Weekly Newsletter – 17.10.2025

Hello! مرحباً! Ahoj! Ola! Dzień dobry! Salut! Helo!

Use Google Translate to change to your preferred language.

Belong, Believe, Achieve:

This week, our pupils have been attending film premiers, worked with engineers, visited the Council Chambers, taking part in football tournaments, volunteered, enjoyed a Diwali Cultural Breakfast, supported Show Racism the Red Card and visited Harry Potter World. Our assembly this week has focused on the importance of science and was delivered by Mr. Hobbs.

Breakdown of the Week

School news

9am start

Please would you remind your child that the start of the school day is 9am. We expect all pupils to be in their Line-up at this time. It is an important start to the day where we pass on necessary information, check that everyone is ready to learn and where we can all reflect on issues that affect us all.

Careers - Girls Construction

This week, pupils in Year 9 and 10 were involved in another exciting project. A team from one of our Valued Partners, Whitehead Construction, came to school to run a girls-only session. The pupils were set two different challenges, designed to give the pupils a taste of what is involved in the construction industry.

The pupils were tasked with how to connect a wire to a plug and how to connect the pipes under a tap. Knowing how to do both tasks would be helpful in both daily domestic life and in the construction industry.

Careers - Year 9 Engineering Day

This week, the Year 9 pupils were involved in another exciting engineering project. Two engineering companies, Arup and Viridor, came into school to work with the pupils on the different projects.

The pupils were set two different challenges. Each one designed to give the pupils a taste of what a real engineer does

The pupils with Viridor were set the challenge based on recycling. The pupils working with ARUP were given the task of designing and making a car from everyday items such as wooden sticks and elastic bands. Each group then had to see how far the car would travel.

It was really great to see the pupils fully engaged in both the projects and diving into the tasks – even though some of the cars worked better than others! Many thanks to Matt and the team from Arup, to Eamonn from Viridor and to Adrian Cole for setting this event up.

@WILLOWSHIGHCARDIFF

Year 7 visit to Harry Potter World.

Yesterday, 60 of our Year 7 pupils had an amazing day visiting the Warner Studios tour of Harry Potter World. The day started brilliantly when Mrs Watkins secured a Willows High 'shout out' on Radio 1's breakfast show, and from then on went from strength to strength. At one point, Mr Ellaway was stopped by some German tourists (who happened to be teachers) to complement our pupils on their excellent behaviour. We were worried at one point that we wouldn't get the children out of the Forbidden Forest but we eventually managed to tear them away from the enormous animated spider – almost right into the clutches of a

fire breathing dragon! Fortunately, a few sips of Butter Beer in the café calmed them all down and we had a safe return home.

Many, many thanks to Mrs. Lo Celso, Ms Cook, Ms Watkins, Mr Ellaway, Ms Maidment and Ms Jury for waking at the crack of dawn and returning home long after dusk to give our pupils a safe and fantastic day out. A massive thanks also to Splott Community Volunteers for funding the whole event, and to Grant, our bus driver from Newport Travel for safely delivering us.

In the Willows Library

Non- Fiction Reference section and Study Aids are now available in the library, offering a wide range of books across all subject based classes.

The books are especially helpful for Key Stage 4 students preparing for their GCSEs.

The Careers section provides valuable support in exploring future pathways and discovering a variety of exciting options.

These valuable resources are accessible every day, with extended hours after school until 4pm for

browsing and study with the help and support from Miss Davies.

Please come along and explore through these great resources for you at Willows.

Expressive arts - Iris Film Project

This week a group of Year 10 and 11 pupils took part in the Iris Prize Film Festival in Cardiff.

Last year pupils made a film, with the support of Iris and Into film, and it was showcased at the Vue Cinema in Cardiff at the premier event for the festival.

Pupils not only had the chance to see themselves on the big screen they took on the challenge of being interviewed in front of a large audience, industry professionals and the press.

They really did themselves and Willows proud, with many commenting on their professionalism and manners.

They then attended the second day of the festival, voting for the youth choice award and participated in an inspiring Q&A session with the actor and director, Adjoa Andoh, most famous for her roles in Doctor Who and Bridgerton. It was an incredible experience for our pupils networking and developing the skills for exciting futures in the industry. A huge well done to all and huge thanks to our amazing staff Ms Gorman, Mr. Mills and Mrs. Ahmed for enabling the project to go ahead.

P.E. - Football News

It was a great day at Ocean Park Arena for our Year 8 boys competing in the Cardiff and Vale Schools 5 a side competition. The boys performed well, battling through to the Quarter Finals, eventually losing to St Richard Gwyn. Super effort from all the players, special mentions for Jamie McConkey and Omer Mohamed who were exceptional.

Massive performance, and an even bigger result for our Year 9 footballers in the Welsh Cup. An outstanding performance, defeating Cardiff High 6:2, with spectacular goals. Special mention to Olly, who ran his socks off, Dan who bossed the midfield, and Tyler who won every 50/50. Also welcomed a couple of new players Emmanuel and Olashile who came on did great. We move on to round 2 and look forward to the draw.

Road Safety Wales Diogelwch Ffyrdd Cymru

e-bikes/e-scooters

Road Safety Wales is highlighting the law surrounding e-bikes and e-scooters and we need your help!

Some people may have innocently purchased an e-bike or e-scooter, unaware that they could be breaking the law when riding it. Road Safety Wales is asking schools and colleges to share some information so that collisions and injuries can ultimately be avoided.

e-bikes

An e-bike is an electrically assisted pedal cycle equipped with an electric motor to assist riders when they pedal. You need to be at least 14 years old to ride an e-bike, but you don't need a driving licence.

Some people have attempted to modify their e-bike, so it is important to check that the motor has a maximum power output of 250 watts and not able to propel the bike when it's travelling more than 15.5mph.

By law, an e-bike cannot propel a rider unless they are pedalling as well. If you see what you think is an e-bike and the rider isn't pedalling, it is classed as an electric motorcycle and they have much stricter rules.

You wouldn't ride a motorcycle with a petrol engine when you didn't have a licence or insurance - the rules are exactly the same with an electric motorcycle!

e-scooters

Some people may be considering an electric scooter (e-scooter), particularly if they have seen others riding them locally.

However, it is illegal to use a privately owned e-scooter on public roads, pavements or cycle lanes. In fact, the only place to legally ride an e-scooter in Wales is on private land with the permission of the landowner - everywhere else it is against the law.

Some people may not appreciate the effect that riding illegally has. For someone with sight or hearing loss, it could have such an effect on them that they feel unable to go out on their own, hampering their mobility options and perhaps even resulting in the loss of their independence.

Unfortunately, people have already been killed and seriously injured when riding inappropriately and illegally. Nobody wants to see other families having to cope with the aftermath of similar heartbreaking incidents.

In some parts of the UK, government trials are taking place where you can rent an e-scooter and use it on the road and in cycle lanes if you hold a full or provisional driving licence. In Wales, there are currently no trials taking place.

Please don't get caught out by riding illegally. Make sure you know the law on e-bikes and e-scooters.

We have been informed by the Police that e-scooters and illegal e-bikes will need to be confiscated and handed over to them if seen on the school site. We would be grateful if you would talk this through with your child and ensure that they are only using legal modes of transport to and from school. Please read the information on this page carefully.

E-BIKES: KNOW THE DIFFERENCE, KNOW THE LAW

✓ There are different types of e-bikes.
✓ Electrically Assisted Pedal Cycles (EAPCs) can be legally ridden by anyone aged 14+, and do not require road tax, insurance, or a licence – the same as a normal pedal bike.
✓ To be classified as an EAPC, a bike must be fitted with pedals that are capable of propelling it, have a maximum continuous power rating via the electric motor not exceeding 250 watts, and all electrical assistance must cut off when the vehicle reaches a speed of 15.5mph.

✓ Any other electric bike that doesn't meet the EAPC rules is classed as a motorcycle or moped.
✓ Non-EAPCs can only be ridden on public roads if the bike is registered with the DVLA, taxed, insured and used by a rider who holds the appropriate class of licence.

✗ Unless the above criteria are met, e-bikes cannot legally be ridden on public roads.
✗ Those riding on public roads risk prosecution and having the vehicle seized.

Guidance for Parents

HOW CAN YOU HELP US?

1 Monitoring Online Activity

- Regularly check your child's social media accounts and online interactions.
- Use parental control tools and privacy settings to limit exposure to harmful content.
- Encourage open communication about their online experiences.

2 Record Misuse

- Take screenshots of any inappropriate or harmful messages.
- Keep a log of dates, times, and platforms where incidents have occurred.
- Save any relevant messages or posts as evidence.

3 Sharing Concerns with Teachers

- Report incidents to the school as soon as possible.
- Provide documented evidence to help staff understand the situation.
- Work collaboratively with teachers and school counsellors to support your child.

4 Report to 101 #NoPlaceForHate

You can report online hate/bullying to South Wales Police via:

- The South Wales Police Website:
<https://www.south-wales.police.uk/ro/report/hate-crime/information/v1/hate-crime/how-to-report-hate-crime/>
- Calling 101
- Visiting a police station

We are committed to collaborating with families to safeguard children from the threats of social media and online bullying, ensuring a safe and supportive environment for all students.

As you may be aware, school budgets are getting tighter and tighter. As a result, we are no longer able to manage with the amount of school meal debt that some pupils are accumulating.

We have reduced the amount a pupil account can be in debt to £10. If a pupil goes over this limit, we will provide them with something to eat but they will not be able to choose from the Canteen Menu. If this occurs, our Finance Team will be in touch to support families through the process.

Facilities to hire after school

Please contact our Estates Manager if you would be interested in hiring our Learning Lounge or Theatre after school hours – Cyril.royer1@willows.cardiff.sch.uk

E Platform Learning

We are pleased to confirm that our subscription for E-Platform is now live. All pupils have been provided with an account and login details. A letter confirming these details will also be sent out shortly.

E-Platform is an online library where our pupils can choose and read books of their choice in line with their reading age. It is a great addition to our school and allows pupils to read anytime and anywhere.

The E-books can be accessed via the E-platform app, which can be downloaded via the QR code below. Alternatively, use the following website: <https://willowshighschool.eplatform.co/> To use please use setup code 5452. Your username will be the same as your STAR test, password is *book*. All pupils have been provided with these details but please ask your English or J7 teacher will have these details if you are unsure.

STAR tests for this term have also been completed for KS3 and results will be shared shortly. As a reminder, we ask that all pupils read for a minimum of 20 minutes a day. This will have a huge impact on their literacy levels and ensure success in school and beyond. If you have any concerns about your child's reading, please do not hesitate to contact their English or Journey 7 teacher.

Readers of the Week

This week, a group of outstanding pupils have been chosen by Miss Davies for showing excellent behaviour in The Willows Library, showing exceptional dedication to their reading and setting a brilliant example for their peers.

They will each receive a Golden Ticket in recognition of their efforts, and it's wonderful to see such strong support for reading across the school!

1. 7BB – Sayed Yousuf Zakir, 7BB Rween Alharbi
2. 8DB– Rio Kahar, 8WO -Sofia Rehman
3. 9MO- Kairhys Fernandes ,9SU –Veergun Singh

It is really important that you continue to read at home. We ask that all pupils read for a minimum of 20 minutes a night (please give them a reading merit when they do so!). These 20 minutes can make a huge difference in terms of progressing in all areas. Pupils have access to the library after school as well as every two weeks as part of their English lessons as well as the E-platform which can be used 24/7, information above.

Willows Library Software: Oliver

We're thrilled to announce that our new library software, **Oliver** is already making a positive impact this academic year!

Oliver gives every student their own personalised page which they will allowing them to **search for books** available on our library shelves, check availability, and even write **book reviews**. As part of our **Readers' Workshop lessons**, pupils will now have the opportunity to use the **library computers** to explore our new library system, **Oliver**.

With guidance from **Miss Davies**, students can search for books that match their interests and reading levels, helping them find the right book for them.

Connected with **Accelerated Reader**, Oliver helps track reading progress and encourages thoughtful engagement with Oliver, every child has the opportunity to find and enjoy the right book for them!

This fantastic online platform is a powerful tool to support our students' reading journey and nurture a lifelong love of books.

Let's get reading, Willows!

Period Standard Award

We are pleased to announce that we have been accredited with Merit in the 'Period Standard' and we are now on the pathway to achieving Distinction. This week, all of our Year 8 girls have been provided with a free set of 'period pants' (worth up to £80.00) and talked through how to use / wash them. We are proud to promote more environmentally friendly approaches.

If pupils in any other year group would like these, then please ask them to ask their Welfare Officer, Mrs. Bubbins or any member of staff they'd prefer to ask.

We will be offering parent & pupil after school cooking sessions this term.

We provide everything you need so you can simply book in, turn up, grab an apron and get stuck in! Everyone makes their own dish from scratch, and there is something different and delicious on the menu each week.

The classes are relaxed, friendly and fun and because of that encourage a love of cooking and good food.

If you would like more information or would like to register please email Karen Hunt using:

School Essentials Grant

Registering as eligible for free school meals with your Local Authority unlocks access to the School Essentials Grant. It also means schools get more funding. With the introduction of free school meals for primary pupils, many parents/carers do not realise that schools will lose out unless they continue to register as eligible. Even if you don't need the grant, registering here: <https://www.gov.wales/get-help-school-costs> will mean schools get additional funding.

Class Charts

What is Class Charts?

Class Charts is an app that can be downloaded to your phone. You can use it to:

- keep track of your child's behaviour
- view attendance records
- access your child's weekly timetable
- be informed of and track detentions
- award your child merits for completing their home reading tasks
- view announcements from school.

We would like all parents to sign up to Class Charts, as we are also going to be using this as the main way of sending all messages to you. Likewise, from after half term this will also be the main way that you can report your child's absence to us.

Thank you to all parents who have signed up to Class Charts this year and to those of you who continue to use it.

Please let your child's Head of Year know if you need a login code.

How to report an absence on Class Charts

1. Click on your Class Charts app and click on your child's name.

2. Scroll across the green band at the top and click 'report absence'.

3. Click on 'report new absence'

4. Tap the calendar for the date, type in the reason and attach any pictures of medical evidence, such as letters, emails or texts from the doctors, dentist or hospital

5. Click submit...it's as easy as that!

Please contact your child's Head of Year if you have any problems logging on and they will be happy to guide you through the process.

Important information about attendance to school

In an exam, if you got 90% of the questions correct, you would probably think that this is a very good result.

Unfortunately, this doesn't translate to your child's attendance.

90% attendance for the school year means that your child has **missed 98 lessons**. How are they going to make that time back?

Even **95% attendance** which is the Welsh Government's threshold for good attendance means your child would have **missed 49 lessons** over the school year. This is a lot of work for your child to miss.

The chart above shows how quickly the number of lessons your child misses

increases as their attendance drops.

The greatest gift that we can give your child is an amazing set of examination results at the end of Year 11. To provide the best possible conditions for this to happen, your child needs to have as high an attendance percentage as possible.

Pupils are in school for 190 days of the year, **they are not in school for 175 days of the year.**

We believe that this is plenty of time for the majority of appointments to be made out of school hours.

Please consider your child's education before making appointments during the school day, and if you have no option, please consider how they are going to catch up on the work they have missed and report the absence every day through Classcharts.

Every pupil who is not in school is a potential safeguarding concern if we have not been notified by you.

We would be grateful if families would take the information above on board and we look forward to your support.

Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, then rising to **£120** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again. **Please note these fines do not go away.** Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

Lateness to School: Fixed Penalty Notices

Fixed Penalty Notices are already being requested for **poor attendance** and for **term-time holidays**.

After the Easter holidays we will be looking to request Fixed Penalty Notice fines for **lateness to school**. We ask that you speak to your child and discuss the importance of **arriving at school on-time for 9:00am line-up every day**. Your child is missing hours of education if they are consistently late to school.

If your child is regularly late to school then a request for a Fixed Penalty Notice fine will be actioned to the Education Welfare Service. The fine for this is £60, rising to £120, leading to a court summons & increased fines imposed. We **do not** want to have to request this – we would much rather your child be in school on time.

If your child is late to school because of an appointment then please provide evidence to the Attendance Team in the form of an appointment card or letter, etc.

Please help your child to arrive at school in good time. The main gates close at 9am – after this time your child is considered to be late and will need to sign in through Late Gates in the Learning Lounge, and then main reception.

Thank you for your support in this matter.

Willows Words

Did you know that accuracy with writing is worth 50% of the marks on the GCSE English writing tasks? It's also written into the marking schemes for most subjects. You can help your child by quizzing them on the spelling of our Willows Words; these are words that have been found to be commonly misspelled at GCSE. Every week, we'll publish a selection for you to quiz and repeat them in a loop to ensure that the learning is embedded.

Uniform Reminder to Parents

Unfortunately, we are seeing a rise in the number of pupils who are attending school wearing the incorrect uniform, especially on days when they have P.E.

We would appreciate the support of families to ensure that pupils come to school appropriately dressed. On the right is the information in our Parent Handbook which sets out clearly the expectation for our pupils at Willows.

We have uniform for a reason, it is to act as a leveller for pupils. Everyone wears the same, so no-one can feel disadvantaged by those who might want to come into school wearing the latest brands and expensive labels. It is also there to ensure that the clothes that are worn are appropriate to the age of your child, not too revealing and suitable for walking around in throughout the day.

Pupils will be sent home to change if they are wearing inappropriate clothing, this will be the school's decision.

We would appreciate if you would discuss this with your child and take steps to ensure that they are appropriately dressed for school when they leave your house in the morning.

The school will make parents aware if there is any change to the school uniform due to increases in temperature, please do not send your child in P.E. kit if the weather is warm.

Crocs are definitely not part of the school uniform! Our Parent Handbook can be accessed on our website or by clicking the link below:

<https://indd.adobe.com/view/1dbf54a5-38cf-494f-9166-50b358b2e824>

If you are intending to buy new P.E. for next year, please remember that it is the Mid-Layer that is the compulsory item and must be worn. If you want to wear the old P.E. tops, they must be worn under the Mid-Layer.

P.E. Kit:

School P.E. midlayer top, plain black sport shorts, plain black tracksuit trousers or plain black sports leggings.
No jeggings, tight fitting trousers, jeans, jean like trousers or low rise trousers.
No hoodies

Currently if your child has P.E. they should wear their P.E. kit to school for that day.
If you are concerned about the cold weather, pupils may wear their blazer as an extra layer of clothing.

Acceptable shoes flow diagram:

Uniform will be checked during the first line-up of the morning.

Pupils who are not wearing correct uniform will be sent home to either change or collect a part of their uniform that was missing

Hair:
No extreme styles / non natural colours.

Shoes:
Black leather or faux leather shoes or ankle boots only.
No canvas, no trainers, no logos.

Black to go with the uniform.
Leather to be weather resistant.

Mobile phone use in school FAQs

What will happen if my child is using their phone on the school premises or during the school day?

Staff will request that pupils hand their device(s) in, these will be stored in a secure place, in a padded envelope and will be clearly labelled ready for collection at the end of the same day. In an attempt to discourage use of electronic devices we will operate an escalated approach:

- Initial offences - Device handed-in, pupil can collect at the end of the same day, Parent/Carer informed.
- Repeated offences – Device handed-in, parent/carers must collect.
- Continued offences – Device handed-in, parent/carers must collect. Parent/carers to attend a meeting.

In the event of an exceptional circumstance, your child's Head of Year should be made aware and an individual solution will be applied.

Can my child bring their phone/electronic device to school?

Yes of course, we ask that they are switched off and out of sight during the school day and when on the school premises.

What if I can't collect my child's phone/electronic device?

That's ok, we will keep any devices secured at the school until it is convenient for you to collect.

What will happen if my child refuses to hand in their electronic device/mobile phone?

This is something we all want to avoid and as such we will also have an escalated approach to this:

Discussion with Head of Year / SLT > time in the APC until handed in > exclusion

Please encourage your child to not use their device in school to avoid the above escalation, we are giving plenty of advance warning to avoid this.

What happens if I need to speak to my child during the school day?

There are rare occasions whereby you may need to speak with your child for emergency reasons, if this is the case, please contact the school via the main number (02920 414243) and we will endeavour to pass on messages or collect your child to use a school phone. If we feel that your child needs to speak with you, we will provide a private space using a school phone to contact you.

Can devices be used during breaks/lunches?

No, we want pupils to communicate with their friends, develop their social skills and be present with each other.

I really find it hard to separate my child from their phone, can you help?

Yes, absolutely, we want our pupils to use their electronic devices responsibly and in moderation. We can work with you to put in place plans to avoid overuse and misuse and will support you in ensuring your child is meeting the school expectations. We will also be educating pupils on how to use devices responsibly and sharing further information on how parents/carers can monitor their child's use.

Numeracy Boost Sessions (NBS):

Using a variety of digital (e.g. TT-Rock Stars) and non-digital resources, all KS3 pupils will benefit from using laptops in Numeracy Boost Session to enrich their Mathematics skills; they are delivered fortnightly by Mathematics teachers. It is a great opportunity to support low abilities further and stretch high potential pupils.

Internal Numeracy Bee Competition - KS3:

Some Numeracy competitions are taking place throughout the year. KS3 pupils will be provided with relevant resources that can be used to prepare for the quizzes.

Shape Sums

Each symbol in the grid below represents a numerical value. We know the sum of symbols for the first, second, and bottom rows and the leftmost and rightmost columns.

				16
				19
				?
				20
22	?	?	18	

For example, we know from the grid:

+ + + = 16

What are the missing sums?

Terms of the week 7

Terms, like terms:

Terms:

A **term** is a piece of an algebraic equation; a number in a sequence or series; a product of real numbers and/or variables.

Example: in the expression $3x + 2y - 7$,

$3x$, $2y$, and -7 are terms.

Like Terms:

Like terms are terms with the same variable and same powers.

Example: in the expression $3x^2 + 2y + 5x + 4x^2 - y - 7$,

$3x^2$ and $4x^2$ are like terms

$2y$ and $-y$ are like terms

Numeracy Answer of the Week 6

Pizza Party

A) Since $\frac{1}{3}$ of the students were in Group A, and there were 36 people, that means that there were $36 \div 3 = 12$ students in this group.

B) Group B had $\frac{1}{2}$ of the students in the class, which is equal to $36 \div 2 = 18$ people. Each of these people ate 2 slices, for a total of $18 \times 2 = 36$ slices. Each of these 18 people also split 1 slice. This means that $18 \div 2 = 9$ pairs of students shared a single slice of pizza.

In total the people in Group B ate: $36 + 9 = 45$ slices of pizza.

C) Between Group A and Group B we have accounted for a total of $12 + 18 = 30$ people. The remaining $36 - 30 = 6$ people were in Group C, and they ate 4 slices of pizza each.

D) Since each student in Group A ate half the number of slices Miss Santos predicted, this means each one ate $4 \div 2 = 2$ slices. Therefore, the students in Group A ate a total of $12 \times 2 = 24$ slices of pizza. Students in Group C ate a total of $6 \times 4 = 24$ slices of pizza.

We calculated that students in Group B ate a total of 45 slices of pizza.

So, the people at the party ate a total of $24 + 24 + 45 = 93$ slices. Since a large pizza has 12 slices, we can skip count to see how many pizzas Miss Santos would have needed to have at least 93 slices. Counting by 12 we get: 12, 24, 36, 48, 60, 72, 84, 96.

This means Miss Santos should have ordered 8 pizzas to feed the people at the party.

MathsWatch Homework

All of our pupils' weekly Mathematics homework is accessible on MathsWatch (<https://www.mathswatchvle.com/>). They must be completed by their given deadline. **Mathswatch homework is set every Tuesday and due the following Tuesday morning.**

Each set homework is open for a month, so that students can keep improving their scores. This will also help your child to revise and to practice the mathematics and numeracy skills, knowledge and understanding that they have been learning in class.

For any login issues, please email Miss Santos at dana.santos@willows.cardiff.sch.uk

There are videos available to each topic and interactive questions that they can try. Please ensure your child completes and submits their homework on time. Any outstanding homework must still be completed, and they should all aim to achieve 100% on them.

On that note, we would like to say a huge congratulations to all those who have been working so hard on their MathsWatch!

TimesTableRockstars

Single numeracy boost sessions are provided to all our KS3 students on a fortnightly basis to enrich their Mathematical Skills, specifically with a focus on times tables. Students will be accessing their TTRS accounts and improving their knowledge of the times tables.

At home, students must log on to TTRS via their technological devices at home. There is also a phone app that they can download via Apple or Android, free of charge.

All the students have 5-10 minutes daily tasks on there to help consolidate their times tables. It will also earn them coins to use for customising their own individual avatars. Similarly to MathsWatch, there will be a leaderboard and certificates to reward their efforts.

Guidance Aims

Cardiff Council is committed to keeping your child safe through a fair and consistent approach, and preventing violence and weapons possession in Cardiff. As a Child Friendly City, Cardiff upholds The United Nations Convention on the Rights of the Child (UNCRC) and puts young people at the centre of processes and decisions.

This guidance will be used when a young person is found in possession of a weapon on an education establishment's site either deliberately or unintentionally. Cardiff Council recognised that there are many issues facing young people today and there are many reasons why a young person may carry a weapon. It is expected that there will be a multi-agency approach to support the school or educational setting to identify suitable early interventions and create positive change through the curriculum and the culture of the setting.

Social Media

Social media is increasingly playing a role in the lives of our pupils and for the majority of time, this is a positive thing. However, we are increasingly seeing how social media can have quite a negative impact on our pupils and in some cases, the impact has been quite significant.

We need to work together to harness all of the positive aspects of social media (and there are many) and to cancel out those aspects which can do harm. Whilst it is easy to focus on the fact that the age guideline for most sites is 13, it is also recognised how difficult it is to stop children from accessing these especially when all of their friends are using a certain platform.

Perhaps a more realistic place to start is to ensure that, if social media sites are to be used then they are set up in a way which helps to protect privacy. For example, most platforms allow you to:

- **set an account to private** (many of our pupils don't do this and some have been approached by people they don't know)
- **not allow friend requests** – again, some pupils have had friend requests from unknown users
- **hide the user's location** – worryingly, so many pupils share their location and with the development of ever more sophisticated software, it is becoming relatively easy to pinpoint exactly where the social media account is being used from (without sharing any address details).

Changing the settings to not allow the issues to happen takes a few minutes and can significantly improve the level of online safety when accessing social media. The NSPCC site 'Keeping children safe online' really is excellent and I would urge all families to access this: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

South Wales Police - Sextortion

We have been informed that South Wales Police are concerned about the rapidly growing number of 'sexortion' cases involving young people across Wales.

This is where individuals are targeted and threatened that inappropriate images of themselves that have been previously uploaded will be shared unless money is sent. This is obviously extremely worrying and the first action must be to ensure that no such photographs or videos exist – and, if they do so, they must be deleted immediately.

The advice to families from South Wales Police is as follows:

- Don't pay, do stop contact and block: you may be tempted to pay, but there is no guarantee that this will stop the threats. As the offender's motive is to get money, once you have shown you can pay, they will likely ask for more and blackmail may continue. If you have paid, don't panic but don't pay anything more. Help your child to stop all communication with the offender and block them on any accounts that they have been contacted on.
- Avoid deleting anything: try not to delete anything that could be used as evidence such as messages, images, telephone numbers, and bank account details.
- Report to the police or CEOP: call 101 or 999 if there is an immediate risk of harm to your child. Or you can use the [CEOP Safety Centre](#) to report any online blackmail attempts.

The NSPCC website is also a very good source of information and support should you require it

Wellbeing in school

At Willows High School, we aim to promote positive mental health and wellbeing for our whole school community; pupils, staff and families, and recognise how important mental health and emotional wellbeing is to our lives in just the same way as physical health. We recognise that children's mental health is a crucial factor in their overall wellbeing and can affect their learning and achievement. All children go through ups and downs through their school career/life and some face significant life events.

Our aim is to help develop the protective factors which build resilience to mental health problems and be a school where:

- All pupils are valued
- Pupils have a sense of belonging and feel safe
- Pupils feel able to talk openly with trusted adults about their problems without feeling any stigma
- Positive mental health is promoted and valued
- Bullying is not tolerated

Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go: Staff in the Learning Lounge are here to look after your wellbeing so please come down for a confidential chat.

If you are a young carer and feel you need more support or would like to know about more opportunities out there for you, Ms. Mackintosh, our Safeguarding Officer, can provide information on what is available.

Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.

A member of staff you trust. All members of staff will be there for you. If you want to confide in someone please do and they will help get you the support you need.

Parents and Families

If your child is unwell at school

If your child becomes unwell at school, we will contact you if necessary. We request that you ask your child to not contact home requesting for parents to collect them. Pupils should follow the correct procedure by telling a member of staff, the situation will be assessed and contact home will be made if required. Pupils will not be allowed to leave the school site without being accompanied by a responsible adult.

Citizens Advice

A reminder that members of our community can make appointments with staff from the Citizens' Advice at our Learning Lounge. They can provide advice of a range of topics such as housing, benefits and legal matters. To make an appointment, please e-mail the school using karen.hunt@willows.cardiff.sch.uk or by phone using 07733889062

Measles

We are working in partnership with Cardiff and Vale Health Board, enabling children who have missed their scheduled appointments for MMR (measles, mumps and rubella) vaccines to access this in school.

Measles can be very serious for children, and is very easily passed between people who are not vaccinated. There are currently outbreaks of measles in Wales, so we would encourage families to take up the opportunity of their child getting their MMR vaccination if they are offered it by the Health Board. Please note that if your child is invited and you would like your child to have the MMR vaccine which does *not* contain gelatine (Halal), this will be an option you can choose.

For more information about the MMR vaccine please go to [Measles, Mumps and Rubella \(MMR\) - Public Health Wales \(nhs.wales\)](https://www.nhs.uk/conditions/measles-mumps-rubella/mmr/)

Measles

If you live in Cardiff and the Vale and are unsure if your child has had the MMR vaccine, you are encouraged to [check their personal child health record](#) (red book) in the first instance

If you remain unsure, other options include:
Contacting the Local Child Health Team on 02921 836926 or 02921 836929.
Contacting your GP Practice, avoiding peak times such as early mornings where possible.

Options for MMR vaccination include:
Your GP Practice
Your local Mass Vaccination Centre. Call 02921 841234
Phone lines are open Mon-Fri between 9am and 5pm

Having the MMR vaccine is the best way to prevent having measles and passing it on to others.
In some cases, measles can cause serious complications including pneumonia and meningitis.

Allergies

At Willows, we are very conscious of pupil and staff sensitivity to the 14 food allergens. The food that our canteen produces is clearly labelled and the pupil information displayed at the tills identifies any allergies that the pupil in front of them has.

We do have a number of staff and pupils who have strong reactions to certain allergens, **particularly nuts**, so we ask for the support of all families to be aware of what your child is bringing into school and be sympathetic to the sensitivities of our school community.

We cannot 100% guarantee that the school is nut free, it is not possible to check what food is brought into school by every pupil, every day. We ask for your support in ensuring that the risks of allergic reactions are minimised.

For more information on allergies, please visit <https://www.allergyuk.org/>.

THE 14 FOOD ALLERGENS

 MOLUSCS Including land snails, whelks and squid.	 EGGS Can be found in cakes, sauces and pastries.	 FISH Found in pizza, dressings and Worcestershire sauce.
 LUPIN Lupin can be found in bread, pastries and pasta.	 SOYA Various beans including edamame and tofu.	 MILK Butter, cheese, cream and milk powders contain milk.
 PEANUTS Can be found in cakes, biscuits and sauces.	 GLUTEN In food made with flour such as pasta and bread.	 CRUSTACEANS Such as crab, lobster, prawns, shrimp and scampi.
 MUSTARD Can be in liquid or powder form as well as seeds.	 NUTS Including cashews, almonds and hazelnuts.	 SESAME Found on burgers, bread sticks and salads.
 CELERY Including stalks, leaves, seeds and celeriac.	 SULPHITES Found in dried fruit like raisins and some drinks.	

Safeguarding

A reminder that the school safeguarding lead is Danielle MacKintosh. If you are worried or concerned about a child and any time (including over the holidays) then please e-mail her on Danielle.MacKintosh@willows.cardiff.sch.uk If you are a pupil that needs help, please also contact Danielle via this e-mail address.

Chat Health

A reminder that all secondary school pupils can text the school nurse service for any medical support and advice. This may be useful if your child is too anxious or embarrassed to talk to a doctor in the first instance. Please chat about this with your child and make them aware of the service and number (below):

Cardiff Foodbank

Willows High School is a partner agency for Cardiff Foodbank.

If you need a Foodbank Voucher please contact the school using karen.hunt@willows.cardiff.sch.uk or by phone using 07733889062. Where we can help, we will do so confidentially.

Period Dignity

We have been working hard to reduce the stigma over periods for the last two years in line with all Wales objectives. We are hoping to achieve the 'Period Standard' award soon. Please take a few moments to familiarise yourself with the document featured in the link below:

<https://www.gov.wales/sites/default/files/publications/2023-02/period-dignity-strategic-action-plan-young-people%27s-version.pdf>

Just a reminder that school can provide tampons, pads, menstrual cups and period pants for pupils which are provided by the LA. Please direct pupils to form tutors, the Welfare Office, the Main Office or to Mrs. Bubbins if you think they may need help with this.

All of Year 8 and all of Year 9 have now been handed free pants but they are available for all.

We would like to hear your views on improving period provision. We have implemented many of your ideas from our last survey and value your opinions. The link to the Parent Questionnaire is here:

<https://forms.office.com/e/RBkJKgA1Z>

Likewise, we would like more feedback from our pupils in this area. The link to the Pupil Questionnaire is here:

<https://forms.office.com/e/i2wscPQX7s>

Please take time to help us, help you have a dignified period.

A reminder that pupils can collect free period products from school at any time. Pupils can ask any trusted adult for these or can access them in the school office, from Mrs. Bubbins or from the Welfare Office.

Key Services

Here is a reminder of some of the key services available for young people and their families:

- **School nurse** – pupils can text 07520615718 or 'chat' on 'Chathealth.NHS.UK' for confidential advice and support.
- **Family Gateway** – 03000133133 – provides advice for families no matter how big or small the problem.
- **Food Bank** - our nearest food bank can be found at St. Saviours Church on Splott Road. For dates and times, go to <https://cardiff.foodbank.org.uk/>
- **Period Poverty** – Please e-mail Mrs. Bubbins at Kelly.Bubbins@willows.cardiff.sch.uk if you need feminine hygiene products and we'll do our best to help.

Safe learning environments for pupils and staff

We are committed to ensuring Willows High School is a safe place where our pupils and staff are treated with respect and dignity, in a nurturing and positive learning environment.

Cardiff Council has recently launched a publicity campaign to highlight its commitment to pupil and staff safety and well-being, and to remind school communities that pupils and staff have a right to attend school free from abuse and any form of aggression.

Any form of written, verbal or physical abuse towards staff in our school will not be tolerated. The Council is committed to supporting schools and governing bodies to take any necessary action to keep staff safe. This may include restricting contact and communication with certain individuals, exclusion from the premises and reporting matters to the police when necessary.

Thank you for helping us to create a safe and nurturing learning environment for the children and young people attending our school by treating staff with dignity and respect.

Diolch

As always, thank you for your support. If there are any problems, we would appreciate that you contact the relevant person in school straight away rather than using social media platforms. We will always try our best to reach a solution and this will ensure your concern is seen and avoid any misinformation and miscommunication.

To ensure all of our pupils are safeguarded, we will not be able to release a pupil from our care until 3.10pm unless we are notified of a necessary appointment in advance. These can be communicated through the Report Absence tab on the Classcharts Parent app. Instructions on how to do this can be found in this Newsletter. We are grateful for your understanding and would appreciate your cooperation with this

Please could parents refrain from turning up at the school reception without an appointment. Heads of Year, Teachers and Support Staff are incredibly busy during the school day looking after our pupils. If there is a problem, please arrange an appointment with your child's Head of Year in the first instance. To organise this, please ring the school reception on 029 20414243.

Alternatively, you can e-mail the relevant member of staff, details below.

How it works...

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to Willows High School

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online by direct debit or debit card.

It's so easy to join and will make a real difference to Willows High School

- 40p goes to our school
- 36p goes to cash prizes
- 20p goes to admin costs
- 4p goes to VAT

The Maths... 100 tickets sold a week means
= £30 weekly cash prize
= £2,080 a year for our school
