Weekly Newsletter – 13.06.2025

Hello! مرحباً! Ahoj! Ola! Dzień dobry! Salut! Helo!

Belong, Believe, Achieve:

Well done to our Year 10 & 11 pupils who have handled the summer examination season so admirably, only a couple left to go. This week our pupils have met with Morgan Sindall to discuss the interior design of the new build, engaged in another Enrichment session, competed in the Debate Mate finals in London and participated in workshops to celebrate Pride month. This week's assembly was provided by Mrs. Bubbins which looked at period dignity.

Breakdown of the Week

School News:

Hay Festival 2025 Trip

This year's trip was a resounding success, with our students praised for their questions, invited on stage and chatting with writers in the bookshop. The pupils enjoyed workshops by young adult authors Matt Goodfellow, Liz Hyder and Ravena Guron, learning about their motivations and craft. Highlights included Junior's highly praised contributions to author's questions and Azeem's brilliant performance on stage as a 'pop up' character. The pupils are chosen for the trip for their amazing reading habits, so keen readers should join Book Club or keep borrowing from the school library and completing the AR quizzes!

Sport

A huge well done to our Year 8 pupil Joshua Puzey-Dacruz for being man of the match 2 weeks in a row for his local team 'Splott Albion Juniors Baseball'. His brilliant catches and incredible throws from backstop to first base helping the team win 95 runs to the opponents 35, we are all super proud of you!

Enrichment

Our pupils enjoyed another fun filled enrichment session this week, here's a few photos of the many activities they enjoy such as Duke of Edinburgh, cooking, jewellery making, street art and clay making to name a few!

Volunteering

Our year 7 pupils enjoyed volunteering on Thursday at the Splott Community Breakfast Club, they had a great time spending time with the local community, we believe volunteering can help children develop a deeper understanding of community needs and social issues, promoting empathy and a desire to make a positive impact.

Canteen Menu

We continue to receive positive feedback from the meals that our canteen provides.

As you may be aware, school budgets are getting tighter and tighter. As a result, we are no longer able to manage with the amount of school meal debt that some pupils are accumulating.

We have reduced the amount a pupil account can be in debt to £10. If a pupil goes over this limit, we will provide them with something to eat but they will not be able to choose from the Canteen Menu. If this occurs, our Finance Team will be in touch to support families through the process.

Facilities to hire after school

Please contact our Estates Manager if you would be interested in hiring our Learning Lounge or Theatre after school hours – Cyril.royer1@willows.cardiff.sch.uk

The Learning Lounge is colourful and bright space, with a tea/coffee making utilities, comfy seating, as well as more private areas to sit. We also have a larger area from which adult education and skills building classes and groups are run.

The Theatre has a large stage and seating area which can be used for performances or other activities.

Free transport to Tafwyl

Thanks to funding from 7Steel UK (formerly Celsa), Splott Community Volunteers has organised a free minibus to take people to Bute Park this Saturday so that they can enjoy free Welsh festival, Tafwyl. The bus will run on a loop between 11am and 1pm and then will start up again at 2pm and run until 5pm. The stops are on the poster attached and listed below. Tafwyl is a brilliant cultural festival that can be enjoyed by everyone - you don't have to speak Welsh to enjoy.

"Tafwyl is a brilliant Welsh festival held annually in Bute Park that has FREE ENTRY! There will be music, stalls, activities, food & drink and it's open to all to enjoy – you don't have to speak Welsh.

The free shuttle to Tafwyl will be running on a continuous loop between 11am and 1pm and between 2pm and 5pm, stopping at these locations:

- STAR Hub car park, Muirton Rd - CF24 2SJ
- Willows High School entrance gate at the bottom of Willows Avenue - CF24 2YE
- STAR Leisure Centre car park gates - Railway Street - CF24 2BZ
- Outside Morrisons / Post Office, Meteor Street - CF24 0ES
- Castle Mews Car Park, North Road - CF10 3ER

*You may have to wait up to 30 minutes as the bus is on a loop

Look out for the Newport Transport minibus with the poster in the window"

Killed At Dawn

She held him close -
not as a hero would a foe,
but as one might cradle something broken
and too old to hate.

The sun crept in - slow as truth,
slipping through the trees like a thief.
It kissed his shoulder -
the skin, hissed cracked,
and peeled away in silence.

His breath - shallow.

"So this is how I go," he said,
his voice like smoke caught in a jar.
"Not by blade, nor wrath -
but by something as soft as light."

She didn't speak.
Her fingers brushed the curve of his cheek
as if to memorise what soon would be air.

"I lived too long," he murmured.
"A thousand years, and all I learned
was how to fear sunlight."
A pause - the sound of flesh unwinding.
"You - you were never meant to see me like this"

A breath caught -
then shuddered loose.
His jaw clenched against the burn.
Flakes of him -
black, then grey -
drifted upward
like regrets without names.

His hand, or what remained
tried to reach her cheek. It fell apart before it could.

"I never knew... I'd go out like this...."

And then,
with one final exhale -
barely sound, barely breath -
he collapsed
into light.
Ash swirled around her shoulders.
She did not move.
What she held
was gone.

Year 11 Enrichment Sessions – Revision Skills:

Since September, Year 11 have received Enrichment lessons to help build their revision skills. Pupils have been taught a variety of techniques such as:

- Mind Mapping
- Flash cards and the Leitner System
- Revision with Friends
- Carousel Homework
- Just a Minute
- Cornell Notes

There are links to videos explaining all of the above to parents on our school website. Pupils in Year 11 should now be considering upping the amount of revision they are completing to **two hours per evening**. All pupils have access to revision time-table templates and can ask for more whenever they need them.

The pupils are aware of the potential barriers to their concentration such as busy households or too much time on technology. Please discuss this with your child and support them so that they can revise effectively at this important time in their lives. Some ideas for parents may be:

- Locking the pupils' phone / gaming device for an agreed amount of time each night.
- Testing the pupils out loud after they have revised a topic
- Limiting the time that they go out with friends on week nights.
- Encouraging them to stay focused and show you their revision notes after each revision session

Pupils have also been informed of a variety of in school support such as our school library, after school revision sessions and the availability of free resources.

A number of pupils have admitted that their greatest barrier is themselves as they are easily distracted, lose motivation or don't persevere when the work is difficult. As well as the work we are doing in school on this, it would benefit our pupils if you could talk to your child about this and try to come up with motivational techniques to keep them focused.

We believe in our pupils and want everyone to succeed. If you need any help with this or have any questions, please e-mail Kelly.bubbins@willows.cardiff.sch.uk

E Platform Learning

We are pleased to confirm that our subscription for E-Platform is now live. All pupils have been provided with an account and login details. A letter confirming these details will also be sent out shortly.

E-Platform is an online library where our pupils can choose and read books of their choice in line with their reading age. It is a great addition to our school and allows pupils to read anytime and anywhere.

The E-books can be accessed via the E-platform app, which can be downloaded via the QR code below. Alternatively, use the following website: <https://willowshighschool.eplatform.co/>. To use please use setup code 5452. Your username will be the same as your STAR test, password is *book*. All pupils have been provided with these details but please ask your English or J7 teacher will have these details if you are unsure.

STAR tests for this term have also been completed for KS3 and results will be shared shortly. As a reminder, we ask that all pupils read for a minimum of 20 minutes a day. This will have a huge impact on their literacy levels and ensure success in school and beyond. If you have any concerns about your child's reading, please do not hesitate to contact their English or Journey 7 teacher.

Access your eLibrary anywhere, anytime, on multiple devices

Readers of the Week

A massive well done to our Readers of the week! These are pupils who have been consistently reading on our e-book platform as well as making the most of our school library! Please come and see Ms Nelms for your golden tickets!

2. 8MO -Davina Alexander-Nnamoko, 8BE- Jayden Tanner
3. 9HP-Shrey Chauhan, 9HP-Amelia Leonard

It is really important that you continue to read at home. We ask that all pupils read for a minimum of 20 minutes a night (please give them a reading merit when they do so!). These 20 minutes can make a huge difference in terms of progressing in all areas. Pupils have access to the library after school as well as every two weeks as part of their English lessons as well as the E-platform which can be used 24/7, information above.

School Essentials Grant

Registering as eligible for free school meals with your Local Authority unlocks access to the School Essentials Grant. It also means schools get more funding. With the introduction of free school meals for primary pupils, many parents/carers do not realise that schools will lose out unless they continue to register as eligible. Even if you don't need the grant, registering here: <https://www.gov.wales/get-help-school-costs> will mean schools get additional funding.

Class Charts

What is Class Charts?

Class Charts is an app that can be downloaded to your phone. You can use it to:

- keep track of your child's behaviour
- view attendance records
- access your child's weekly timetable
- be informed of and track detentions
- award your child merits for completing their home reading tasks
- view announcements from school.

We would like all parents to sign up to Class Charts, as we are also going to be using this as the main way of sending all messages to you. Likewise, from after half term this will also be the main way that you can report your child's absence to us.

Thank you to all parents who have signed up to Class Charts this year and to those of you who continue to use it.

Please let your child's Head of Year know if you need a login code.

How to report an absence on Class Charts

1. Click on your Class Charts app and click on your child's name.

2. Scroll across the green band at the top and click 'report absence'.

3. Click on 'report new absence'

4. Tap the calendar for the date, type in the reason and attach any pictures of medical evidence, such as letters, emails or texts from the doctors, dentist or hospital

5. Click submit...it's as easy as that!

Please contact your child's Head of Year if you have any problems logging on and they will be happy to guide you through the process.

Important information about attendance to school

In an exam, if you got 90% of the questions correct, you would probably think that this is a very good result.

Unfortunately, this doesn't translate to your child's attendance.

90% attendance for the school year means that your child has **missed 98 lessons**. How are they going to make that time back?

Even **95% attendance** which is the Welsh Government's threshold for good attendance means your child would have **missed 49 lessons** over the school year. This is a lot of work for your child to miss.

The chart above shows how quickly the number of lessons your child misses

increases as their attendance drops.

The greatest gift that we can give your child is an amazing set of examination results at the end of Year 11. To provide the best possible conditions for this to happen, your child needs to have as high an attendance percentage as possible.

Pupils are in school for 190 days of the year, **they are not in school for 175 days of the year.**

We believe that this is plenty of time for the majority of appointments to be made out of school hours.

Please consider your child's education before making appointments during the school day, and if you have no option, please consider how they are going to catch up on the work they have missed and report the absence every day through Classcharts.

Every pupil who is not in school is a potential safeguarding concern if we have not been notified by you.

We would be grateful if families would take the information above on board and we look forward to your support.

Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, then rising to **£120** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again. **Please note these fines do not go away.** Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

Lateness to School: Fixed Penalty Notices

Fixed Penalty Notices are already being requested for **poor attendance** and for **term-time holidays**.

After the Easter holidays we will be looking to request Fixed Penalty Notice fines for **lateness to school**. We ask that you speak to your child and discuss the importance of **arriving at school on-time for 9:00am line-up every day**. Your child is missing hours of education if they are consistently late to school.

If your child is regularly late to school then a request for a Fixed Penalty Notice fine will be actioned to the Education Welfare Service. The fine for this is £60, rising to £120, leading to a court summons & increased fines imposed. We **do not** want to have to request this – we would much rather your child be in school on time.

If your child is late to school because of an appointment then please provide evidence to the Attendance Team in the form of an appointment card or letter, etc.

Please help your child to arrive at school in good time. The main gates close at 9am – after this time your child is considered to be late and will need to sign in through Late Gates in the Learning Lounge, and then main reception.

Thank you for your support in this matter.

Willows Words

Did you know that accuracy with writing is worth 50% of the marks on the GCSE English writing tasks? It's also written into the marking schemes for most subjects. You can help your child by quizzing them on the spelling of our Willows Words; these are words that have been found to be commonly misspelled at GCSE. Every week, we'll publish a selection for you to quiz and repeat them in a loop to ensure that the learning is embedded.

Uniform Reminder to Parents

Unfortunately, we are seeing a rise in the number of pupils who are attending school wearing the incorrect uniform, especially on days when they have P.E.

We would appreciate the support of families to ensure that pupils come to school appropriately dressed. On the right is the information in our Parent Handbook which sets out clearly the expectation for our pupils at Willows.

We have uniform for a reason, it is to act as a leveller for pupils. Everyone wears the same, so no-one can feel disadvantaged by those who might want to come into school wearing the latest brands and expensive labels. It is also there to ensure that the clothes that are worn are appropriate to the age of your child, not too revealing and suitable for walking around in throughout the day.

Pupils will be sent home to change if they are wearing inappropriate clothing, this will be the school's decision.

We would appreciate if you would discuss this with your child and take steps to ensure that they are appropriately dressed for school when they leave your house in the morning.

The school will make parents aware if there is any change to the school uniform due to increases in temperature, please do not send your child in P.E. kit if the weather is warm.

Crocs are definitely not part of the school uniform! Our Parent Handbook can be accessed on our website or by clicking the link below:

<https://indd.adobe.com/view/1dbf54a5-38cf-494f-9166-50b358b2e824>

If you are intending to buy new P.E. for next year, please remember that it is the Mid-Layer that is the compulsory item and must be worn. If you want to wear the old P.E. tops, they must be worn under the Mid-Layer.

P.E. Kit:

School P.E. midlayer top, plain black sport shorts, plain black tracksuit trousers or plain black sports leggings.
No jeggings, tight fitting trousers, jeans, jean like trousers or low rise trousers.
No hoodies

Currently if your child has P.E. they should wear their P.E. kit to school for that day.
If you are concerned about the cold weather, pupils may wear their blazer as an extra layer of clothing.

Acceptable shoes flow diagram:

Uniform will be checked during the first line-up of the morning.

Pupils who are not wearing correct uniform will be sent home to either change or collect a part of their uniform that was missing

Hair:
No extreme styles / non natural colours.

Shoes:
Black leather or faux leather shoes or ankle boots only.
No canvas, no trainers, no logos.

Black to go with the uniform.
Leather to be weather resistant.

Mobile phone use in school FAQs

What will happen if my child is using their phone on the school premises or during the school day?

Staff will request that pupils hand their device(s) in, these will be stored in a secure place, in a padded envelope and will be clearly labelled ready for collection at the end of the same day. In an attempt to discourage use of electronic devices we will operate an escalated approach:

- Initial offences - Device handed-in, pupil can collect at the end of the same day, Parent/Carer informed.
- Repeated offences – Device handed-in, parent/carers must collect.
- Continued offences – Device handed-in, parent/carers must collect. Parent/carers to attend a meeting.

In the event of an exceptional circumstance, your child's Head of Year should be made aware and an individual solution will be applied.

Can my child bring their phone/electronic device to school?

Yes of course, we ask that they are switched off and out of sight during the school day and when on the school premises.

What if I can't collect my child's phone/electronic device?

That's ok, we will keep any devices secured at the school until it is convenient for you to collect.

What will happen if my child refuses to hand in their electronic device/mobile phone?

This is something we all want to avoid and as such we will also have an escalated approach to this:

Discussion with Head of Year / SLT > time in the APC until handed in > exclusion

Please encourage your child to not use their device in school to avoid the above escalation, we are giving plenty of advance warning to avoid this.

What happens if I need to speak to my child during the school day?

There are rare occasions whereby you may need to speak with your child for emergency reasons, if this is the case, please contact the school via the main number (02920 414243) and we will endeavour to pass on messages or collect your child to use a school phone. If we feel that your child needs to speak with you, we will provide a private space using a school phone to contact you.

Can devices be used during breaks/lunches?

No, we want pupils to communicate with their friends, develop their social skills and be present with each other.

I really find it hard to separate my child from their phone, can you help?

Yes, absolutely, we want our pupils to use their electronic devices responsibly and in moderation. We can work with you to put in place plans to avoid overuse and misuse and will support you in ensuring your child is meeting the school expectations. We will also be educating pupils on how to use devices responsibly and sharing further information on how parents/carers can monitor their child's use.

Numeracy Terms and Question of Week 34, starting 09/06/2025

To help our pupils boost their mathematical vocabulary and Numeracy skills, The "Terms & Question of the week" will be emailed to them in a weekly basis.

Any questions, please email: Halima.Ait-Brahim@willows.cardiff.sch.uk

The solution to the actual weekly question will be emailed to pupils on **Monday** with the new question.

Numeracy Answer of the week 33

Skipping at School:

Sophia is an excellent skipper and skips every morning recess with her friends at school. At the end of each recess, she counts how many times she has jumped. Sophia rarely misses her jumps or gets caught on the skipping rope, and so she averages 60 jumps every minute.

- If recess is 10 minutes long, how many jumps do you expect Sophia to complete in a single recess?
- How many days will it take for Sophia to complete at least 5000 jumps, if she jumps for one recess every day?

Solution:

- Since Sophia jumps an average of 60 times in 1 minute, and recess is 10 minutes long, we can expect Sophia to complete $60 \times 10 = 600$ jumps in a single recess.
- From part (a) we expect Sofia to complete 600 jumps in one recess. Since she jumps for one recess every day, then in two days, we would expect her to complete $600 + 600 = 1200$ jumps. We can make a table to determine how long it will take Sophia to complete at least 5000 jumps.

Days	Total Jumps
1	600
2	$600 + 600 = 1200$
3	$1200 + 600 = 1800$
4	$1800 + 600 = 2400$
5	$2400 + 600 = 3000$
6	$3000 + 600 = 3600$
7	$3600 + 600 = 4200$
8	$4200 + 600 = 4800$
9	$4800 + 600 = 5400$

After 8 days, we would expect Sophia to have completed 4800 jumps, and after 9 days we would expect Sophia to have completed 5400 jumps. Therefore, it will take Sophia 9 days to complete at least 5000 jumps.

Numeracy Answer for week 33

Numeracy Question for week 34

Question of the week 34

Pumpkin Patch:

The mass of a standard carving pumpkin is approximately 12 kg. Nadia plans to sell the pumpkins she has grown at the farmer's market. The table she has to display the pumpkins can support 224 kg.

If the mass of each of her pumpkins is 12 kg, what is the largest number of pumpkins that Nadia can put on her table?

Numeracy Terms of the Week 34

Line of symmetry:

A line of symmetry can also be called a 'mirror line' as a mirror can be placed along it and the reflection would show the entire shape.

Isosceles triangles have one line of symmetry.

Rectangles have two lines of symmetry.

Squares have 4 lines of symmetry.

Equilateral Triangles have 3 lines of symmetry.

Circles have infinite symmetrical lines.

MathsWatch

All of our pupils' weekly Mathematics homework is accessible on MathsWatch, which can be found at <https://www.mathswatchvle.com/>. They must be completed by their given deadlines. Each set homework is open for a month, so that pupils can keep improving their scores. This will also help your child to revise and to practice the mathematics and numeracy skills, knowledge and understanding that they have been learning in class. There are videos available for each topic and interactive questions that they can try. Please ensure your child completes and submits their homework on time. Any outstanding homework must still be completed, and they should all aim to achieve 100% on them.

TimesTable Rockstars

Single numeracy boost sessions are provided to all our Year 7, 8 & 9 pupils on a fortnightly basis to enrich their Mathematical Skills, specifically with a focus on times tables. Pupils will be accessing their TTRS accounts and improving their knowledge of the times tables.

At home, pupils should log on to TTRS via their technological devices at home. There is also a phone app that they can download via Apple or Android, free of charge.

All the pupils have 5-10minutes daily tasks on there to help consolidate their times tables. It will also earn them coins to use for customising their own individual avatars. Similarly to MathsWatch, there will be a leaderboard and certificates to reward their efforts

Please congratulate the **"Top 3 TTRS"**, who have improved their speed time in answering times tables questions! Keep practicing everyone!

For any login issues, please email Miss Santos at dana.santos@willows.cardiff.sch.uk

Social Media

Social media is increasingly playing a role in the lives of our pupils and for the majority of time, this is a positive thing. However, we are increasingly seeing how social media can have quite a negative impact on our pupils and in some cases, the impact has been quite significant.

We need to work together to harness all of the positive aspects of social media (and there are many) and to cancel out those aspects which can do harm. Whilst it is easy to focus on the fact that the age guideline for most sites is 13, it is also recognised how difficult it is to stop children from accessing these especially when all of their friends are using a certain platform.

Perhaps a more realistic place to start is to ensure that, if social media sites are to be used then they are set up in a way which helps to protect privacy. For example, most platforms allow you to:

- **set an account to private** (many of our pupils don't do this and some have been approached by people they don't know)
- **not allow friend requests** – again, some pupils have had friend requests from unknown users
- **hide the user's location** – worryingly, so many pupils share their location and with the development of ever more sophisticated software, it is becoming relatively easy to pinpoint exactly where the social media account is being used from (without sharing any address details).

Changing the settings to not allow the issues to happen takes a few minutes and can significantly improve the level of online safety when accessing social media. The NSPCC site 'Keeping children safe online' really is excellent and I would urge all families to access this: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

South Wales Police - Sextortion

We have been informed that South Wales Police are concerned about the rapidly growing number of 'sexortion' cases involving young people across Wales.

This is where individuals are targeted and threatened that inappropriate images of themselves that have been previously uploaded will be shared unless money is sent. This is obviously extremely worrying and the first action must be to ensure that no such photographs or videos exist – and, if they do so, they must be deleted immediately.

The advice to families from South Wales Police is as follows:

- Don't pay, do stop contact and block: you may be tempted to pay, but there is no guarantee that this will stop the threats. As the offender's motive is to get money, once you have shown you can pay, they will likely ask for more and blackmail may continue. If you have paid, don't panic but don't pay anything more. Help your child to stop all communication with the offender and block them on any accounts that they have been contacted on.
- Avoid deleting anything: try not to delete anything that could be used as evidence such as messages, images, telephone numbers, and bank account details.
- Report to the police or CEOP: call 101 or 999 if there is an immediate risk of harm to your child. Or you can use the [CEOP Safety Centre](#) to report any online blackmail attempts.

The NSPCC website is also a very good source of information and support should you require it.

Wellbeing in school

At Willows High School, we aim to promote positive mental health and wellbeing for our whole school community; pupils, staff and families, and recognise how important mental health and emotional wellbeing is to our lives in just the same way as physical health. We recognise that children's mental health is a crucial factor in their overall wellbeing and can affect their learning and achievement. All children go through ups and downs through their school career/life and some face significant life events.

Our aim is to help develop the protective factors which build resilience to mental health problems and be a school where:

- All pupils are valued
- Pupils have a sense of belonging and feel safe
- Pupils feel able to talk openly with trusted adults about their problems without feeling any stigma
- Positive mental health is promoted and valued
- Bullying is not tolerated

Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go: Staff in the Learning Lounge are here to look after your wellbeing so please come down for a confidential chat.

If you are a young carer and feel you need more support or would like to know about more opportunities out there for you, Ms. Mackintosh, our Safeguarding Officer, can provide information on what is available.

Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.

A member of staff you trust. All members of staff will be there for you. If you want to confide in someone please do and they will help get you the support you need.

Parents and Families

If your child is unwell at school

If your child becomes unwell at school, we will contact you if necessary. We request that you ask your child to not contact home requesting for parents to collect them. Pupils should follow the correct procedure by telling a member of staff, the situation will be assessed and contact home will be made if required. Pupils will not be allowed to leave the school site without being accompanied by a responsible adult.

Parent Governors

We currently have vacancies for parents to join our Governing Body to play their part in continuing to make Willows High School better and better. If it's something you are interested in, please contact the school using contact@willows.cardiff.sch.uk.

Measles

We are working in partnership with Cardiff and Vale Health Board, enabling children who have missed their scheduled appointments for MMR (measles, mumps and rubella) vaccines to access this in school.

Measles can be very serious for children, and is very easily passed between people who are not vaccinated. There are currently outbreaks of measles in Wales, so we would encourage families to take up the opportunity of their child getting their MMR vaccination if they are offered it by the Health Board. Please note that if your child is invited and you would like your child to have the MMR vaccine which does *not* contain gelatine (Halal), this will be an option you can choose.

For more information about the MMR vaccine please go to [Measles, Mumps and Rubella \(MMR\) - Public Health Wales \(nhs.wales\)](https://www.nhs.uk/conditions/measles-mumps-rubella/mmr/)

Measles

If you live in Cardiff and the Vale and are unsure if your child has had the MMR vaccine, you are encouraged to [check their personal child health record](#) (red book) in the first instance

If you remain unsure, other options include:
Contacting the Local Child Health Team on 02921 836926 or 02921 836929.
Contacting your GP Practice, avoiding peak times such as early mornings where possible.

Options for MMR vaccination include:
Your GP Practice
Your local Mass Vaccination Centre. Call 02921 841234
Phone lines are open Mon-Fri between 9am and 5pm

Having the MMR vaccine is the best way to prevent having measles and passing it on to others.
In some cases, measles can cause serious complications including pneumonia and meningitis.

Allergies

At Willows, we are very conscious of pupil and staff sensitivity to the 14 food allergens. The food that our canteen produces is clearly labelled and the pupil information displayed at the tills identifies any allergies that the pupil in front of them has.

We do have a number of staff and pupils who have strong reactions to certain allergens, **particularly nuts**, so we ask for the support of all families to be aware of what your child is bringing into school and be sympathetic to the sensitivities of our school community.

We cannot 100% guarantee that the school is nut free, it is not possible to check what food is brought into school by every pupil, every day. We ask for your support in ensuring that the risks of allergic reactions are minimised.

For more information on allergies, please visit <https://www.allergyuk.org/>.

Just a reminder that school can provide tampons, pads, menstrual cups and period pants for pupils which are provided by the LA. Please direct pupils to form tutors, the Welfare Office, the Main Office or to Mrs. Bubbins if you think they may need help with this.

All of Year 8 and all of Year 9 have now been handed free pants but they are available for all.

We would like to hear your views on improving period provision. We have implemented many of your ideas from our last survey and value your opinions. The link to the Parent Questionnaire is here:

Likewise, we would like more feedback from our pupils in this area. The link to the Pupil Questionnaire is here:

<https://forms.office.com/e/i2wscPQX7s>

Please take time to help us, help you have a dignified period.

A reminder that pupils can collect free period products from school at any time. Pupils can ask any trusted adult for these or can access them in the school office, from Mrs. Bubbins or from the Welfare Office.

Safe learning environments for pupils and staff

We are committed to ensuring Willows High School is a safe place where our pupils and staff are treated with respect and dignity, in a nurturing and positive learning environment.

Cardiff Council has recently launched a publicity campaign to highlight its commitment to pupil and staff safety and well-being, and to remind school communities that pupils and staff have a right to attend school free from abuse and any form of aggression.

Any form of written, verbal or physical abuse towards staff in our school will not be tolerated. The Council is committed to supporting schools and governing bodies to take any necessary action to keep staff safe. This may include restricting contact and communication with certain individuals, exclusion from the premises and reporting matters to the police when necessary.

Thank you for helping us to create a safe and nurturing learning environment for the children and young people attending our school by treating staff with dignity and respect.

Diolch

As always, thank you for your support. If there are any problems, we would appreciate that you contact the relevant person in school straight away rather than using social media platforms. We will always try our best to reach a solution and this will ensure your concern is seen and avoid any misinformation and miscommunication.

Recently, there has been an increase in family members arriving at the school to collect their children early, without letting us know in advance.

To ensure all of our pupils are safeguarded, we will not be able to release a pupil from our care until 3.10pm unless we are notified of a necessary appointment in advance. These can be communicated through the Report Absence tab on the Classcharts Parent app. Instructions on how to do this can be found in this Newsletter. We are grateful for your understanding and would appreciate your cooperation with this

Please could parents refrain from turning up at the school reception without an appointment. Heads of Year, Teachers and Support Staff are incredibly busy during the school day looking after our pupils. If there is a problem, please arrange an appointment with your child's Head of Year in the first instance. To organise this, please ring the school reception on 029 20414243.
