Poverty** – Please e-mail Mrs. Bubbins at Kelly.Bubbins@willows.cardiff.sch.uk if you need feminine hygiene products and we'll do our best to help.

As always, thank you for your support. If there are any problems, we would appreciate that you contact the relevant person in school straight away rather than using social media platforms. We will always try our best to reach a solution and this will ensure your concern is seen and avoid any misinformation and miscommunication.

Recently, there has been an increase in family members arriving at the school to collect their children early, without letting us know in advance.

To ensure all of our pupils are safeguarded, we will not be able to release a pupil from our care until 3.10pm unless we are notified of a necessary appointment in advance. These can be communicated through the Report Absence tab on the Classcharts Parent app. Instructions on how to do this can be found in this Newsletter. We are grateful for your understanding and would appreciate your cooperation with this

Please could parents refrain from turning up at the school reception without an appointment. Heads of Year, Teachers and Support Staff are incredibly busy during the school day looking after our pupils. If there is a problem, please arrange an appointment with your child's Head of Year in the first instance. To organise this, please ring the school reception on 029 20414243.

Alternatively, you can e-mail the relevant member of staff, details below.

Have an amazing half term break. We'll see all our pupils when the **school re-opens on Monday 3rd March.**

Splitting the £1.00

How it works...

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to Willows High School

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online by direct debit or debit card.

It's so easy to join and will make a real difference to Willows High School

- 40p goes to our school
- 36p goes to cash prizes
- 20p goes to admin costs
- 4p goes to VAT

The Maths... 100 tickets sold a week means
= £30 weekly cash prize
= £2,080 a year for our school
