Weekly Newsletter – 20.06.2025

Hello! مرحباً! Ahoj! Ola! Dzień dobry! Salut! Helo!

Belong, Believe, Achieve:

This week our Year 11 pupils completed their final exams and attended their Leavers' Assembly. Our pupils have visited Cardiff University to find out all about University life and Cardiff Met to see the premier of an animation film they have been working on. Our pupils have also travelled to France to explore Cardiff's twin City, Nantes. Our assemblies this week have been provided by Mrs. Cherrett and Mr. Gill on Healthy Living and Refugee Week respectively.

Breakdown of the Week

16/06/2025 - 20/06/2025

Merits: 16.06.2025-20.06.2025.

We respect the effort that our pupils are putting into their character and studies. A huge Willows well done to all of this week's merit winners.

School News:

Creative Writing Club

On Sunday 15th June, members of our Creative Writing Club had the exciting opportunity to visit Cardiff Metropolitan University in Llandaff to screen the animated film they've been developing after school. Their work was showcased alongside projects from university graduate students, offering a unique platform to highlight the talent and creativity of our pupils. Parents and guardians were also in attendance, proudly watching as their children's hard work and imagination came to life on the big screen."

Welsh in the Workplace

This week Year 9 pupils were involved in a Welsh in the Workplace activity. The idea was to inspire pupils to learn Welsh and to show them how speaking a second language can be really beneficial when they get a job.

Through Adrian Cole, from Careers Wales, we had visitors from 3 different companies - ITV, Transport for Wales and Monmouthshire Building Society.

All three visitors spoke fluent Welsh and all explained to the pupils about the exciting job opportunities that they have experienced purely from being able to do so.

As always, the pupils were respectful and responsive to any questions that our visitors asked. Many thanks to all our visitors and to Adrian Cole for arranged it.

Visit to Cardiff University

On Thursday, fifteen Year 8 and fifteen Year 9 pupils visited Cardiff University. The aim of the visit was to encourage the pupils to consider higher education in the future. We started with a campus tour where we saw halls of residence, grand lecture theatres and the more modern university facilities and suites. Our guides told us about the Students' Union and the number of societies and sports clubs available.

Next, we had a university fun quiz and talk by a student who explained all of the advantages of going to university as well as giving us practical advice on how to make student life affordable.

After lunch, we had a session with 'Lego Serious Play' who guided us into making informed decisions about university life in a creative and fun way! We were left with a number of questions which were expertly answered by the student panel. The panel consisted of four of the students who have been coming into Willows this half term to help us in our classrooms so our pupils were familiar with them and felt at ease asking their questions.

It was lovely to see our pupils so enthusiastic and for many of them to say they were considering higher education after this experience. The university also commented on what a pleasure it was to work with such 'wonderful pupils.'

Careers Wales

Careers Wales is committed to ensuring that parents are empowered and suitably prepared to support their child in their career planning. In addition to the information and tools available on our website, we create a newsletter for parents every term.

We are pleased to share our summer newsletter with you. One version is written for parents and carers of children in mainstream education. The second version is for parents and carers of children with additional learning needs.

Father's Day

You built our world with steady hands—
a quiet strength, a heart that stands
through storm and calm. I never knew
how much you gave—until I grew.

You held my hand—then let me go,
not far, just far enough to grow.
Your silence spoke; a steady guide,
you walked beside—with your pride.

Your laughter—brief, but always warm—
could chase the chill, outlast the storm.
And though you rarely wore your pain,
I saw it—once—and loved you plain.

No cape, no crown, no grand display,
just love—that never walked away

But now, today—I hope you see,
the love you gave still carries me.
Not just a dad—my north, my start,
a quiet compass in my heart.

Social Media

Guidance for Parents

HOW CAN YOU HELP US?

1 Monitoring Online Activity

- Regularly check your child's social media accounts and online interactions.
- Use parental control tools and privacy settings to limit exposure to harmful content.
- Encourage open communication about their online experiences.

2 Record Misuse

- Take screenshots of any inappropriate or harmful messages.
- Keep a log of dates, times, and platforms where incidents have occurred.
- Save any relevant messages or posts as evidence.

3 Sharing Concerns with Teachers

- Report incidents to the school as soon as possible.
- Provide documented evidence to help staff understand the situation.
- Work collaboratively with teachers and school counsellors to support your child.

4 Report to IOI #NoPlaceForHate

You can report online hate/bullying to South Wales Police via:

- The South Wales Police Website:
<https://www.south-wales.police.uk/ro/report/hate-crime/information/v1/hate-crime/how-to-report-hate-crime/>
- Calling 101
- Visiting a police station

We are committed to collaborating with families to safeguard children from the threats of social media and online bullying, ensuring a safe and supportive environment for all students.

As you may be aware, school budgets are getting tighter and tighter. As a result, we are no longer able to manage with the amount of school meal debt that some pupils are accumulating.

We have reduced the amount a pupil account can be in debt to £10. If a pupil goes over this limit, we will provide them with something to eat but they will not be able to choose from the Canteen Menu. If this occurs, our Finance Team will be in touch to support families through the process.

Facilities to hire after school

Please contact our Estates Manager if you would be interested in hiring our Learning Lounge or Theatre after school hours – Cyril.royer1@willows.cardiff.sch.uk

The Learning Lounge is colourful and bright space, with a tea/coffee making utilities, comfy seating, as well as more private areas to sit. We also have a larger area from which adult education and skills building classes and groups are run.

The Theatre has a large stage and seating area which can be used for performances or other activities.

E Platform Learning

We are pleased to confirm that our subscription for E-Platform is now live. All pupils have been provided with an account and login details. A letter confirming these details will also be sent out shortly.

E-Platform is an online library where our pupils can choose and read books of their choice in line with their reading age. It is a great addition to our school and allows pupils to read anytime and anywhere.

The E-books can be accessed via the E-platform app, which can be downloaded via the QR code below. Alternatively, use the following website: <https://willowshighschool.eplatform.co/> To use please use setup code 5452. Your username will be the same as your STAR test, password is *book*. All pupils have been provided with these details but please ask your English or J7 teacher will have these details if you are unsure.

STAR tests for this term have also been completed for KS3 and results will be shared shortly. As a reminder, we ask that all pupils read for a minimum of 20 minutes a day. This will have a huge impact on their literacy levels and ensure success in school and beyond. If you have any concerns about your child's reading, please do not hesitate to contact their English or Journey 7 teacher.

Readers of the Week

A massive well done to our Readers of the week! These are pupils who have been consistently reading on our e-book platform as well as making the most of our school library! Please come and see Ms Nelms for your golden tickets!

1. 7DB – Emmanuel Adeyeye, 7DB Emelia Charles
2. 8SC - Animesh Joshi , 8BE- Amruther Kesav
3. 9HP-Sheet Chatham, 9BA-Rut Nicolas

It is really important that you continue to read at home. We ask that all pupils read for a minimum of 20 minutes a night (please give them a reading merit when they do so!). These 20 minutes can make a huge difference in terms of progressing in all areas. Pupils have access to the library after school as well as every two weeks as part of their English lessons as well as the E-platform which can be used 24/7, information above.

School Essentials Grant

Registering as eligible for free school meals with your Local Authority unlocks access to the School Essentials Grant. It also means schools get more funding. With the introduction of free school meals for primary pupils, many parents/carers do not realise that schools will lose out unless they continue to register as eligible. Even if you don't need the grant, registering here: <https://www.gov.wales/get-help-school-costs> will mean schools get additional funding.

Class Charts

What is Class Charts?

Class Charts is an app that can be downloaded to your phone. You can use it to:

- keep track of your child's behaviour
- view attendance records
- access your child's weekly timetable
- be informed of and track detentions
- award your child merits for completing their home reading tasks
- view announcements from school.

We would like all parents to sign up to Class Charts, as we are also going to be using this as the main way of sending all messages to you. Likewise, from after half term this will also be the main way that you can report your child's absence to us.

Thank you to all parents who have signed up to Class Charts this year and to those of you who continue to use it.

Please let your child's Head of Year know if you need a login code.

How to report an absence on Class Charts

1. Click on your Class Charts app and click on your child's name.

2. Scroll across the green band at the top and click 'report absence'.

3. Click on 'report new absence'

4. Tap the calendar for the date, type in the reason and attach any pictures of medical evidence, such as letters, emails or texts from the doctors, dentist or hospital

5. Click submit...it's as easy as that!

Please contact your child's Head of Year if you have any problems logging on and they will be happy to guide you through the process.

Important information about attendance to school

In an exam, if you got 90% of the questions correct, you would probably think that this is a very good result.

Unfortunately, this doesn't translate to your child's attendance.

90% attendance for the school year means that your child has **missed 98 lessons**. How are they going to make that time back?

Even **95% attendance** which is the Welsh Government's threshold for good attendance means your child would have **missed 49 lessons** over the school year. This is a lot of work for your child to miss.

The chart above shows how quickly the number of lessons your child misses

increases as their attendance drops.

The greatest gift that we can give your child is an amazing set of examination results at the end of Year 11. To provide the best possible conditions for this to happen, your child needs to have as high an attendance percentage as possible.

Pupils are in school for 190 days of the year, **they are not in school for 175 days of the year.**

We believe that this is plenty of time for the majority of appointments to be made out of school hours.

Please consider your child's education before making appointments during the school day, and if you have no option, please consider how they are going to catch up on the work they have missed and report the absence every day through Classcharts.

Every pupil who is not in school is a potential safeguarding concern if we have not been notified by you.

We would be grateful if families would take the information above on board and we look forward to your support.

Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, then rising to **£120** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again. **Please note these fines do not go away.** Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

Lateness to School: Fixed Penalty Notices

Fixed Penalty Notices are already being requested for **poor attendance** and for **term-time holidays**.

After the Easter holidays we will be looking to request Fixed Penalty Notice fines for **lateness to school**. We ask that you speak to your child and discuss the importance of **arriving at school on-time for 9:00am line-up every day**. Your child is missing hours of education if they are consistently late to school.

If your child is regularly late to school then a request for a Fixed Penalty Notice fine will be actioned to the Education Welfare Service. The fine for this is £60, rising to £120, leading to a court summons & increased fines imposed. We **do not** want to have to request this – we would much rather your child be in school on time.

If your child is late to school because of an appointment then please provide evidence to the Attendance Team in the form of an appointment card or letter, etc.

Please help your child to arrive at school in good time. The main gates close at 9am – after this time your child is considered to be late and will need to sign in through Late Gates in the Learning Lounge, and then main reception.

Thank you for your support in this matter.

Uniform Reminder to Parents

Unfortunately, we are seeing a rise in the number of pupils who are attending school wearing the incorrect uniform, especially on days when they have P.E.

We would appreciate the support of families to ensure that pupils come to school appropriately dressed. On the right is the information in our Parent Handbook which sets out clearly the expectation for our pupils at Willows.

We have uniform for a reason, it is to act as a leveller for pupils. Everyone wears the same, so no-one can feel disadvantaged by those who might want to come into school wearing the latest brands and expensive labels. It is also there to ensure that the clothes that are worn are appropriate to the age of your child, not too revealing and suitable for walking around in throughout the day.

Pupils will be sent home to change if they are wearing inappropriate clothing, this will be the school's decision.

We would appreciate if you would discuss this with your child and take steps to ensure that they are appropriately dressed for school when they leave your house in the morning.

The school will make parents aware if there is any change to the school uniform due to increases in temperature, please do not send your child in P.E. kit if the weather is warm.

Crocs are definitely not part of the school uniform! Our Parent Handbook can be accessed on our website or by clicking the link below:

<https://indd.adobe.com/view/1dbf54a5-38cf-494f-9166-50b358b2e824>

If you are intending to buy new P.E. for next year, please remember that it is the Mid-Layer that is the compulsory item and must be worn. If you want to wear the old P.E. tops, they must be worn under the Mid-Layer.

P.E. Kit:

School P.E. midlayer top, plain black sport shorts, plain black tracksuit trousers or plain black sports leggings.
No jeggings, tight fitting trousers, jeans, jean like trousers or low rise trousers.
No hoodies

Currently if your child has P.E. they should wear their P.E. kit to school for that day.
If you are concerned about the cold weather, pupils may wear their blazer as an extra layer of clothing.

Acceptable shoes flow diagram:

Uniform will be checked during the first line-up of the morning.

Pupils who are not wearing correct uniform will be sent home to either change or collect a part of their uniform that was missing

Hair:
No extreme styles / non natural colours.

Shoes:
Black leather or faux leather shoes or ankle boots only.
No canvas, no trainers, no logos.

Black to go with the uniform.
Leather to be weather resistant.

Mobile phone use in school FAQs

What will happen if my child is using their phone on the school premises or during the school day?

Staff will request that pupils hand their device(s) in, these will be stored in a secure place, in a padded envelope and will be clearly labelled ready for collection at the end of the same day. In an attempt to discourage use of electronic devices we will operate an escalated approach:

- Initial offences - Device handed-in, pupil can collect at the end of the same day, Parent/Carer informed.
- Repeated offences – Device handed-in, parent/carers must collect.
- Continued offences – Device handed-in, parent/carers must collect. Parent/carers to attend a meeting.

In the event of an exceptional circumstance, your child's Head of Year should be made aware and an individual solution will be applied.

Can my child bring their phone/electronic device to school?

Yes of course, we ask that they are switched off and out of sight during the school day and when on the school premises.

What if I can't collect my child's phone/electronic device?

That's ok, we will keep any devices secured at the school until it is convenient for you to collect.

What will happen if my child refuses to hand in their electronic device/mobile phone?

This is something we all want to avoid and as such we will also have an escalated approach to this:

Discussion with Head of Year / SLT > time in the APC until handed in > exclusion

Please encourage your child to not use their device in school to avoid the above escalation, we are giving plenty of advance warning to avoid this.

What happens if I need to speak to my child during the school day?

There are rare occasions whereby you may need to speak with your child for emergency reasons, if this is the case, please contact the school via the main number (02920 414243) and we will endeavour to pass on messages or collect your child to use a school phone. If we feel that your child needs to speak with you, we will provide a private space using a school phone to contact you.

Can devices be used during breaks/lunches?

No, we want pupils to communicate with their friends, develop their social skills and be present with each other.

I really find it hard to separate my child from their phone, can you help?

Yes, absolutely, we want our pupils to use their electronic devices responsibly and in moderation. We can work with you to put in place plans to avoid overuse and misuse and will support you in ensuring your child is meeting the school expectations. We will also be educating pupils on how to use devices responsibly and sharing further information on how parents/carers can monitor their child's use.

Pumpkin Patch:

Solution:

We can make a table to calculate the total mass of various quantities of pumpkins.

Number of Pumpkins	1	2	3	4	5	6	7	8	9	10
Total Mass (in kg)	12	24	36	48	60	72	84	96	108	120

Number of Pumpkins	11	12	13	14	15	16	17	18	19
Total Mass (in kg)	132	144	156	168	180	192	204	216	228

The total mass of 19 pumpkins, which is 228 kg, exceeds the capacity of the table. So, the largest number of pumpkins Nadia can fit safely on her table is 18. Having to make a table counting from 1 to 19 takes quite a bit of work.

Alternatively, we could try to reduce the work by narrowing the search area. We can use easier numbers such as multiples of 10 to find a narrower range to check. We see that $10 \times 12 = 120$ and $20 \times 12 = 240$. From this we know that the answer must be between 10 and 20 pumpkins. So instead of starting our table with 1 pumpkin, we could start it with 10 pumpkins. We might also notice that the number we are looking for (224 kg) is much closer to 240 than 120. So rather than counting up, we could count down from 240 in a table.

Number of Pumpkins	20	19	18
Total Mass (in kg)	240	228	216

Again, from this result we can conclude that the largest number of pumpkins she can put on her table is 18.

Numeracy Answer for week 34

Numeracy Question for week 35

Question of the week 35

Counting Kits:

Squirrels have babies twice each year, usually in March or April and again in July or August. Baby squirrels are called kits and a group of kits in one birth is called a litter.

The table below shows the number of kits a squirrel had over four years.

Month and Year of Birth	Number of Kits in the Litter
March 2020	4
July 2020	8
April 2021	6
August 2021	3
March 2022	5
August 2022	4
April 2023	6
July 2023	4

What is the average (mean) number of kits the squirrel had in a litter?

Numeracy Terms of the Week 35

Data types:

Primary Data: Data that is collected first hand and analysed by the collector.

Secondary Data: Data collected by someone other than the person analysing it.

Qualitative Data: Non-numerical / worded data. Example: Colours, days of the week, brands, animal.

Quantitative Data: Quantitative data is numerical, can be discrete or continuous.

MathsWatch

All of our pupils' weekly Mathematics homework is accessible on MathsWatch, which can be found at <https://www.mathswatchvle.com/>. They must be completed by their given deadlines. Each set homework is open for a month, so that pupils can keep improving their scores. This will also help your child to revise and to practice the mathematics and numeracy skills, knowledge and understanding that they have been learning in class. There are videos available for each topic and interactive questions that they can try. Please ensure your child completes and submits their homework on time. Any outstanding homework must still be completed, and they should all aim to achieve 100% on them.

TimesTable Rockstars

Single numeracy boost sessions are provided to all our Year 7, 8 & 9 pupils on a fortnightly basis to enrich their Mathematical Skills, specifically with a focus on times tables. Pupils will be accessing their TTRS accounts and improving their knowledge of the times tables.

At home, pupils should log on to TTRS via their technological devices at home. There is also a phone app that they can download via Apple or Android, free of charge.

All the pupils have 5-10minutes daily tasks on there to help consolidate their times tables. It will also earn them coins to use for customising their own individual avatars. Similarly to MathsWatch, there will be a leaderboard and certificates to reward their efforts

Please congratulate the **"Top 3 TTRS"**, who have improved their speed time in answering times tables questions! Keep practicing everyone!

Social Media

Social media is increasingly playing a role in the lives of our pupils and for the majority of time, this is a positive thing. However, we are increasingly seeing how social media can have quite a negative impact on our pupils and in some cases, the impact has been quite significant.

We need to work together to harness all of the positive aspects of social media (and there are many) and to cancel out those aspects which can do harm. Whilst it is easy to focus on the fact that the age guideline for most sites is 13, it is also recognised how difficult it is to stop children from accessing these especially when all of their friends are using a certain platform.

Perhaps a more realistic place to start is to ensure that, if social media sites are to be used then they are set up in a way which helps to protect privacy. For example, most platforms allow you to:

- **set an account to private** (many of our pupils don't do this and some have been approached by people they don't know)
- **not allow friend requests** – again, some pupils have had friend requests from unknown users
- **hide the user's location** – worryingly, so many pupils share their location and with the development of ever more sophisticated software, it is becoming relatively easy to pinpoint exactly where the social media account is being used from (without sharing any address details).

Changing the settings to not allow the issues to happen takes a few minutes and can significantly improve the level of online safety when accessing social media. The NSPCC site 'Keeping children safe online' really is excellent and I would urge all families to access this: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

South Wales Police - Sextortion

We have been informed that South Wales Police are concerned about the rapidly growing number of 'sexortion' cases involving young people across Wales.

This is where individuals are targeted and threatened that inappropriate images of themselves that have been previously uploaded will be shared unless money is sent. This is obviously extremely worrying and the first action must be to ensure that no such photographs or videos exist – and, if they do so, they must be deleted immediately.

The advice to families from South Wales Police is as follows:

- Don't pay, do stop contact and block: you may be tempted to pay, but there is no guarantee that this will stop the threats. As the offender's motive is to get money, once you have shown you can pay, they will likely ask for more and blackmail may continue. If you have paid, don't panic but don't pay anything more. Help your child to stop all communication with the offender and block them on any accounts that they have been contacted on.
- Avoid deleting anything: try not to delete anything that could be used as evidence such as messages, images, telephone numbers, and bank account details.
- Report to the police or CEOP: call 101 or 999 if there is an immediate risk of harm to your child. Or you can use the [CEOP Safety Centre](#) to report any online blackmail attempts.

The NSPCC website is also a very good source of information and support should you require it.

Wellbeing in school

At Willows High School, we aim to promote positive mental health and wellbeing for our whole school community; pupils, staff and families, and recognise how important mental health and emotional wellbeing is to our lives in just the same way as physical health. We recognise that children's mental health is a crucial factor in their overall wellbeing and can affect their learning and achievement. All children go through ups and downs through their school career/life and some face significant life events.

Our aim is to help develop the protective factors which build resilience to mental health problems and be a school where:

- All pupils are valued
- Pupils have a sense of belonging and feel safe
- Pupils feel able to talk openly with trusted adults about their problems without feeling any stigma
- Positive mental health is promoted and valued
- Bullying is not tolerated

Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go: Staff in the Learning Lounge are here to look after your wellbeing so please come down for a confidential chat.

If you are a young carer and feel you need more support or would like to know about more opportunities out there for you, Ms. Mackintosh, our Safeguarding Officer, can provide information on what is available.

Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.

A member of staff you trust. All members of staff will be there for you. If you want to confide in someone please do and they will help get you the support you need.

Parents and Families

If your child is unwell at school

If your child becomes unwell at school, we will contact you if necessary. We request that you ask your child to not contact home requesting for parents to collect them. Pupils should follow the correct procedure by telling a member of staff, the situation will be assessed and contact home will be made if required. Pupils will not be allowed to leave the school site without being accompanied by a responsible adult.

Parent Governors

We currently have vacancies for parents to join our Governing Body to play their part in continuing to make Willows High School better and better. If it's something you are interested in, please contact the school using contact@willows.cardiff.sch.uk.

Citizens Advice

A reminder that members of our community can make appointments with staff from the Citizens' Advice at our Learning Lounge. They can provide advice of a range of topics such as housing, benefits and legal matters. To make an appointment, please e-mail the school using karen.hunt@willows.cardiff.sch.uk or by phone using 07733889062

Measles

We are working in partnership with Cardiff and Vale Health Board, enabling children who have missed their scheduled appointments for MMR (measles, mumps and rubella) vaccines to access this in school.

Measles can be very serious for children, and is very easily passed between people who are not vaccinated. There are currently outbreaks of measles in Wales, so we would encourage families to take up the opportunity of their child getting their MMR vaccination if they are offered it by the Health Board. Please note that if your child is invited and you would like your child to have the MMR vaccine which does *not* contain gelatine (Halal), this will be an option you can choose.

For more information about the MMR vaccine please go to [Measles, Mumps and Rubella \(MMR\) - Public Health Wales \(nhs.wales\)](https://www.nhs.uk/conditions/measles-mumps-rubella/mmr/)

Measles

If you live in Cardiff and the Vale and are unsure if your child has had the MMR vaccine, you are encouraged to [check their personal child health record](#) (red book) in the first instance

If you remain unsure, other options include:
Contacting the Local Child Health Team on 02921 836926 or 02921 836929.
Contacting your GP Practice, avoiding peak times such as early mornings where possible.

Options for MMR vaccination include:
Your GP Practice
Your local Mass Vaccination Centre. Call 02921 841234
Phone lines are open Mon-Fri between 9am and 5pm

Having the MMR vaccine is the best way to prevent having measles and passing it on to others.
In some cases, measles can cause serious complications including pneumonia and meningitis.

Allergies

At Willows, we are very conscious of pupil and staff sensitivity to the 14 food allergens. The food that our canteen produces is clearly labelled and the pupil information displayed at the tills identifies any allergies that the pupil in front of them has.

We do have a number of staff and pupils who have strong reactions to certain allergens, **particularly nuts**, so we ask for the support of all families to be aware of what your child is bringing into school and be sympathetic to the sensitivities of our school community.

We cannot 100% guarantee that the school is nut free, it is not possible to check what food is brought into school by every pupil, every day. We ask for your support in ensuring that the risks of allergic reactions are minimised.

For more information on allergies, please visit <https://www.allergyuk.org/>.

Safe learning environments for pupils and staff

We are committed to ensuring Willows High School is a safe place where our pupils and staff are treated with respect and dignity, in a nurturing and positive learning environment.

Cardiff Council has recently launched a publicity campaign to highlight its commitment to pupil and staff safety and well-being, and to remind school communities that pupils and staff have a right to attend school free from abuse and any form of aggression.

Any form of written, verbal or physical abuse towards staff in our school will not be tolerated. The Council is committed to supporting schools and governing bodies to take any necessary action to keep staff safe. This may include restricting contact and communication with certain individuals, exclusion from the premises and reporting matters to the police when necessary.

Thank you for helping us to create a safe and nurturing learning environment for the children and young people attending our school by treating staff with dignity and respect.

As always, thank you for your support. If there are any problems, we would appreciate that you contact the relevant person in school straight away rather than using social media platforms. We will always try our best to reach a solution and this will ensure your concern is seen and avoid any misinformation and miscommunication.

Recently, there has been an increase in family members arriving at the school to collect their children early, without letting us know in advance.

To ensure all of our pupils are safeguarded, we will not be able to release a pupil from our care until 3.10pm unless we are notified of a necessary appointment in advance. These can be communicated through the Report Absence tab on the Classcharts Parent app. Instructions on how to do this can be found in this Newsletter.
