Weekly Newsletter – 23.01.2026

Hello! مرحبا! Ahoj! Ola! Dzień dobry! Salut! Hello!

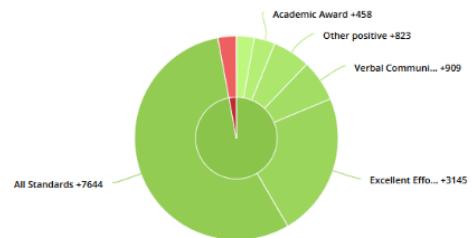

Use Google Translate to change to your preferred language.

Belong, Believe, Achieve:

This week, our pupils have been continuing with their Science Practical exams and English Group Discussion NEAs, have competed in football matches and fitness training and attended a presentation on the advantages of speaking a foreign language. Our assembly this week discussed Santes Dwynwen and was created by Mrs. Rees. Our pupils have also met with & welcomed into their lessons, a Team from Estyn, who were fully complimentary about how they behaved, presented themselves and communicated. We are very proud!

e-bikes/e-scooters

Road Safety Wales is highlighting the law surrounding e-bikes and e-scooters and we need your help!

Some people may have innocently purchased an e-bike or e-scooter, unaware that they could be breaking the law when riding it. Road Safety Wales is asking schools and colleges to share some information so that collisions and injuries can ultimately be avoided.

e-bikes

An e-bike is an electrically assisted pedal cycle equipped with an electric motor to assist riders when they pedal. You need to be at least 14 years old to ride an e-bike, but you don't need a driving licence.

Some people have attempted to modify their e-bike, so it is important to check that the motor has a maximum power output of 250 watts and not able to propel the bike when it's travelling more than 15.5mph.

By law, an e-bike cannot propel a rider unless they are pedalling as well. If you see what you think is an e-bike and the rider isn't pedalling, it is classed as an electric motorcycle and they have much stricter rules.

You wouldn't ride a motorcycle with a petrol engine when you didn't have a licence or insurance - the rules are exactly the same with an electric motorcycle!

e-scooters

Some people may be considering an electric scooter (e-scooter), particularly if they have seen others riding them locally.

However, it is illegal to use a privately owned e-scooter on public roads, pavements or cycle lanes. In fact, the only place to legally ride an e-scooter in Wales is on private land with the permission of the landowner - everywhere else it is against the law.

Some people may not appreciate the effect that riding illegally has. For someone with sight or hearing loss, it could have such an effect on them that they feel unable to go out on their own, hampering their mobility options and perhaps even resulting in the loss of their independence.

Unfortunately, people have already been killed and seriously injured when riding inappropriately and illegally. Nobody wants to see other families having to cope with the aftermath of similar heartbreaking incidents.

In some parts of the UK, government trials are taking place where you can rent an e-scooter and use it on the road and in cycle lanes if you hold a full or provisional driving licence. In Wales, there are currently no trials taking place.

✓ Gellir ei yrru ar dir preifat gyda chaniatâd tîrfeddianwr.	✓ Can be ridden on private land with land-owner's permission.
✓ Mae'n gyfreithiol iddynt gael eu gwerthu am y rhestrwm hwn.	✓ It is legal for them to be sold for this reason.

2020/23

We have been informed by the Police that e-scooters and illegal e-bikes will need to be confiscated and handed over to them if seen on the school site. We would be grateful if you would talk this through with your child and ensure that they are only using legal modes of transport to and from school. Please read the information on this page carefully. For more details, please watch this video:

<https://www.youtube.com/watch?v=JBEMhP1Gf6o>.

✓ There are different types of e-bikes.	✓ Any other electric bike that doesn't meet the EAPC rules is classed as a motorcycle or moped.
✓ Electrically Assisted Pedal Cycles (EAPCs) can be legally ridden by anyone aged 14+, and do not require road tax, insurance, or a licence - the same as a normal pedal bike.	✓ Non-EAPCs can only be ridden on public roads if the bike is registered with the DVLA, taxed, insured and used by a rider who holds the appropriate class of licence.
✗ To be classified as an EAPC, a bike must be fitted with pedals that are capable of propelling it, have a maximum continuous power rating via the electric motor not exceeding 250 watts, and all electrical assistance must cut off when the vehicle reaches a speed of 15.5mph.	✗ Unless the above criteria are met, e-bikes cannot legally be ridden on public roads.
✗ Those riding on public roads risk prosecution and having the vehicle seized.

School news

9am start

Please would you remind your child that the start of the school day is 9am. We expect all pupils to be in their Line-up at this time. It is an important start to the day where we pass on necessary information, check that everyone is ready to learn and where we can all reflect on issues that affect us all.

Parent Cookery Session- Fedline Project

On Tuesday, parents took part in an enjoyable cookery session delivered by the Fedline project. During the workshop, they prepared a range of delicious dishes including overnight oats for breakfast, chicken quesadilla for lunch, and a hearty tuna pasta bake for dinner. The session was warmly received, with parents appreciating both the practical skills and the fun, supportive atmosphere. We would like to extend our thanks to Fedline for providing such a valuable and engaging course for our families.

Strength & Conditioning

Our Year 9 girls had the opportunity to visit Ion Strength and Conditioning gym situated at the Maltings this week. This is part of a long-term project lead by Horizon to develop health and wellbeing habits for young people.

Focusing on exercise, nutrition, recovery and connection, pupils will be supported to develop their knowledge and experience in each of these areas and establish lifestyle changes that will stand them in good stead for the future.

Football

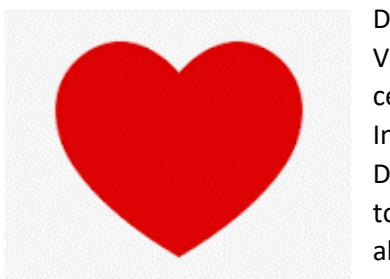

Our Year 10 boys football team recorded another victory this week at home Vs Whitmore. On a wet and wild afternoon, a hat-trick from Jayden and a great volley from Dan secured another victory in the CVSFA league campaign to push them further up the league table.

Special Resource Base

The children in the Special Resource Base have been learning about different habitats, focusing on Polar and Desert environments. Some of our learners independently carried out research at home and created these fantastic large posters. This topic has sparked a great deal of curiosity and interest, and it has been amazing to see their enthusiasm and independence in learning.

Diwrnod Santes Dwynwen

Diwrnod Santes Dwynwen is considered to be the Welsh equivalent to Valentines Day and is celebrated on the 25th January every year. It celebrates Dwynwen, the Welsh saint of lovers.

In the 5th century Dwynwen fell in love with a man named Maelon Dafodrill. Maelon returned Dwynwen's feelings but they could not be together for Dwynwen's father forbade the marriage and her father had already promised her to someone else. Distraught by her love for Maelon, Dwynwen prays she would fall out of love with him.

After falling asleep, or possibly while still awake in the woods, she had run in her distress. Dwynwen was visited by an angel who appeared carrying a sweet potion designed to help erase all memory of Maelon and turn him into a block of ice. God then gave three wishes to Dwynwen. First, she wishes the Maelon be thawed, second that God met the hopes and dreams of true lovers and third that she should never marry ever. All three were fulfilled, and as a mark of her thanks, Dwynwen devoted herself to God's service for the rest of her life.

Dwynwen became a nun fulfilling her wish to never marry. She left for the island of Anglesey and built a church, which became known as Llanddwyn literally meaning the church of Swynwen. Its remains can still be seen today on the island of Llanddwyn off the coast of Anglesey. The smaller island also contains Dwynwen's well, where allegedly a sacred fish swims, whose movements predict the future fortunes and relationships of various couples. Another tradition claims that if the water boils while visitors are present, then love and good luck will surely follow.

The popularity and celebration of St.Dwynwen's day has increased considerably in recent years with special events such as concerts and parties often held and greeting cards printed. Although still not as popular as St. Valentine's Day in February, St. Dwynwen is certainly becoming better known amongst today's population of Wales. #WillowsWelsh.

IMPORTANT SAFETY NOTICE REGARDING THE ELECTRIFICATION OF THE CORE VALLEY RAILWAY LINES

Transport for Wales is delivering Metro, the biggest upgrade to public transport in South-East Wales for a generation. Over the last few years, we have completed a significant amount of construction, engineering, and infrastructure work to upgrade our rail network so that it's ready for Metro. We've now successfully electrified the Aberdare, Coryton, Merthyr Tydfil, Rhymney and Treherbert lines.

As part of the South Wales Metro project, we've installed overhead line equipment (OLE) from Cardiff Queen Street to Cardiff Bay. This equipment will power our brand-new electric trains, due to be introduced this year.

Electrification of the Cardiff Bay line

This letter is to notify you that the Cardiff Bay line (from Cardiff Queen Street to Cardiff Bay station) is due to be **electrified in the coming weeks**. This means the power will be switched on and available to be used. The overhead power lines that carry 25,000 volts will be 'live', making it extremely dangerous for any persons to come close to the overhead wires or any associated part of the structures. This includes the supporting masts, switch feeds and cables.

Example of Overhead Line Equipment

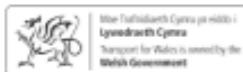

1. Steel mast supporting the OLE equipment.
2. Cantilever 'arm' that carries the wires
3. Overhead wires that carry 25,000 volts
4. Earth wire attached to the steel mast.

The overhead power lines are always on and electricity can jump. For your safety, please maintain a safe distance from the overhead wires.

It is also extremely dangerous to trespass on the railway, as over the coming months we will be testing our new trains across the network, and these train movements do not always appear on our information boards or online journey planners. We will also be continuing to carry out infrastructure work to improve our rail lines, where we will be using heavy machinery on the tracks.

Whilst there is no danger to people using the railway correctly, anyone who does not respect the railway boundary, the fence line that protects both people and the operational railway from deliberate or accidental trespass, are placing themselves at risk.

We have a duty of care to contact all educational institutions, including primary and secondary schools, within 2.5 miles of the railway line prior to the energisation date. We would be grateful if this information can be shared with staff, parents

and students to ensure that no unauthorised personnel attempt to trespass onto the railway line.

School safety talks

Our safety education provider, Bollo will be in contact shortly with an offer to deliver safety talks and assemblies to your students on the dangers of railway trespass and overhead line equipment as we prepare for the energisation of the Cardiff Bay line.

We urge you to take up this opportunity when it is offered to you, to ensure that your students are made aware of the dangers of trespassing onto the railway line. As the majority of students likely have never seen OLE on the railway line previously, it is important that they are made aware of the dangers of coming into close contact with this equipment.

You may have already been contacted or have had talks delivered to your students, however if you have any questions, please contact us at engagement@tfw.wales.

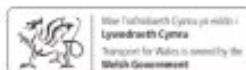

To ensure that you have received this information, please provide written confirmation to acknowledge receipt of this letter and whether you require further information. You can contact us either via engagement@tfw.wales or through our customer relations team who are available 24/7 on 033 33 211 202. Alternatively, you may contact us via WhatsApp on 07790 952507 (0700-2000 on Monday to Friday, and 1100-2000 on Sunday).

More information

You can read more about OLE at tfw.wales/overhead-line-electrification.

Information on our educational safety campaign, 'No Second Chances' can be found at tfw.wales/no-second-chances.

Yours faithfully,
Engagement Team

Important information for parents/carers: MMR vaccine

On the afternoon of Friday, January 30, members of Cardiff and Vale University Health Board's Immunisation and Health Protection Team will be visiting our school to offer pupils the measles, mumps and rubella vaccine (MMR).

Cases of measles have been found in parts of south Wales over the past year, including in Cardiff, Newport and Swansea. Wider outbreaks have also been seen in Birmingham and London.

There are concerns that further outbreaks are likely which could cause major problems for our communities and our GP and hospital services.

Measles is an extremely contagious disease that can cause severe complications such as sight loss, hearing loss, pneumonia and meningitis. In extreme circumstances, measles can cause deaths.

However, we can slow the spread and protect our children and ourselves with the MMR vaccine. The two-dose vaccine is extremely effective and safe, and there are gelatine-free options available.

The vaccine is offered at GP practices to all children before they start school, but sadly there are thousands of children of secondary school age who are still not vaccinated and remain at risk.

If you think your child is not up to date with two doses of their MMR vaccine, this is the perfect opportunity to consent to them receiving it. For more information please visit the Cardiff and Vale UHB website.

No Hoodies

This term we are having a focus on the wearing of hoodies on the school site. **Hoodies are not part of the school uniform** and should not be worn or brought to school. We would be grateful if families would speak to their children about this and support us in ensuring that our school is hoodie-free.

The Little Mermaid

Tickets are now on Parent Pay for our production of The Little Mermaid

Dates - Monday 23rd & Tuesday 24th February (if ticket sales go well, we will add the Wednesday)

Price - £2 child £4 adult.

Time - 5pm - 6.30pm

Pupils leaving during the school day

This is a reminder that all pupils must follow the school's protocol if they wish to go home during the school day. Please would families **not** collect pupils directly without prior approval.

If pupils feel unwell or needs to leave for any reason, they must report to on-call, where trained staff will assess the situation and contact home if needed.

Arbor

All schools in Cardiff are switching to a new management information system called Arbor this year. Willows moved over to this system on 5th January. As a result, there may be a disruption in your ability to track your child's attendance in Classcharts. We will still be using Classcharts to track behaviour and send announcements, so please ensure that you are signed up to the app and that we have your correct contact information.

Readers of the Week

Congratulations to the following students who have been chosen by Miss Davies as this week's Readers of the Week!

Every book swap, these students demonstrate an outstanding attitude in the library both towards reading and supporting their peers with also reading physical and online books using the library software.

They truly set the best example for everyone.

To congratulate their hard work, they will each receive a Golden Ticket from Miss Davies as a special reward. Well done!

Dangers of Snapchat

We are seeing an increased number of unpleasant incidents resulting from pupils' use of Snapchat outside of school. **We highly recommend that families prevent their children from using this app to communicate with their friends.**

Snapchat is a widely used social media platform among young people, but it presents several risks that parents need to be aware of. Children may encounter inappropriate content or unwanted contact if they accept friend requests from profiles they do not recognise or join group chats without knowing who is involved. These actions can expose children to cyberbullying, harmful material, or interactions with strangers.

Too safeguard your child, if you do allow your child to use this app, it is essential that you actively monitor your child's social media activity, including who they are communicating with and which groups they are part of.

If your child is added by an unknown profile, we strongly recommend that you remove and block the contact immediately. If any unkind or inappropriate messages are exchanged between peers, please take a screenshot of the conversation, block and remove the contact, and report the incident to the police via 101 if necessary. Additionally, kindly inform your child's Head of Year. This helps us monitor interactions within the school and prevent further disputes. For more information, please refer to our social media guidance for parents.

Pupil Email

We ask that families encourage their children to regularly check their school emails for important school information regarding their lessons, assignments, homework, meetings and events. Every pupil has a Willows email account which also provides free access to Microsoft applications such as Word, Excel and Powerpoint. We want our pupils to be fully informed about what's going on and what they need to do.

Homework: Carousel Learning

Carousel Homework will start back up next week. On Friday, Miss Davies will email each class directly with their assigned work.

Students are always welcome to use the library space to complete their homework, where they can also receive support from Miss Davies if needed.

It is important that students complete their Carousel homework, as it helps prepare them for exams and ensures they stay on track with their work in class.

Teachers will go over their Carousel questions during lessons to challenge the students' understanding.

If there are any issues with your child accessing Carousel, please ask them to see Miss Davies in the library for support.

A graphic titled "THE WILLOWS WAY" at the top, with a sub-section titled "Homework Timetable" in the center. The timetable is organized into five columns representing the days of the week: Monday, Tuesday, Wednesday, Thursday, and Friday. It is divided into six sections corresponding to years 7 through 11. Each section contains a 5x5 grid where rows represent subjects and columns represent days. The subjects listed include English, Journey 7, Music, Welsh, Computing, Technology*, French, Drama, Art, P.E., Geography, Music, Welsh, Computing, French, Drama, Art, P.E., English, Biology, Technology*, Chemistry, Expressive Arts, R.E., Physics, History, Computing, French, Geography, Welsh, Art, P.E., Health & Nutrition, English, Biology, Option A, Chemistry, Option B, Physics, Option C, Welsh, Agored, and English, Biology, Option A, Chemistry, Option B, Physics, Option C, Welsh, Agored. A note at the bottom of the grid states: "* Pupils should only complete the quizzes for the Technology area (Food/Textiles/Product Design) that they are studying that term." Below the grid, there are four boxes: "20 minutes reading", "10 minutes MathsWatch", "10 minutes per subject on Carousel Learning", and a logo for "BUILDO BELIEVE ACHIEVE".

Guidance for Parents

HOW CAN YOU HELP US?

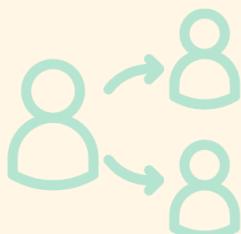

1 Monitoring Online Activity

- Regularly check your child's social media accounts and online interactions.
- Use parental control tools and privacy settings to limit exposure to harmful content.
- Encourage open communication about their online experiences.

2 Record Misuse

- Take screenshots of any inappropriate or harmful messages.
- Keep a log of dates, times, and platforms where incidents have occurred.
- Save any relevant messages or posts as evidence.

3 Sharing Concerns with Teachers

- Report incidents to the school as soon as possible.
- Provide documented evidence to help staff understand the situation.
- Work collaboratively with teachers and school counsellors to support your child.

4 Report to 101 #NoPlaceForHate

You can report online hate/bullying to South Wales Police via:

- The South Wales Police Website: <https://www.south-wales.police.uk/ro/report/hate-crime/information/v1/hate-crime/how-to-report-hate-crime/>
- Calling 101
- Visiting a police station

We are committed to collaborating with families to safeguard children from the threats of social media and online bullying, ensuring a safe and supportive environment for all students.

As you may be aware, school budgets are getting tighter and tighter. As a result, we are no longer able to manage with the amount of school meal debt that some pupils are accumulating.

We have reduced the amount a pupil account can be in debt to £10. If a pupil goes over this limit, we will provide them with something to eat but they will not be able to choose from the Canteen Menu. If this occurs, our Finance Team will be in touch to support families through the process.

Facilities to hire after school

Please contact our Estates Manager if you would be interested in hiring our Learning Lounge or Theatre after school hours –

Cyril.royer1@willows.cardiff.sch.uk

The Learning Lounge is colourful and bright space, with a tea/coffee making utilities, comfy seating, as well as more private areas to sit. We also have a larger area from which adult education and skills building classes and groups are run.

The Theatre has a large stage and seating area which can be used for performances or other activities.

Class Charts

What is Class Charts?

Class Charts is an app that can be downloaded to your phone. You can use it to:

- keep track of your child's behaviour
- access your child's weekly timetable
- be informed of detentions
- award your child merits for completing their home reading tasks
- view announcements from school.

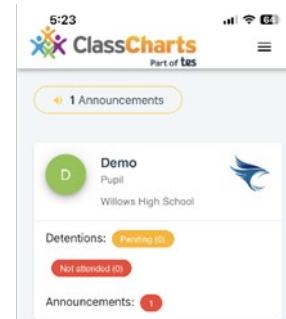

We would like all parents to sign up to Class Charts, as we are also going to be using this as the main way of sending all messages to you. At the moment, this will also be the main way that you can report your child's absence to us.

Thank you to all parents who have signed up to Class Charts this year and to those of you who continue to use it.

Please let your child's Head of Year know if you need a login code.

How to report an absence on Class Charts

1. Click on your Class Charts app and click on your child's name.

2. Scroll across the green band at the top and click 'report absence'.

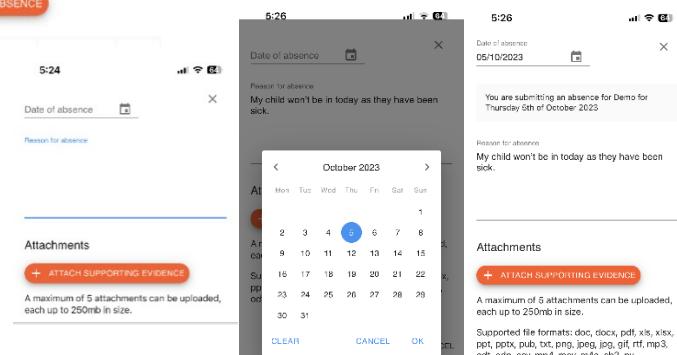

No activity found for the selected date range.

Activity

No activity found for the selected date range.

3. Click on 'report new absence'

4. Tap the calendar for the date, type in the reason and attach any pictures of medical evidence, such as letters, emails or texts from the doctors, dentist or hospital

5. Click submit...it's as easy as that!

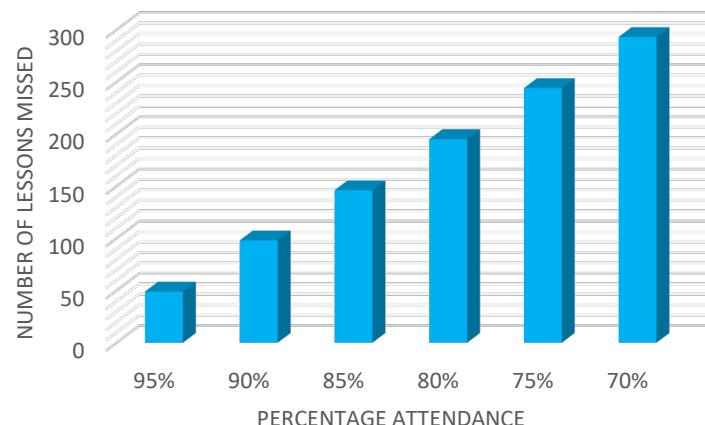

Please contact your child's Head of Year if you have any problems logging on and they will be happy to guide you through the process.

Important information about attendance to school

In an exam, if you got 90% of the questions correct, you would probably think that this is a very good result.

Number of lessons Missed

increases as their attendance drops.

The greatest gift that we can give your child is an amazing set of examination results at the end of Year 11. To provide the best possible conditions for this to happen, your child needs to have as high an attendance percentage as possible.

Pupils are in school for 190 days of the year, **they are not in school for 175 days of the year.**

We believe that this is plenty of time for the majority of appointments to be made out of school hours.

Please consider your child's education before making appointments during the school day, and if you have no option, please consider how they are going to catch up on the work they have missed and report the absence every day through Classcharts.

Every pupil who is not in school is a potential safeguarding concern if we have not been notified by you.

We would be grateful if families would take the information above on board and we look forward to your support.

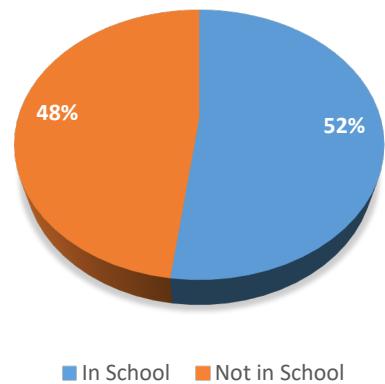

Unfortunately, this doesn't translate to your child's attendance.

90% attendance for the school year means that your child has **missed 98 lessons**. How are they going to make that time back?

Even **95% attendance** which is the Welsh Government's threshold for good attendance means your child would have **missed 49 lessons** over the school year. This is a lot of work for your child to miss.

The chart above shows how quickly the number of lessons your child misses

Important Information for All Parents and Guardians

Please be aware that **Fixed Penalty Notices** are now being issued by Cardiff Council again.

If your child has more than 5 days of unauthorised absence since September 2022 or takes an unauthorised holiday, then you are at risk of a Fixed Penalty Notice Fine being issued.

Fines are **£60** at first, then rising to **£120** - if the fine is still not paid then you will be summoned to court and the fine and costs will rise again. **Please note these fines do not go away.** Please make sure to read any correspondence carefully.

To avoid being fined, please ensure that your child attends school every day - if there is a valid reason for absence, please contact the Attendance Team giving evidence where possible.

Lateness to School: Fixed Penalty Notices

Fixed Penalty Notices are already being requested for **poor attendance** and for **term-time holidays**.

After the Easter holidays we will be looking to request Fixed Penalty Notice fines for **lateness to school**. We ask that you speak to your child and discuss the importance of **arriving at school on-time for 9:00am line-up every day**. Your child is missing hours of education if they are consistently late to school.

If your child is regularly late to school then a request for a Fixed Penalty Notice fine will be actioned to the Education Welfare Service. The fine for this is £60, rising to £120, leading to a court summons & increased fines imposed. We **do not** want to have to request this – we would much rather your child be in school on time.

If your child is late to school because of an appointment then please provide evidence to the Attendance Team in the form of an appointment card or letter, etc.

Please help your child to arrive at school in good time. The main gates close at 9am – after this time your child is considered to be late and will need to sign in through Late Gates in the Learning Lounge, and then main reception.

Thank you for your support in this matter.

Did you know that accuracy with writing is worth 50% of the marks on the GCSE English writing tasks? It's also written into the marking schemes for most subjects. You can help your child by

quizzing them on the spelling of our Willows Words; these are words that have been found to be commonly misspelled at GCSE. Every week, we'll publish a selection for you to quiz and repeat them in a loop to ensure that the learning is embedded.

Uniform Reminder to Parents

We would appreciate the support of families to ensure that pupils come to school appropriately dressed. On the right is the information in our Parent Handbook which sets out clearly the expectation for our pupils at Willows.

We have uniform for a reason, it is to act as a leveller for pupils. Everyone wears the same, so no-one can feel disadvantaged by those who might want to come into school wearing the latest brands and expensive labels. It is also there to ensure that the clothes that are worn are appropriate to the age of your child, not too revealing and suitable for walking around in throughout the day.

Pupils will be sent home to change if they are wearing inappropriate clothing, this will be the school's decision.

We would appreciate if you would discuss this with your child and take steps to ensure that they are appropriately dressed for school when they leave your house in the morning.

The school will make parents aware if there is any change to the school uniform due to increases in temperature, please do not send your child in P.E. kit if the weather is warm.

Crocs are definitely not part of the school uniform! Our Parent Handbook can be accessed on our website or by clicking the link below:

<https://innd.adobe.com/view/1dbf54a5-38cf-494f-9166-50b358b2e824>

If you are intending to buy new P.E. for next year, please remember that it is the Mid-Layer that is the compulsory item and must be worn. If you want to wear the old P.E. tops, they must be worn under the Mid-Layer.

P.E. Kit:

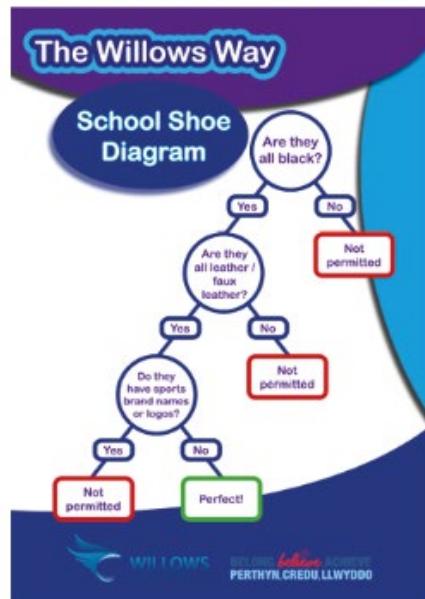

School P.E. midlayer top, plain black sport shorts, plain black tracksuit trousers or plain black sports leggings.
No jeggings, tight fitting trousers, jeans, jean like trousers or low rise trousers.
No hoodies

Currently if your child has P.E. they should wear their P.E. kit to school for that day.

If you are concerned about the cold weather, pupils may wear their blazer as an extra layer of clothing.

Acceptable shoes flow diagram:

Hair:
No extreme styles / non natural colours.

Shoes:
Black leather or faux leather shoes or ankle boots only.
No canvas, no trainers, no logos.

Black to go with the uniform.
Leather to be weather resistant.

Uniform will be checked during the first line-up of the morning.

Pupils who are not wearing correct uniform will be sent home to either change or collect a part of their uniform that was missing

Mobile phone use in school FAQs

What will happen if my child is using their phone on the school premises or during the school day?

Staff will request that pupils hand their device(s) in, these will be stored in a secure place, in a padded envelope and will be clearly labelled ready for collection at the end of the same day. In an attempt to discourage use of electronic devices we will operate an escalated approach:

- Initial offences - Device handed-in, pupil can collect at the end of the same day, Parent/Carer informed.
- Repeated offences – Device handed-in, parent/carer must collect.
- Continued offences – Device handed-in, parent/carer must collect. Parent/carer to attend a meeting.

In the event of an exceptional circumstance, your child's Head of Year should be made aware and an individual solution will be applied.

Can my child bring their phone/electronic device to school?

Yes of course, we ask that they are switched off and out of sight during the school day and when on the school premises.

What if I can't collect my child's phone/electronic device?

That's ok, we will keep any devices secured at the school until it is convenient for you to collect.

What will happen if my child refuses to hand in their electronic device/mobile phone?

This is something we all want to avoid and as such we will also have an escalated approach to this:

Discussion with Head of Year / SLT > time in the APC until handed in > exclusion

Please encourage your child to not use their device in school to avoid the above escalation, we are giving plenty of advance warning to avoid this.

What happens if I need to speak to my child during the school day?

There are rare occasions whereby you may need to speak with your child for emergency reasons, if this is the case, please contact the school via the main number (02920 414243) and we will endeavour to pass on messages or collect your child to use a school phone. If we feel that your child needs to speak with you, we will provide a private space using a school phone to contact you.

Can devices be used during breaks/lunches?

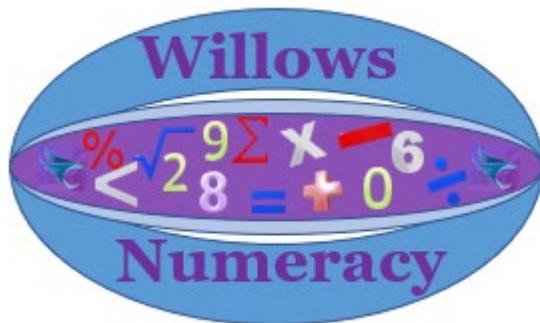

No, we want pupils to communicate with their friends, develop their social skills and be present with each other.

I really find it hard to separate my child from their phone, can you help?

Yes, absolutely, we want our pupils to use their electronic devices responsibly and in moderation. We can work with you to put in place plans to avoid overuse and misuse and will support you in ensuring your child is meeting the school expectations. We will also be educating pupils on how to use devices responsibly and sharing further information on how parents/carers can monitor their child's use.

Year 8: Tuesday 17th March

Year 9: Wednesday 18th March

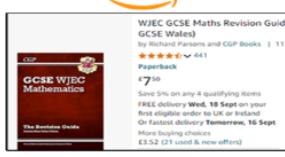

Junior UKMT Challenge - Y7 and Y8 MAT pupils:

Challenge date: 29th April 2026

Junior UKMT Challenge is an external Mathematics competition giving Y7 and Y8 MAT pupils the opportunity to tackle a variety of mathematical activities which inspire their love to problem solving.

Numeracy Boost Sessions (NBS):

Using a variety of digital (e.g. TT-Rock Stars) and non-digital resources, all KS3 pupils will benefit from using laptops in Numeracy Boost Session to enrich their Mathematics skills; they are delivered fortnightly by Mathematics teachers. It is a great opportunity to support low abilities further and stretch high potential pupils.

Terms of the week 18

BIDMAS /BODMAS /PEDMAS:

Acronyms used to help people remember the correct order of operations for solving algebraic equations.

BIDMAS stands for "Brackets, Indices, Division, Multiplication, Addition, and Subtraction"

BODMAS stands for "Brackets, Order, Division, Multiplication, Addition, and Subtraction"

PEMDAS stands for "Parentheses, Exponents, Multiplication, Division, Addition, and Subtraction".

Brackets and Parentheses are the same thing, e.g. $(3-7)$

Indices, Orders and Exponents are powers, e.g. 3^2 or 4^3

Example: To work out the value of: $4 + 2 \times 3^2$, we work out 3^2 first to get $4 + 2 \times 9$; then multiplication second, to get $4 + 18$; then addition last to get a final answer of 22.

MathsWatch Homework

All of our pupils' weekly Mathematics homework is accessible on MathsWatch (<https://www.mathswatchvle.com/>). They must be completed by their given deadline. **Mathswatch homework is set every Tuesday and due the following Tuesday morning.**

Each set homework is open for a month, so that students can keep improving their scores. This will also help your child to revise and to practice the mathematics and numeracy skills, knowledge and understanding that they have been learning in class.

For any login issues, please email Miss Santos at dana.santos@willows.cardiff.sch.uk

There are videos available to each topic and interactive questions that they can try. Please ensure your child completes and submits their homework on time. Any outstanding homework must still be completed, and they should all aim to achieve 100% on them.

On that note, we would like to say a huge congratulations to all those who have been working so hard on their MathsWatch!

TimesTableRockstars

Single numeracy boost sessions are provided to all our KS3 students on a fortnightly basis to enrich their Mathematical Skills, specifically with a focus on times tables. Students will be accessing their TTRS accounts and improving their knowledge of the times tables.

At home, students must log on to TTRS via their technological devices at home. There is also a phone app that they can download via Apple or Android, free of charge.

All the students have 5-10minutes daily tasks on there to help consolidate their times tables. It will also earn them coins to use for customising their own individual avatars. Similarly to MathsWatch, there will be a leaderboard and certificates to reward their efforts.

For any login issues, please email Miss Santos at dana.santos@willows.cardiff.sch.uk

Guidance Aims

Cardiff Council is committed to keeping your child safe through a fair and consistent approach, and preventing violence and weapons possession in Cardiff. As a Child Friendly City, Cardiff upholds The United Nations Convention on the Rights of the Child (UNCRC) and puts young people at the centre of processes and decisions.

This guidance will be used when a young person is found in possession of a weapon on an education establishment's site either deliberately or unintentionally. Cardiff Council recognised that there are many issues facing young people today and there are many reasons why a young person may carry a weapon. It is expected that there will be a multi-agency approach to support the school or educational setting to identify suitable early interventions and create positive change through the curriculum and the culture of the setting.

Social Media

Social media is increasingly playing a role in the lives of our pupils and for the majority of time, this is a positive thing. However, we are increasingly seeing how social media can have quite a negative impact

on our pupils and in some cases, the impact has been quite significant.

We need to work together to harness all of the positive aspects of social media (and there are many) and to cancel out those aspects which can do harm. Whilst it is easy to focus on the fact that the age guideline for most sites is 13, it is also recognised how difficult it is to stop children from accessing these especially when all of their friends are using a certain platform.

Perhaps a more realistic place to start is to ensure that, if social media sites are to be used then they are set up in a way which helps to protect privacy. For example, most platforms allow you to:

- **set an account to private** (many of our pupils don't do this and some have been approached by people they don't know)
- **not allow friend requests** – again, some pupils have had friend requests from unknown users
- **hide the user's location** – worryingly, so many pupils share their location and with the development of ever more sophisticated software, it is becoming relatively easy to pinpoint exactly where the social media account is being used from (without sharing any address details).

Changing the settings to not allow the issues to happen takes a few minutes and can significantly improve the level of online safety when accessing social media. The NSPCC site 'Keeping children safe online' really is excellent and I would urge all families to access this: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

South Wales Police - Sextortion

We have been informed that South Wales Police are concerned about the rapidly growing number of 'sextortion' cases involving young people across Wales.

This is where individuals are targeted and threatened that inappropriate images of themselves that have been previously uploaded will be shared unless money is sent. This is obviously extremely worrying and the first action must be to ensure that no such photographs or videos exist – and, if they do so, they must be deleted immediately.

The advice to families from South Wales Police is as follows:

- Don't pay, do stop contact and block: you may be tempted to pay, but there is no guarantee that this will stop the threats. As the offender's motive is to get money, once you have shown you can pay, they will likely ask for more and blackmail may continue. If you have paid, don't panic but don't pay anything more. Help your child to stop all communication with the offender and block them on any accounts that they have been contacted on.
- Avoid deleting anything: try not to delete anything that could be used as evidence such as messages, images, telephone numbers, and bank account details.
- Report to the police or CEOP: call 101 or 999 if there is an immediate risk of harm to your child. Or you can use the [CEOP Safety Centre](#) to report any online blackmail attempts.

The NSPCC website is also a very good source of information and support should you require it

Wellbeing in school

At Willows High School, we aim to promote positive mental health and wellbeing for our whole school community; pupils, staff and families, and recognise how important mental health and emotional wellbeing is to our lives in just the same way as physical health. We recognise that children's mental health is a crucial factor in their overall wellbeing and can affect their learning and achievement. All children go through ups and downs through their school career/life and some face significant life events.

Our aim is to help develop the protective factors which build resilience to mental health problems and be a school where:

- All pupils are valued
- Pupils have a sense of belonging and feel safe
- Pupils feel able to talk openly with trusted adults about their problems without feeling any stigma
- Positive mental health is promoted and valued
- Bullying is not tolerated

Pupils

If you feel you need some support with your wellbeing we want to help and there are many places to go: Staff in the Learning Lounge are here to look after your wellbeing so please come down for a confidential chat.

If you are a young carer and feel you need more support or would like to know about more opportunities out there for you, Ms. Mackintosh, our Safeguarding Officer, can provide information on what is available.

Your Head of Year or any member of the Welfare Team are there to support you. You can find them at line-up time, in the welfare office or anywhere around the school.

A member of staff you trust. All members of staff will be there for you. If you want to confide in someone please do and they will help get you the support you need.

Parents and Families

If your child is unwell at school

If your child becomes unwell at school, we will contact you if necessary. We request that you ask your child to not contact home requesting for parents to collect them. Pupils should follow the correct procedure by telling a member of staff, the situation will be assessed and contact home will be made if required. Pupils will not be allowed to leave the school site without being accompanied by a responsible adult.

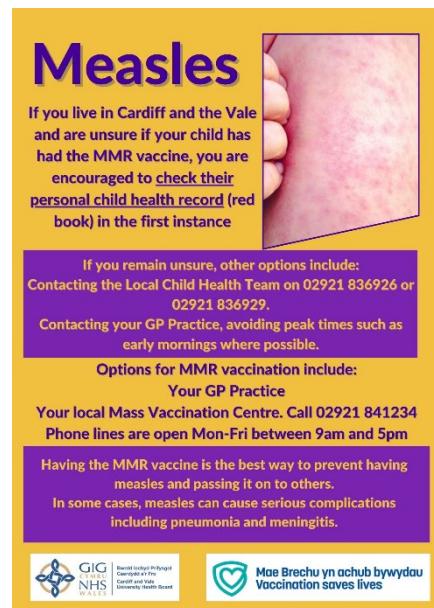

Citizens Advice

A reminder that members of our community can make appointments with staff from the Citizens' Advice at our Learning Lounge. They can provide advice of a range of topics such as housing, benefits and legal matters. To make an appointment, please e-mail the school using karen.hunt@willows.cardiff.sch.uk or by phone using 07733889062

Measles

We are working in partnership with Cardiff and Vale Health Board, enabling children who have missed their scheduled appointments for MMR (measles, mumps and rubella) vaccines to access this in school.

Measles can be very serious for children, and is very easily passed between people who are not vaccinated. There are currently outbreaks of measles in Wales, so we would encourage families to take up the opportunity of their child getting their MMR vaccination if they are offered it by the Health Board. Please note that if your child is invited and you would like your child to have the MMR vaccine which does *not* contain gelatine (Halal), this will be an option you can choose.

For more information about the MMR vaccine please go to [Measles, Mumps and Rubella \(MMR\) - Public Health Wales \(nhs.wales\)](https://www.gov.wales/measles-mumps-and-rubella-mmr-public-health-wales-nhs-wales)

Allergies

At Willows, we are very conscious of pupil and staff sensitivity to the 14 food allergens. The food that our canteen produces is clearly labelled and the pupil information displayed at the tills identifies any allergies that the pupil in front of them has.

We do have a number of staff and pupils who have strong reactions to certain allergens, **particularly nuts**, so we ask for the support of all families to be aware of what your child is bringing into school and be sympathetic to the sensitivities of our school community.

We cannot 100% guarantee that the school is nut free, it is not possible to check what food is brought into school by every pupil, every day. We ask for your support in ensuring that the risks of allergic reactions are minimised.

For more information on allergies, please visit <https://www.allergyuk.org/>.

Safeguarding

A reminder that the school safeguarding lead is Danielle MacKintosh. If you are worried or concerned about a child and any time (including over the holidays) then please e-mail her on Danielle.MacKintosh@willows.cardiff.sch.uk If you are a pupil that needs help, please also contact Danielle via this e-mail address.

Chat Health

A reminder that all secondary school pupils can text the school nurse service for any medical support and advice. This may be useful if your child is too anxious or embarrassed to talk to a doctor in the first instance. Please chat about this with your child and make them aware of the service and number (below):

Cardiff Foodbank

Willows High School is a partner agency for Cardiff Foodbank.

If you need a Foodbank Voucher please contact the school using karen.hunt@willows.cardiff.sch.uk or by phone using 07733889062. Where we can help, we will do so confidentially.

Period Dignity

We have been working hard to reduce the stigma over periods for the last two years in line with all Wales objectives. We are hoping to achieve the 'Period Standard' award soon. Please take a few moments to familiarise yourself with the document featured in the link below:

<https://www.gov.wales/sites/default/files/publications/2023-02/period-dignity-strategic-action-plan-young-people%27s-version.pdf>

Just a reminder that school can provide tampons, pads, menstrual cups and period pants for pupils which are provided by the LA. Please direct pupils to form tutors, the Welfare Office, the Main Office or to Mrs. Bubbins if you think they may need help with this.

All of Year 8 and all of Year 9 have now been handed free pants but they are available for all.

We would like to hear your views on improving period provision. We have implemented many of your ideas from our last survey and value your opinions. The link to the Parent Questionnaire is here:

<https://forms.office.com/e/RBkJKggA1Z>

Likewise, we would like more feedback from our pupils in this area. The link to the Pupil Questionnaire is here:

<https://forms.office.com/e/i2wscPQX7s>

Please take time to help us, help you have a dignified period.

A reminder that pupils can collect free period products from school at any time. Pupils can ask any trusted adult for these or can access them in the school office, from Mrs. Bubbins or from the Welfare Office.

Key Services

Here is a reminder of some of the key services available for young people and their families:

- **School nurse** – pupils can text 07520615718 or ‘chat’ on ‘Chathealth.NHS.UK’ for confidential advice and support.
- **Family Gateway** – 03000133133 – provides advice for families no matter how big or small the problem.
- **Food Bank** - our nearest food bank can be found at St. Saviours Church on Splott Road. For dates and times, go to <https://cardiff.foodbank.org.uk/>
- **Period Poverty** – Please e-mail Mrs. Bubbins at Kelly.Bubbins@willows.cardiff.sch.uk if you need feminine hygiene products and we'll do our best to help.

Safe learning environments for pupils and staff

We are committed to ensuring Willows High School is a safe place where our pupils and staff are treated with respect and dignity, in a nurturing and positive learning environment.

Cardiff Council has recently launched a publicity campaign to highlight its commitment to pupil and staff safety and well-being, and to remind school communities that pupils and staff have a right to attend school free from abuse and any form of aggression.

Any form of written, verbal or physical abuse towards staff in our school will not be tolerated. The Council is committed to supporting schools and governing bodies to take any necessary action to keep staff safe. This may include restricting contact and communication with certain individuals, exclusion from the premises and reporting matters to the police when necessary.

Thank you for helping us to create a safe and nurturing learning environment for the children and young people attending our school by treating staff with dignity and respect.

As always, thank you for your support. If there are any problems, we would appreciate that you contact the relevant person in school straight away rather than using social media platforms. We will always try our best to reach a solution and this will ensure your concern is seen and avoid any misinformation and miscommunication.

To ensure all of our pupils are safeguarded, we will not be able to release a pupil from our care until 3.10pm unless we are notified of a necessary appointment in advance. These can be communicated through the Report Absence tab on the Classcharts Parent app. Instructions on how to do this can be found in this Newsletter. We are grateful for your understanding and would appreciate your cooperation with this

Please could parents refrain from turning up at the school reception without an appointment. Heads of Year, Teachers and Support Staff are incredibly busy during the school day looking after our pupils. If there is a problem, please arrange an appointment with your child's Head of Year in the first instance. To organise this, please ring the school reception on 029 20414243.

Alternatively, you can e-mail the relevant member of staff, details below.

YOUR
SCHOOL
LOTTERY

Splitting the £1.00

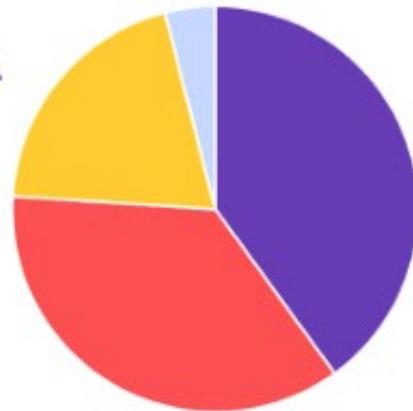

How it works...

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to Willows High School

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online by direct debit or debit card.

It's so easy to join and will make a real difference to Willows High School

- 40p goes to our school
- 36p goes to cash prizes
- 20p goes to admin costs
- 4p goes to VAT

The Maths... 100 tickets sold a week means

- = £30 weekly cash prize
- = £2,080 a year for our school

Please find below a list of services we offer at our Learning Lounge.

If you have any questions please contact Karen Hunt on 07733889062 or email karen.hunt@willows.cardiff.sch.uk

Pantry

Our food pantry provides free food and toiletry essential items for families in our school community. It's a way for us to come together, share resources and make sure no one goes without. Please visit the Learning Lounge via a separate entrance, ring the doorbell and we will be happy to help. This service is completely confidential.

Citizens Advice Service Monday 9.30am-16.30pm

Citizens Advice Cardiff & Vale provide free confidential and impartial advice on a range of areas including debt, benefits, housing, employment and family matters. Please contact Karen to make an appointment, all appointments are confidential.

Cuppa With a Copper

Our local PCSO visits the Learning Lounge on a Thursday, together we can work closely with our families to solve local problems and make our community feel safer.

Adult Learning Classes

We offer multiple Adult Learning Classes, it's not just about learning new skills, it's about opening doors for yourself and your family. Boost your skills, build confidence and meet new people, when parents learn, families grow stronger.

Parent Well Being Sessions

Looking after yourself is just as important as looking after your family, take time out to build confidence and positivity and share experiences with other families.

Together We Achieve More

Support for Every Family,

Every Step of The Way

We believe every family deserves support, connection, and encouragement.

Our Family Engagement Services bring parents, caregivers and schools together to help children to thrive.

Together we can make our community, stronger, happier and more connected.
